Board Meeting Agenda
Thursday Aug 12th, 2021
4pm

Teleconference Locations:

Executive Order N-29-20 Waives or Revises Brown Act Requirements Temporarily through Sept 30th, 2021.

Under this Executive Order, the following rules apply: Charter schools may hold public meetings via teleconferencing and make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body. Charter schools still need to comply with the timelines for posting agendas, including putting the agenda as a direct link on their website. The agenda must give notice of the means by which members of the public may observe and participate (e.g., conference call dial-in number, etc.). The agenda does not need to list the address from where each Board member will be calling in, agendas do not need to be posted at those locations, and the charter school does not need to make those locations accessible to the public or ensure that members of the public may address the body at those locations. A quorum of the Board does not need to participate from locations within the boundaries of the territory over which the charter school exercises jurisdiction. These changes only apply during the period in which state or local public health officials have imposed or recommended social distancing measures.

PEAK PREP PLEASANT VALLEY CHARTER SCHOOL

INDEPENDENT STUDY POLICY

Peak Prep Pleasant Valley Charter School (“Charter School”) offers independent study to meet the educational needs of pupils enrolled in the charter school. Independent study is an alternative education designed to teach the knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully. The following written policies have been adopted by the Charter School Board for implementation at the Charter School:

1. For pupils in all grade levels and programs offered by the Charter School, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete the assigned work shall be 20 school days for students in grades K-12 (or the equivalent of each quarter).
2. The Head of School or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study upon the following triggers:
 - a. When any pupil fails to complete five (5) assignments during any period of twenty (20) school days for students in grades K-12.
 - b. In the event Student’s educational progress falls below satisfactory levels as determined by the Charter School’s Head of School or designee, who shall consider ALL of the following indicators:
 - i. The pupil’s achievement and engagement in the independent study program, as indicated by the pupil’s performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).
 - ii. The completion of assignments, assessments, or other indicators that evidence that the pupil is working on assignments.
 - iii. Learning required concepts, as determined by the supervising teacher.
 - iv. Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.

A written record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. This record shall be maintained for a period of three years from the date of the evaluation and if the pupil transfers to another California public school, the record shall be forwarded to that school.

3. The Charter School shall provide content aligned to grade level standards that is provided at a level of quality and intellectual challenge substantially equivalent to in-person instruction. For high school grade levels this shall include access to all courses offered by the Charter School for graduation and approved by the UC or CSU as credible under the A-G admissions criteria.

4. The Charter School has adopted tiered reengagement strategies for all pupils who are not generating attendance for more than three (3) school days or 60% of the instructional days in a school week, or who are in violation of the written agreement pursuant to Education Code Section 51747(g). These procedures are as follow:
 - a. Verification of current contact information for each enrolled pupil;
 - b. Notification to parents or guardians of lack of participation within one school day of the absence or lack of participation;
 - c. Outreach from the Charter School to determine pupil needs including connection with health and social services as necessary;
 - d. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Response from Peak Prep Pleasant Valley:

Aligning with it's school mission and vision, Peak Prep Pleasant Valley will use the funds to support underperforming student groups by providing them access, resources and supplemental materials to college prep, CTE, elective and credit recovery. In addition, funding will be used for technology software and hardware. Lastly, it will be used to train, equip and prepare our faculty by providing pertinent professional development that will foster academic support and cultural awareness for our all student populations..

APPROVED BY CDE

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Response from Peak Prep Pleasant Valley:

The funds used will be focused around differential instruction and support for our students' needs. The LCAP is focused on the overall program and all students. These funds will be used to dive deeper into specific unpopulated groups. Determined by diagnostic assessments, students that fall below grade-level standards will be provided additional resources and target-instruction that will build off already acquired knowledge and fine-tune necessary skills to be successful. Title I and Title II funds will be distributed to provide that additional material and faculty support and, in turn, provide greater opportunities for our students

New Teacher On-Boarding. All new teachers are provided a 5 day professional development for on-boarding that is academic-focused. This includes, but not limited to, special ed support, virtual/digital classroom management, ELL strategies, best practices, school support, parent communication, technology and student engagement.

