

# PEAK PREP PRINCIPAL'S UPDATE

APRIL 12, 2021

Dear Families,

Welcome back from Spring Break! I hope you all had a chance to enjoy some time away from your school responsibilities. It is hard to believe that we only have about eight and a half weeks left in this semester. As such, these are often the busiest weeks of the academic year. Please encourage your students to finish the semester strong, and attend all live lessons and office hours.

Re-enrollment via PowerSchool is officially live, and I want to take a moment to thank the families that have already completed this critical step. Please remember that current students are not automatically enrolled for the fall. We do need confirmation that you are accepting your spot in Peak Prep. Open enrollment has already begun, and if we do not hear from you by **June 1st, 2021**, your student will not be re-enrolled for the 21-22 school year. With Covid-19 and traditional schooling's uncertainty, we anticipate an increase in enrollment over the next few months. With that being said, we plan on capping our enrollment to ensure we provide a consistent and academically sound program that provides flexibility, student engagement, and support! We would love for your student to continue with us.

We hope to continue to partner with you during the 2021-2022 school year at Peak Prep Pleasant Valley!

Regards,

**Mrs. Sabrina Ciolino**

## CAASPP Testing Happening Now-June 4th!

For the 2021 spring administration of the California Assessment of Student Performance and Progress (CAASPP) for English language arts (ELA), Mathematics, and Science (CAST), students will be able to take their assigned tests remotely. Our priority is to keep our students and educators safe by following state, county, and local health and safety requirements associated with the current pandemic. Students will take the test from the safety of their homes. The test administrator or examiner will connect with each child by computer.

Please be on the lookout for more information coming from your student's assigned testing proctor (a Peak Prep Faculty Member). They will be reaching out with important information regarding the dates and times your student is scheduled to test. Students in grades 3-8 and 11 will test over multiple days to ensure that we have the most accurate results possible.
