- 2) Include your student's full name.
- 3) Print the PDF at home!

## RE-ENROLLMENT

Re-enrollment via PowerSchool is officially live, and I want to take a moment to thank the families that have already completed this critical step. We have heard from about 80% of our families, and look forward to hearing from the rest of you. Please remember that current students are not automatically enrolled for the fall. We do need confirmation that you are accepting your spot in Peak Prep. Open enrollment has already begun, and if we do not hear from you by **June 1st, 2021**, your student will not be re-enrolled for the 21-22 school year.

With Covid-19 and traditional schooling's uncertainty, we anticipate an increase in enrollment over the next few months. With that being said, we plan on capping our enrollment to ensure we provide a consistent and academically sound program that provides flexibility, student engagement, and support! We would love for your student to continue with us.

We hope to continue to partner with you during the 2021-2022 school year at Peak Prep Pleasant Valley!