School-wide Professional development. There is a 5-day professional development for our faculty. During this time, they will meet in their teams and as a whole to go over a wide-variety of topics. For example, safety, suicide prevention, homeless awareness training, literacy, science and mathematics instruction, and social justice in education.

Team Meetings. The meetings are designed for teams to meet weekly to discuss best practice, needs, and other school pertinent trainings. These meetings include staff meetings, department meetings, student success team meetings, coaching sessions,

and data-driven and diagnostic meetings.

School Leaders Training. School leaders are in or have been in an external educational leadership program. In addition, they will meet with the superintendent regularly to discuss coaching needs, academic support or concerns, and to be a sounding-board. These leaders will also help drive the team meetings and professional development days. This will ensure leadership growth and experience.

Principal Training. The school principal does external professional development that will strengthen and equip them in the school setting. Some examples are school law, academic coaching, data-driven instruction and parent communication.

Monthly PD. All faculty are required to do one educational webinar. A certificate is to be provide to demonstrate completed task.

Digital and Virtual Learning Conferences. When budget allows, there are many non-classroom based/virtual instruction conferences that provide relevant and up-to-date strategies to equip our faculty and enhance the teaching. In turn, improve the student experience and academic success. This provides professional growth and advancement opportunities for our faculty. They are able to pick sessions based off of areas of need and report back to our team. This becomes informative and provides an opportunity to lead a professional development.

Our systems and sessions are reviewed regularly and annually. Such as, survey will be given to a stakeholder to provide reflection and feedback on current PD and area of future needs at the end of a professional development and at the end of the year. The survey will help the school leaders reflect and analyze to determine if we met our goal or it will drive future PDs and provide constructive feedback on the need for future or additional professional development for individual teachers.

We take the student data and use it as a measure of growth for our teachers and school. We examine the data, like engagement and student attendance to see if there has been an increase or improvement. For example, the teacher weekly report measures withdraws and truancy. Furthermore, if we see through the data there are more teachers dealing with similar areas of focus, we would drive our professional learning to support the school as a whole.

Lastly, we take data from the outcomes of students, teacher planning, and with stakeholder's meetings and plan further professional development. For example, teacher's may notice a need from their live lessons or interaction with students that the school and students would benefit from a SEL professional development.

These systems and sessions are reviewed regularly and annually. For example, a survey will be given to faculty to provide reflection and feedback on current PD and area of future needs at the end of a professional development and at the end of the year. The

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

Response from Peak Prep Pleasant Valley:

Peak Prep uses a variety of academic resources and assessments to pinpoint the academic needs of a student:

Weekly Staff, Leadership, and Team Meetings. During our regular staff meetings we will provide time for qualitative data feedback or hear areas of concerns, needs, or success that are going on. We will provide opportunities for suggestions and/or committees to help proactively come up with a solution or next step to the data like attendance, grades, and engagement. This activity will drive next steps and enhance the academics, student experience and school programs.

Bi-Annual Parent Advisory Committee. This meeting is provided for families to engage with the Head of School to discuss areas of strengths and needs. This data will help provide additional insight for our leadership team to discuss potential strategic plans. The HOS will report to individuals or departments that may be identified to come up with a plan of action or celebration.

Family Engagement Meetings. During these meetings, school teams (teacher, administrator, and paraprofessional) and families come together to look over a specific student's data like grades, diagnostic assessment, and attendance, to discuss areas of needs or strengthens. A plan of action is created during this meeting. We will wrap around within a couple of weeks to reevaluate and discuss the results of this plan.

Monthly Board Meetings. The board is provided data on items like budget, attendance, and survey results. This allows for insight, participation and discussion.

Bi-Annual Parent, Student and Staff surveys. This survey allows for all parents and students to express their success or areas of needed focus. This will allow stakeholders to proactively partake in providing input that is presented to the stakeholders impacted. Afterwards, a strategic plan is put in place. The next survey will provide data to see if there was a growth/improvement.

School Dashboard. This is an annual meeting where a committee of stakeholder are provided an opportunity to see data and provide constructive feedback and solutions to improving our school experience. They will highlight areas of success and areas of needed improvement.

