Board Meeting Agenda Wednesday May 19th, 2021 4pm

**Teleconference Locations:** 

Executive Order N-29-20 Waives or Revises Brown Act Requirements Temporarily.

Under this Executive Order, the following rules apply: Charter schools may hold public meetings via teleconferencing and make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body. Charter schools still need to comply with the timelines for posting agendas, including putting the agenda as a direct link on their website. The agenda must give notice of the means by which members of the public may observe and participate (e.g., conference call dial-in number, etc.). The agenda does not need to list the address from where each Board member will be calling in, agendas do not need to be posted at those locations, and the charter school does not need to make those locations accessible to the public or ensure that members of the public may address the body at those locations. A quorum of the Board does not need to participate from locations within the boundaries of the territory over which the charter school exercises jurisdiction. These changes only apply during the period in which state or local public health officials have imposed or recommended social distancing measures.

# **Expanded Learning Opportunities Grant Plan**

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Peak Prep Pleasant Valley	Dr. Shalen Bishop	Shalen.Bishop@peak-prep.org
	Superintendent	805-222-0025

The following is the local educational agency's (LEA's) plan for providing supplemental instruction and support to students, including those identified as needing academic, social-emotional, and other supports, including the provision of meals and snacks. The plan will explain how the LEA will use the funds it receives through the Expanded Learning Opportunities (ELO) Grant to implement a learning recovery program for at least the students included in one or more of the following groups: low-income students, English learners, foster youth, homeless students, students with disabilities, students at risk of abuse, neglect, or exploitation, disengaged students, and students who are below grade level, including, but not limited to, those who did not enroll in kindergarten in the 2020–21 school year, credit-deficient students, high school students at risk of not graduating, and other students identified by certificated staff.

For specific requirements please refer to the Expanded Learning Opportunities Grant Plan Instructions.

# **Plan Descriptions**

A description of how parents, teachers, and school staff were involved in the development of the plan.

As a virtual non-classroom based school, we only qualify for 15% of the funds. Within that 15%, we are required to provide support through hiring a paraprofessional. With the remaining \$11,000 funds, we have used feedback from our annual parent survey, discussions in staff meetings and other feedback throughout the year. The additional feedback includes, but not limited to, PAC meetings, School Site Council, conversations with staff and/or parents, and analyzing our internal program data.

Our focus is accelerating progress to close learning gaps through the implementation and expansion of tutoring and supports for credit deficient students to complete graduation or grade promotion requirements.

Within the annual parent survey there was a desire to have resources and support for students over the summer. Within the staff meetings and conversations there was a desire to provide additional credit recovery and summer support for high school students that are at-risk of not graduating on time.

Within our PAC meeting, there was a desire for additional tutoring/intervention.

A description of how students will be identified and the needs of students will be assessed.

1. For our HS students that will get additional support over the summer:

The counseling team will assess transcripts and graduation plans. From there, they will identify HS students that are credit-deficient and at risk of not graduating on time.

2. For our students with disabilities:

The sped team will look at their caseloads and IEPs and identify students with disabilities that would benefit from the additional supplemental curriculum that is provided.

3. All K-5 students will be given full access to supplemental resources in language arts and math through Raz Kids and IXL. Although all K-5 students will have access, additional communication will be given to families that need to be using these resources.

Faculty will assess the needs on a regular basis and follow up where needed.

A description of how parents and guardians of students will be informed of the opportunities for supplemental instruction and support.

- Parents will be informed through multiple avenues:
- 1) The counselor or special education teacher will reach out to inform of the opportunity and need for supplemental instruction and supports.
- 2) The Principal newsletter--Overall communication
- 3) Website
- 4) Homeroom Teacher will follow up with any family that may need following up.

Peak will communicate in the primary language the family has identified.

A description of the LEA's plan to provide supplemental instruction and support.

- Our plan to provide supplemental instruction and support is through the following:
- 1) Utilizing a paraprofessional to provide additional classroom support (under the direction of the highly qualified teacher), 1:1 tutoring, and implementations of IEPs.
- 2) Provide access to our supplemental resources in language arts and Math (Raz Kids and IXL) throughout the summer.
- 3) Provide a teacher to oversee summer students, monitor progress and provide academic support.

Intervention and supplemental work will be targeted & tiered while providing intensive supports.

