

PEAK PREP PRINCIPAL'S UPDATE

MARCH 25, 2021

Spring Break

WHEN

Friday, April 2nd, 8am to Sunday,
April 11th, 11pm

WHERE

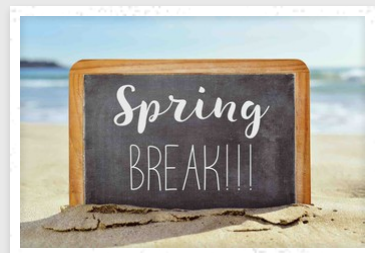

This is an online event.

Dear Families,

Spring Break:

Peak Prep Pleasant Valley will be closed for Spring Break from Friday, April 2nd- April 11th.

Students are more than welcome to continue their curriculum, but our staff will be unavailable. If your student is currently behind pace and/or missing work, we encourage them to use this opportunity to catch-up.

Re-enrollment:

We are excited to announce that we are already in the midst of planning for the 2021-2022 school year, and re-enrollment via PowerSchool is officially live! Please take a few minutes to log into PowerSchool and complete your re-enrollment form if you have not already done so.

New Enrollments:

Do you know of anyone that is looking for a new school for their student next year? Peak Prep is now accepting applications for the 2021-2022 school year.

Please direct applicants to apply using the link below:

CAASPP-Grades 3-8 and 11-12:

In the next few days, you will receive notification of your student's scheduled CAASPP testing dates and times. Testing will happen virtually this year, and students will take their tests over the course of several days to ensure that they can focus and give their best effort. Please be on the lookout for emails and calendar invitations.

CAASPP Secure browser:

If your student does not have a Peak Prep Chromebook, please download the CAASPP secure browser in advance of your scheduled testing time and date.

We are committed to your student's academic success and devoted to ensuring that each student has the support they need to succeed. If you have questions or concerns, please do not hesitate to reach out to me! I am here to support you.

Regards,

Mrs. Sabrina Ciolino

AquaSmart Live Water Safety video

While playing in the water can be fun, it can also be dangerous. The AquaSMART Live! Puppet Show presentation teaches students water and boating safety lessons that can help save lives.

IS YOUR STUDENT BEHIND IN THEIR COURSES?

TK-5th Graders:

Pacing in grades TK-5 is based upon the schedule set by your teachers. If your student has missing assignments, please feel free to work during the upcoming breaks to catch-up, but do not forget to notify your teacher that you have uploaded a missing assignment.

6th-12th Graders

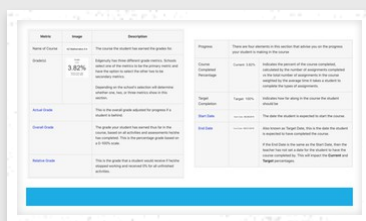

Pacing in Edgenuity is based upon the school calendar, which means that the system recognizes that students will not be expected to log in during Spring break. ***This is your student's opportunity to get back on track in their courses if needed.*** I would strongly encourage all students currently behind to use this time to catch up, but please be aware that our faculty will be unavailable during these breaks.

In order to earn a credit a student must pass their course with a 60%, so please pay attention to the relative grade. The **relative grade** is the grade that a student would receive if s/he stopped working and received 0% for all unscored, counted activities.

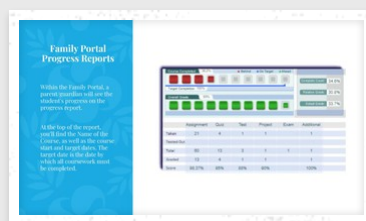

Please stress with your student(s) the importance of completing their assignments and maintaining a minimum 2.0 GPA with no Fs as a key to ensuring they do not fall behind their peers academically. Any student behind in their courses should be meeting with their teachers during Intervention hours to get extra help. As a reminder, you can also schedule 1-1 time with your teachers to get extra support when needed.