Parent Education Nights. These nights are the results of our data. During these meetings/nights parents are provided education on areas of needs and support that was provided by surveys or other analytical data. In addition, feedback from the night and/or through conversations, other areas may be identified as needing further education and/or support. These are monthly/bi-quarterly. Annual District Oversight. This provides an opportunity for the district to review our program and provide recommendations for growth. This data is provided to the leadership team over the summer to strategically plan and then provide the data to staff at the beginning of the year professional development. The data will be reviewed annually to see growth and improvement.

We take the student data and use it as a measure of growth for our teachers and school. We examine the data, like engagement and student attendance to see if there has been an increase or improvement. For example, the teacher weekly report measures withdraws and truancy. Furthermore, if we see through the data there are more teachers dealing with similar areas of focus, we would drive our professional learning to support the school as a whole. Also, we take data from the outcomes of students, teacher planning, and with stakeholder's meetings and plan further professional development. For example, teacher's may notice a need from their live lessons or interaction with students that the school and students would benefit from a SEL professional development. These systems and sessions are reviewed regularly and annually. For example, a survey will be given to faculty to provide reflection and feedback on current PD and area of future needs at the end of a professional development and at the end of the year. The survey will help the school leaders reflect and analyze to determine if we met our goal or it will drive future PDs and provide

constructive feedback on the need for future or additional professional development for individual teachers.

We use data to continue updating and improving our activities by doing regular and annual data review. As we review, we identify professional development needs that would benefit our school or individual teachers and leaders. In addition, we use ongoing consultation to continue to improve our activities and provide professional development that has been identified as a needed support for individual teachers, leaders or the school as a whole. Lastly, professional development is related to other strategies, programs and activities because it provides needed support for different areas. Core PD program includes ELL, distance learning PD. We will use Title II part A funds to support supplementary PD such social emotional learning.

www.Peak-Prep.org

HEAD OF SCHOOL'S MESSAGE

Welcome to the Peak Prep Pleasant Valley We are thrilled to have you join this excellent public charter school! As the school leader, I look forward to working with all of our students, families, teachers and staff. Our goal is to help students continue to excel both academically and, more broadly, as a thriving school community while providing a safe learning experience for our students. We have a rich, rigor filled, curriculum that is combined with language immersion and State Standards. The curriculum we use will provide a challenging and engaging environment for our students to succeed and excel in.

This handbook includes important policy changes and annual notices. It also outlines the policies and procedures that are intended to maintain a highly structured, respectful and safe environment where our staff and students can attend to the business and pleasure of learning. We encourage parents and students to discuss these rules and use this handbook as an ongoing guide to academic and behavioral expectations.

In its short history, Peak Prep Pleasant Valley has already established a solid foundation of high expectations for all members of the school community; to include students, faculty, staff and parents. Peak Prep parents demonstrate impressive levels of involvement and a consistent desire to be involved in their child's education. Without parental support for our school rules, we cannot effectively impact student achievement. Our policies relate to regular attendance, promptness, completion of work and appropriate behavioral standards.

We appreciate your commitment to Peak Prep Pleasant Valley, and we look forward to a successful school year for all.

Sincerely,

Dr. Shalen Bishop

School Days

Students are required to log into the Learning Management System (“LMS”) and submit work daily (Mondays through Friday) on all school operating days. Weekly reports regarding the progress and level of engagement are sent out electronically to ensure students are making adequate progress. Students are expected to stay on pace to move towards graduation.

Independent Study and Attendance Policies

Peak Prep serves four counties: Los Angeles, Kern, Santa Barbara and Ventura. Families must live within these four counties. Proof of residency is required, and students and their families will be asked for a yearly update to ensure attendance accuracy/compliance.

Academic progress is dependent on regular attendance that is expected of all PEAK PREP students. PEAK PREP is required to maintain and report daily attendance for all students. These reports, or the school’s “Average Daily Attendance,” then form the basis for the majority of our public funding.

Students are expected to log in and make progress working approximately 30 hours a week. Students are required to meet with teachers and mentors on a regular basis and provide work samples to validate their progress. The Charter School shall comply with all applicable requirements regarding independent study, in accordance with Education Code Section 51745, *et seq.*

The Head of School is responsible for ensuring that students are progressing appropriately in their studies. If a student’s parent/guardian cannot provide sufficient guidance and supervision for a student’s lessons, this impacts the efficacy of an Independent Study program.