The two strategy areas of focus are accelerating progress to close learning gaps through the implementation and expansion of tutoring AND supports for credit deficient students to complete graduation or grade promotion requirements.

The instruction and support will be supported by our compassionate faculty. With strong communication, individual support and follow through, our staff will help foster a positive school culture and engaging learning experience

# **Expenditure Plan**

The following table provides the LEA's expenditure plan for how it will use ELO Grant funds to support the supplemental instruction and support strategies being implemented by the LEA.

Supplemental Instruction and Support Strategies	Planned Expenditures	Actual Expenditures
Total Funds to implement the Strategies	33,250	

A description of how ELO Grant funds are being coordinated with other federal Elementary and Secondary School Emergency Relief Funds received by the LEA.

The ELO Grant fund is used for additional intervention that goes beyond the other federal funds to provide support for our at-risk HS students needing additional support and credits to meet graduation requirements. In addition, it is used to provide supplemental Sped curriculum to provide additional intervention for our students with disabilities and provide summer supplemental resources for math and ELA. The other Emergency Relief funds will also be used for intervention and additional supplemental materials to foster learning and fill in the gaps from learning loss. Ultimately, our goal is to maximize student supports

# **Expanded Learning Opportunities Grant Plan Instructions: Introduction**

The Expanded Learning Opportunities Grant Plan must be completed by school districts, county offices of education, or charter schools, collectively referred to as Local Educational Agencies (LEAs), that receive Expanded Learning Opportunities (ELO) Grant funds under California *Education Code* (*EC*) Section 43521(b). The plan must be adopted by the local governing board or body of the LEA at a public meeting on or before June 1, 2021, and must be submitted to the county office of education, the California Department of Education, or the chartering authority within five days of adoption, as applicable. The plan must be updated to include the actual expenditures by December 1, 2022.

For technical assistance related to the completion of the Expanded Learning Opportunities Grant Plan, please contact <u>ELOGrants@cde.ca.gov.mailto:lcff@cde.ca.gov</u>

# **Instructions: Plan Requirements**

An LEA receiving ELO Grant funds under *EC* Section 43521(b) is required to implement a learning recovery program that, at a minimum, provides supplemental instruction, support for social and emotional well-being, and, to the maximum extent permissible under the guidelines of the United States Department of Agriculture, meals and snacks to, at a minimum, students who are included in one or more of the following groups:

- low-income,
- English learners,
- foster youth,
- homeless students,
- students with disabilities,
- students at risk of abuse, neglect, or exploitation,
- disengaged students, and
- students who are below grade level, including, but not limited to, those who did not enroll in kindergarten in the 2020–21 school year, creditdeficient students, high school students at risk of not graduating, and other students identified by certificated staff.

For purposes of this requirement

- "Supplemental instruction" means the instructional programs provided in addition to and complementary to the LEAs regular instructional programs, including services provided in accordance with an individualized education program (IEP).
- "Support" means interventions provided as a supplement to those regularly provided by the LEA, including services provided in accordance with an IEP, that are designed to meet students' needs for behavioral, social, emotional, and other integrated student supports, in order to enable students to engage in, and benefit from, the supplemental instruction being provided.
- "Students at risk of abuse, neglect, or exploitation" means students who are identified as being at risk of abuse, neglect, or exploitation in a written referral from a legal, medical, or social service agency, or emergency shelter.

*EC* Section 43522(b) identifies the seven supplemental instruction and support strategies listed below as the strategies that may be supported with ELO Grant funds and requires the LEA to use the funding only for any of these purposes. LEAs are not required to implement each supplemental instruction and support strategy; rather LEAs are to work collaboratively with their community partners to identify the

supplemental instruction and support strategies that will be implemented. LEAs are encouraged to engage, plan, and collaborate on program operation with community partners and expanded learning programs, and to leverage existing behavioral health partnerships and Medi-Cal billing options in the design and implementation of the supplemental instruction and support strategies being provided (*EC* Section 43522[h]).

