

New Peak Prep Logo!

December 1, 2020

New logo & mascot name!

With the selection of our new mascot, we have decided to create a new logo that better represents our school!

Mascot: Polar Bear

Name: Atka (Guardian spirit)

School Colors: Arctic Blue & White

Peak: Pride, Excellence, Academics & Kindness

We hope to have spirit wear available for purchase soon.

Dear Families,

I hope that you all had a relaxing and enjoyable Thanksgiving break. With just a few weeks left in the semester, I implore you all to encourage your students to dedicate 4-6 hours a day to their studies to finish strong.

Please stress with your student(s) the importance of staying on pace and maintaining a minimum 2.0 GPA with no Fs as a key to ensuring they do not fall behind their peers academically. Any student behind in their courses should be meeting with their teachers during Intervention hours to get extra help. As a reminder, you can also schedule 1-1 time with your teachers to get extra support when needed.

Please be aware that all courses are due to end on January 15, 2021, and there will be no extensions.

Are you planning a family trip for the holidays?

As you think about your arrangements, we want to stress the importance of having your student log in and submit work daily. Every year, absences spike in the weeks before and after the winter holiday as families squeeze in a few more vacation days. It's time to break that cycle. We know that just a few missed days here and there, even if they're excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school. Put simply, too many absences at any age can affect a student's chances for academic success and eventually for graduation.

We recognize that holidays are an important time for reconnecting with families far away. The costs of plane tickets often influence when you want to travel. But keep in mind the costs to your children's education if they miss too much school— and the message you will be sending about the importance of attendance. Our teachers will be teaching, and our students will be learning right up until vacation starts. This holiday season, give your children the gift of an education and the habit of attendance.

Our Commitment

We are committed to your student's academic success and devoted to ensuring that each student has the support they need to succeed.

If you have questions or concerns, please do not hesitate to reach out to me! I am here to support you.

Regards,
Mrs. Sabrina Ciolino
Principal

COVID Testing Fresno County

There are no out-of-pocket costs for [medically-necessary](#) testing. If you have medical insurance, Verily or OptumServe will bill your insurance company (see testing sites below). If you're uninsured, [the government pays for your test](#).

OptumServe Testing Sites

[Fresno City College](#)

[Sanger Community Center](#)

[West Fresno Regional Center](#)

For more information visit: <https://www.co.fresno.ca.us/departments/public-health/covid-19/covid-19-testing-sites>

COVID Testing LA County

LA County residents should first call their health care provider for a COVID 19 test. If you can not get a test through a health care provider, please click this link to use the interactive map to make an apt for a no-cost COVID 19 test.

For more information visit: <https://covid19.lacounty.gov/testing/>

COVID Testing Santa Barbara County

Expanded COVID-19 Testing at the Public Health Testing Site in Santa Maria

Wednesday, December 2, 2020

Thursday, December 3, 2020

Friday, December 4, 2020

- 10 a.m. – 12 p.m. and 1 p.m. – 3 p.m.
- NO WALK-INS
- Online appointment registration opens the day before the testing date and closes at 5:00 PM or when all slots are full – whichever comes first

Click [HERE](#) to schedule an appointment

Testing Location

2115 Centerpointe Pkwy

Santa Maria, CA 93455

The testing site is located next to the Santa Maria Health Care Center

For more information visit: <https://publichealthsbcc.org/testing/>

COVID testing Ventura County

COUNTY OF VENTURA EXPANDED COVID-19 TESTING

The County of Ventura has expanded testing throughout the county for essential workers and residents who have symptoms of COVID-19 or have been exposed to someone with it. You will not be charged for the test, and you don't need to have health insurance. You will be asked for insurance information if you have it.

Ventura County residents with symptoms or known exposure to someone with COVID-19:

call **OptumServe at 1-888-634-1123** or visit <https://lhi.care/covidtesting>

Or call **County of Ventura Testing Hotline at 805-652-7660**.

The first step is to answer some questions to see if you need to be tested. These questions are based on the Centers for Disease Control (CDC) criteria for testing. If your answers indicate that you should get a test, then you will be given an appointment at one of the State testing site or County Urgent Care locations throughout the county. You don't need a doctor to refer you.

You will be tested if you have symptoms of COVID-19 or close contact with a person diagnosed with COVID-19 through laboratory tests.

Symptoms can be

- Cough or shortness of breath
- OR two of these other symptoms: fever greater than 100.4F, chills, muscle pain, headache, sore throat, new loss of taste or smell, diarrhea

Close contact means

- Sharing a home
- Closer than 6 feet for more than 10 minutes without wearing a mask
- Contact with the bodily fluids (spit, blood) of the sick person through coughing, sneezing, sharing utensils

If you do not have any symptoms or close contact with someone diagnosed with COVID-19 but you would like to be tested, please contact OptumServe.

Other sites throughout the County offer testing, too. Visit the California page at <https://www.covid19.ca.gov> to find a location near you.

2020-2021 Winter Homeless Shelters

COVID-19 TESTING INFORMATION
Anyone experiencing symptoms of COVID-19, including fever, cough and/or loss of taste or smell, will not be admitted into shelters without consulting with public health for an evaluation and COVID-19 testing. Please contact the Backlog Medicine team at 805-652-6884.

Please Note: Homeless persons will not be admitted to the shelters. Please note that due to the limited resources, guests must also pass a National Sex Offender's Public Records search. Shelters are operated primarily by volunteers and donations. Please recognize both their generosity and some limitations.

RE TESTING INFORMATION
All guests over the age of one year old must have evidence upon entry of a negative TB test taken within the past 90 days. To protect the health of all guests, no exceptions will be made. TB tests can be obtained free of charge at the following locations:

- OneStop - Tuesday thru - 12:00pm @ 5111 Loma Vista Dr., Ventura (Public Health Building)
- AHMC Urgent Care, 800 Hillside Ave., Ventura, 805-652-6884/805-652-6884 (New Open for New Open)

*Must be registered with one stop