Under an Independent Study contract, the student’s supervising certificated teacher creates and executes detailed lesson plans and assignments for the student to complete under the immediate supervision of their parent/guardian. To comply with applicable attendance requirements,

students in an independent study program are expected to complete academic coursework each regular school day in accordance with the Independent Study Policy and the students' respective Master Agreements. Students will be required to complete all assignments by the due date as determined by the supervising teacher.

Students are expected to follow the school calendar. Teachers, mentors, and the School Administration will monitor attendance on a daily basis. Parents/guardians should contact their student's teacher or mentor for any absence or missed assignment. In accordance with the Independent Study Policy and Missed Assignments Policy, the Principal or designee shall conduct an evaluation to determine whether it is in the best interests of the student to remain in independent study based on the triggers outlined therein. The complete Independent Study Policy and Missed Assignments Policy can be located at the main office upon request.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the Student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the Student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from classroom-based instruction until the requirements are met. Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. The Charter School believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, the Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the

prevention of human trafficking. An opt-out form is available Amy.Altman@peak-prep.org for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

Sexual Health Education

The Charter School offers comprehensive sexual health education to its students in grades 7-12. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt-out") process. - Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
 - The date of the instruction

Anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 7-12. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if the Charter School has received a written request from the student's parent or guardian excusing the student from participation. An alternative

educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Mental Health Services

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. Due to being fully virtual, the following resources are available to your child:

Available virtual:

- School-based counseling services – your child is encouraged to directly contact a Charter School counselor by coming into the counseling office during school hours and making an appointment to speak with a counselor. The counseling office can also be reached at Tanya.Audish@peak-prep.org. Our Charter School counselors support students by providing individual sessions, group or parent consultations whenever a student is having a difficult time due to academic stress, transition to changes in their environment, or social concerns, including isolation. Counseling services, whether provided by our Charter School or by an outside provider listed herein, are voluntary.
- Special education services – if you believe your child may have a disability, you are encouraged to directly contact Brad Larsen at Brad.Larsen@peak-prep.org to request an evaluation.

Available in the Community:

- Please reach out the school principal: Sabrina.Ciolino@peak-prep.org for local community resources.

Available Nationally:

- National Suicide Prevention Hotline - This organization provides confidential support for adults and youth in distress, including prevention and crisis resources. Available 24 hours at 1-800-273-8255.
- The Trevor Project - This organization provides suicide prevention and crisis intervention for LGBTQ youth between the ages of 13 and 24. **Available at 1-866-488-7386 or visit <https://www.thetrevorproject.org/>.**

Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the student to be able to complete any graduation requirements, unless the Charter School determines that the student is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the student's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Dr. Shalen Bishop, Head of School
Address: 2150 Pickwick Drive #304 Camarillo, CA 93010
Phone : 805-222-0025
E-mail : shalen.bishop@peak-prep.org

COMMUNICATION

It is very important that the communication between your home and the school is a continuous process. Please make sure your home, work, and cell phone numbers are current so that the school can contact you during the day. Our primary method of communicating with families is via email, telephone, and virtual classroom. Translation will be provided to all families who need it. Please be aware that all communications generally receive a reply from school staff within 24 hours (not including holidays or weekends). Although the online system is typically available 24/7, our staff members are available during normal business hours, Monday through Friday.

In order to ensure the peaceable operation of the school without disruption or distraction, the safety of all students, compliance with applicable laws and policies, and a more streamlined communications system, flyers, notices, solicitations or other materials may be distributed to students or their parents via email or online announcements. If you have a question or concern about any incident, problem, or practice concerning the school, please bring that to the attention of the Head of School.

At all times, the adults in our community are expected to model the positive communication behaviors we ask of our students and ensure that communications with faculty, staff and parents are respectful. All members of our school community are also asked to respect the privacy and confidentiality of our individual students, faculty and staff and to attempt to resolve any conflicts via the steps outlined in this Handbook. If at any time any member of this school community – student, teacher, staff, parent, volunteer – has a conflict with another member of the school community that they believe cannot be resolved directly in a one-on-one conversation, the individual should speak with the Principal and/or Head of School about these concerns.