The seven supplemental instruction and support strategies are:

- 1. Extending instructional learning time in addition to what is required for the school year by increasing the number of instructional days or minutes provided during the school year, providing summer school or intersessional instructional programs, or taking any other action that increases the amount of instructional time or services provided to students based on their learning needs.
- 2. Accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports including, but not limited to, any of the following:
  - a. Tutoring or other one-on-one or small group learning supports provided by certificated or classified staff.
  - b. Learning recovery programs and materials designed to accelerate student academic proficiency or English language proficiency, or both.
  - c. Educator training, for both certificated and classified staff, in accelerated learning strategies and effectively addressing learning gaps, including training in facilitating quality and engaging learning opportunities for all students.
- 3. Integrated student supports to address other barriers to learning, such as the provision of health, counseling, or mental health services, access to school meal programs, before and after school programs, or programs to address student trauma and social-emotional learning, or referrals for support for family or student needs.
- 4. Community learning hubs that provide students with access to technology, high-speed internet, and other academic supports.
- 5. Supports for credit deficient students to complete graduation or grade promotion requirements and to increase or improve students' college eligibility.
- 6. Additional academic services for students, such as diagnostic, progress monitoring, and benchmark assessments of student learning.
- 7. Training for school staff on strategies, including trauma-informed practices, to engage students and families in addressing students' socialemotional health needs and academic needs.

As a reminder, *EC* Section 43522(g) requires that all services delivered to students with disabilities be delivered in accordance with an applicable IEP.

# **Fiscal Requirements**

The following fiscal requirements are requirements of the ELO grant, but they are not addressed in this plan. Adherence to these requirements will be monitored through the annual audit process.

- The LEA must use at least 85 percent (85%) of its apportionment for expenditures related to providing in-person services in any of the seven purposes described above.
- The LEA must use at least 10 percent (10%) of the funding that is received based on LCFF entitlement to hire paraprofessionals to provide supplemental instruction and support through the duration of this program, with a priority for full-time paraprofessionals. The supplemental instruction and support provided by the paraprofessionals must be prioritized for English learners and students with disabilities. Funds expended to hire paraprofessionals count towards the LEAs requirement to spend at least 85% of its apportionment to provide in-person services.

• An LEA may use up to 15 percent (15%) of its apportionment to increase or improve services for students participating in distance learning or to support activities intended to prepare the LEA for in-person instruction, before in-person instructional services are offered.

# **Instructions: Plan Descriptions**

Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broad understanding among the LEA's local community.

# A description of how parents, teachers, and school staff were involved in the development of the plan

Describe the process used by the LEA to involve, at a minimum, parents, teachers, and school staff in the development of the Expanded Learning Opportunities Grant Plan, including how the LEA and its community identified the seven supplemental instruction and support strategies that will be implemented. LEAs are encouraged to engage with community partners, expanded learning programs, and existing behavioral health partnerships in the design of the plan.

# A description of how parents and guardians of students will be informed of the opportunities for supplemental instruction and support.

Describe the LEA's plan for informing the parents and guardians of students identified as needing supplemental instruction and support of the availability of these opportunities, including an explanation of how the LEA will provide this information in the parents' and guardians' primary languages, as applicable.

# A description of how students will be identified and the needs of students will be assessed

Describe the LEA's plan for identifying students in need of academic, social-emotional, and other integrated student supports, including the LEA's plan for assessing the needs of those students on a regular basis. The LEA's plan for assessing the academic needs of its students may include the use of diagnostic and formative assessments.

As noted above in the Plan Requirements, "other integrated student supports" are any supports intended to address barriers to learning, such as the provision of health, counseling, or mental health services, access to school meal programs, before and after school programs, or programs to address student trauma and social-emotional learning, or referrals for support for family or student needs.

# A description of the LEA's plan to provide supplemental instruction and support

Describe the LEA's plan for how it will provide supplemental instruction and support to identified students in the seven strategy areas defined in the Plan Requirements section. As a reminder, the LEA is not required to implement each of the seven strategies; rather the LEA will to work collaboratively with its community to identify the strategies that will be implemented. The plan must include a description of how supplemental instruction and support will be provided in a tiered framework that bases universal, targeted, and intensive supports on students' needs for academic, social-emotional, and other integrated student supports. The plan must also include a description of how the services will be provided through a program of engaging learning experiences in a positive school climate.

As a reminder, *EC* Section 43522(g) requires that all services delivered to students with disabilities be delivered in accordance with an applicable individualized education program. Additionally, LEAs are encouraged to collaborate with community partners and expanded learning programs, and to leverage existing behavioral health partnerships and Medi-Cal billing options in the implementation of, this plan (*EC* Section 43522[h]).

