

# *Peak Prep Principal's Update*

November 17, 2020

## **Dear Families,**

With the Thanksgiving holiday upon us, I want to take this opportunity to express how grateful I feel to be a part of such a caring community. It is truly a gift to work with such talented and dedicated faculty members and students.

As I reflect on the many things for which I am thankful, I want to take this opportunity to share just a few of them with you:

1. I am thankful for our students who log on every day ready to learn – they give us all a daily reminder of what is important and why we are here.
2. I am thankful for our parents, guardians, and learning coaches for entrusting us with your student's education. Thank you for your partnership in ensuring their success.
3. I am thankful for our teachers, counselors, educational specialists, support staff, therapists, and administrators who really care about student achievement and have the best interests of our students at heart. In these most difficult and challenging times, we see dedicated and tireless

individuals going above and beyond to make sure that great things happen in our school. They do make a difference, and the students benefit from those efforts in their own individual ways.

On behalf of Peak Prep Pleasant Valley, I wish you a Happy Thanksgiving. I send you best wishes for a holiday week filled with family, friends, love, and laughter!

As always, if you have questions or concerns, please do not hesitate to reach out to me! I am here to support you.

Regards,

**Mrs. Sabrina Ciolino**

**Principal**

## Are you having issues with apps?

Based on our tech team's input, we have disabled the students' ability to install apps on their Chromebooks. Only apps that the faculty at Peak Prep approve of may be installed. This was done to ensure that students are focused on learning while logged in and to protect their privacy. That being said, a few students have mentioned having issues with Zoom or Kami. Those apps are a force install, so every Peak Prep device has access. If you are running into issues with these apps, I would suggest logging out of your Peak Prep Gmail and restarting or powering down and then powering up your device.

**Click [here](#) to complete our survey to determine the name and character of our school mascot!**

## Peak Prep Mascot Name Survey

The Polar Bear School Spirit Team is working on developing the personae of our school mascot. Please take a minute to complete this survey to determine the name and character of our school mascot, the Polar Bear.
