Board Meeting Agenda
Wednesday Jan 20th, 2021
4pm

Teleconference Locations:

Executive Order N-29-20 Waives or Revises Brown Act Requirements Temporarily.

Under this Executive Order, the following rules apply: Charter schools may hold public meetings via teleconferencing and make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body. Charter schools still need to comply with the timelines for posting agendas, including putting the agenda as a direct link on their website. The agenda must give notice of the means by which members of the public may observe and participate (e.g., conference call dial-in number, etc.). The agenda does not need to list the address from where each Board member will be calling in, agendas do not need to be posted at those locations, and the charter school does not need to make those locations accessible to the public or ensure that members of the public may address the body at those locations. A quorum of the Board does not need to participate from locations within the boundaries of the territory over which the charter school exercises jurisdiction. These changes only apply during the period in which state or local public health officials have imposed or recommended social distancing measures.