# **Instructions: Expenditure Plan**

The 'Supplemental Instruction and Support Strategies' column of the Expenditure Plan data entry table lists the seven supplemental instruction and support strategies that may be supported with ELO Grant funds.

Complete the Expenditure Plan data entry table as follows:

In the 'Planned Expenditures' column of the data entry table, specify the amount of ELO Grant funds being budgeted to support each supplemental instruction and support strategies being implemented by the LEA and the total of all ELO Grant funds being budgeted.

The plan must be updated to include the actual expenditures by December 1, 2022. In the 'Actual Expenditures' column of the data entry table the LEA will report the amount of ELO Grant funds that the LEA actually expended in support of the strategies that it implemented, as well as the total ELO Grant funds expended.

# A description of how these funds are being coordinated with other federal Elementary and Secondary School Emergency Relief Funds received by the LEA

Describe how the LEA is coordinating its ELO Grant funds with funds received from the federal Elementary and Secondary School Emergency Relief (ESSER) Fund provided through the federal Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (Public Law 116-260), also known as ESSER II, to maximize support for students and staff.

Written notice by Charter School shall be sufficient to stop further performance of Services by BSA. Notice shall be deemed given when received by the BSA or no later than three (3) days after the day of mailing, whichever is sooner.
- **6.3. With Cause by BSA.** BSA may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include:
  - 6.3.1. Material violation of this Agreement by Charter School; or
  - **6.3.2.** Any act by Charter School exposing BSA to liability to others for personal injury or property damage; or
  - **6.3.3.** Charter School is revoked or closed by the Sponsoring District.

Written notice by BSA shall contain the reasons for such intention to terminate and unless within three (3) calendar days after that notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the three (3) calendar days cease and terminate. Upon termination, BSA shall be paid for all Services performed prior to the termination. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to the BSA.

**6.4.** The Parties agree that BSA shall maintain all pertinent documents upon termination of this Agreement. The Charter School may request copies of such documents to be provided at its sole cost upon termination of the Agreement.

## 7. Indemnification.

To the furthest extent permitted by California law, Charter School shall, at its sole expense, indemnify, and hold harmless the BSA, the State of California, the Board of Directors, and their agents, representatives, officers, contractors, employees, directors, and volunteers (the "BSA Parties") from any and all demands, losses, liabilities, claims, suits, and actions (the "Claims") of any kind, nature, and description, including, but not limited to, personal injury, death, property damage, and contractors and/or attorneys' fees and costs, directly or indirectly arising out of, connected with, or resulting from the performance of the Agreement or from any activity, work, or thing done, permitted, or suffered by the Charter School, its agents, representatives, officers, contractors, directors, and volunteers under or in conjunction with this Agreement, unless the Claims are caused wholly by the sole negligence or willful misconduct of the BSA Parties. Charter School shall, to the furthest extent permitted by California law, defend the BSA Parties at

Charter School's own expense, from any and all Claim(s) and allegations relating thereto with counsel approved by BSA where such approval is not to be unreasonably withheld. Whereas the cost to defend the BSA Parties charged to the Charter School shall not exceed the proportionate percentage of Charter School's fault as determined by a court of competent jurisdiction, any amounts paid in excess of such established fault will be reimbursed by the BSA. Notwithstanding the previous sentence, in the event one or more defendants is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such defendant shall meet and confer with other parties regarding unpaid defense costs. The BSA shall have the right to accept or reject any legal representation that Charter School proposes to defend the BSA Parties.

#### 8. Disputes

In the event of a dispute between the Parties as to performance of the Services, the interpretation of this Agreement, or payment or nonpayment for work performed or not performed, the Parties shall attempt to resolve the dispute in good faith. The Parties further agree that their participation in mediation is a condition precedent to any Party pursuing any other available remedy in relation to the dispute. Notice of the demand for mediation of a dispute shall be filed in writing with the other Party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other Party, but in no case longer than ninety (90) days after initial written notice. The Parties agree to share equally in the costs of the mediation but shall bear their own costs incurred for representation by counsel.

If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, the BSA shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the BSA's right to bring a civil action against the Charter School. For purposes of those provisions, the running of the time within which a claim must be presented to the Charter School shall be tolled from the time the BSA submits its written claim until the time the claim is denied, including any time utilized by any applicable meet and confer process.
