Dear Families,

I wanted to take this opportunity to thank our students for their hard work this semester. With just a few weeks left, students must be spending at least 5 hours a day working on their courses. If your student is currently behind in their courses, I encourage them to spend a little extra time each day to get caught up or reach out to their teachers for guidance.

We are committed to your student's academic success and devoted to ensuring that each student has the support they need to succeed. If you have questions or concerns, please do not hesitate to reach out to me! I am here to support you.

Regards,

Mrs. Sabrina Ciolino

Semester 2 Master Agreements will be sent soon!

In the next few days, you will be receiving a Semester 2 master agreement for your student(s) via DocHub.

It is vital that you sign and finalize your MA quickly (once received) to reserve your student's spot for Semester 2. If you know your student will not be returning next semester, please let me know.

Please note: The document needs to be signed by BOTH student and guardian (unless the student is 18 or older, in which case we only need their signature). DocHub has a default setting with signatures you will need to override. This video is a tutorial that will show you how. **Please watch before signing.**

Fisherman by C. Kirkland (5th Grade)

"Have you ever been fishing? Every summer, I travel up to Shasta Lake to spend time with my grandparents. My uncle and I go to spend 2 whole weeks with them doing activities such as swimming in their pool, camping, and going fishing with my Papa. It is the most fun time of the year for me and my cousin (I go to spend time with my Papa and my cousin too).

"Morning Cade, are you ready to go catch the big one?" my Papa asks me.

"What time is it?" I ask him while rubbing my eyes and trying to wake myself up.

"When I finally get myself out of bed, I can smell coffee, eggs, and ham in the air. My Papa always has to start his day with a cup of tea or coffee. I walk out to the kitchen and climb up in the bar stool at the counter. "Good morning Cade! How did you sleep?" my Papa asks while holding a spatula trying to toast the eggs.

"I sleep good. I can't wait to get out on the lake and catch the biggest fish ever," I told my Papa.

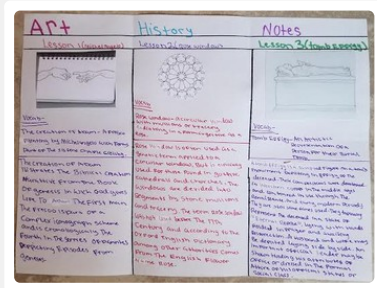

"Well, not so fast. You're going to need lots of energy and protein to catch that fish," she tells me, giving me a plate with scrambled eggs with ham and cheese toast.

After filling my tummy up, I run straight to the bathroom, forgetting my change of clothes, and jump right into a warm shower. I'm too excited to go fishing with my Papa and cannot think of anything else. "Papa, can you please bring me a change of clothes? I need them!" I call
