## Dear Families,

The world can use some extra joy right now and the students at Peak Prep are doing their part to uplift their community with kindness, compassion, unity, and respect! To recognize Peak Prep's ongoing commitment to kindness and their participation in the 10th annual Great Kindness Challenge, they have been designated as a "Kindness Certified School" by Kids for Peace.

Kids for Peace is a global nonprofit that hosts The Great Kindness Challenge, a positive and uplifting program that fosters connection, inclusion, appreciation, and overall well-being. The annual program has multiplied in enrollment each year, having grown to over 17 million students in 33,000 schools, reaching across all 50 states and 115 countries.

Peak Prep invites every community to keep the kindness going by lifting each other up, helping each other out, and cheering each other on. Kindness has the power to unite us all!

We are committed to your student's academic success and devoted to ensuring that each student has the support they need to succeed. If you have questions or concerns, please do not hesitate to reach out to me! I am here to support you.