Parent Concerns About Staff or Program

At Peak Prep, teachers and support staff are available to discuss any concerns that a parent has regarding their teaching style or content, disciplinary measures, or personal interaction with a child. Questions regarding Peak Prep curriculum, school rules or the professional conduct of any Peak Prep employee can be addressed by making an appointment with the Principal and/or Head of School.

Procedure for Resolving Parent/Guardian Conflicts

Peak Prep maintains a General Complaints Policy to address any parent/guardian concerns about the Charter School and/or any conflicts with the Charter School that may not be covered by the Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy and/or the Uniform Complaint Policy and Procedures. A copy of the General Complaints Policy is available at the main office and the school website.

Availability of Prospectus

Upon request, the Charter School will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

Cal Grant Program Notice

The Charter School is required by state law to submit the Grade Point Average (“GPA”) of all high school seniors by Oct. 1 of each year, unless the student (if the student is 18 years of age or older) or parent/guardian for those under 18 years of age opt-out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student (or parent/guardian, if the student is under 18 years of age) has opted out by or before February 1.

Information Regarding Financial Aid

The Charter School shall ensure that each of its students receives information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application, as appropriate, at least once before the student enters 12th grade. The Charter School will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at:
 - <https://studentaid.gov/h/apply-for-aid/fafsa>

 - <https://www.csac.ca.gov/post/resources-california-dream-act-application>

Surveys About Personal Beliefs

Unless the student’s parent/guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student’s, or the student’s parents’ or guardians’ personal beliefs or practices in sex, family life, morality, or religion.

Parent and Family Engagement Policy

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act (“ESEA”). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners

with schools to ensure student success. A copy of the Charter School's complete Policy is available upon request in the main office.

Teacher Qualification Information

As the Charter School receives Title I federal funds through the Elementary and Secondary Education Act ("ESEA"), as reauthorized and amended by the Every Student Succeeds Act ("ESSA"), all parents/guardians of students attending the Charter School may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the student's teacher:
 - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, the Charter School will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Head of School at (805) 222-0025 or shalen.bishop@peak-prep.org to obtain this information.

Use of Student Information Learned from Social Media

The Charter School complies with all federal, state, and local guidelines regarding the gathering and/or maintenance of information about any enrolled student obtained from social media in the student's educational record. The Charter School gathers student information from social media. Such information shall be maintained in the Charter School's records with regard to the student and shall be destroyed within one (1) year after a student turns 18 years of age or within one (1) year after the student is no longer enrolled in the Charter School, whichever occurs first. A non-minor student or a student's parent or guardian may access the student's records for examination of the information, request the removal of information or corrections made to information gathered or maintained by the Charter School by contacting the Head of School.

GENERAL POLICIES

Nondiscrimination Statement

The Charter School does not discriminate against any person on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, pregnancy, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

The Charter School adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA").

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. The Charter School shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School's charter and relevant policies.

The Charter School does not request nor require student records prior to a student's enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

The Charter School is committed to providing an educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). The Charter School also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. The Charter School does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of

position or gender. The Charter School will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the Charter School Uniform Complaint Procedures (“UCP”) Compliance Officer:

Phone: 805-222-0025

E-mail: shalen.bishop@peak-prep.org

The lack of English language skills will not be a barrier to admission or participation in the Charter School’s programs or activities. The Charter School prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

Student Records, including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Head of School or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School’s Head of School or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Head of School must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information (“PII”) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School’s Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student’s enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from student’s education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial

orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents,

and any individualized education program (“IEP”) or Section 504 plan that may have been developed or maintained by the Charter School; and/or

12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

“Directory Information” is information that is generally not considered harmful or an invasion of privacy if released. The Charter School may disclose the personally identifiable information that it has designated as directory information without a parent’s or eligible student’s prior written consent. The Charter School has designated the following information as directory information:

1. Student’s name
2. Student’s address
3. Parent’s/guardian’s address
4. Telephone listing
5. Student’s electronic mail address
6. Parent’s/guardian’s electronic mail address
7. Photograph/video

15. Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student’s social security number, in whole or in part, cannot be used for this purpose.)

If you do not want the Charter School to disclose directory information from your child’s education records without your prior written consent, you must notify the Charter School in writing at the time of enrollment or re-enrollment. Please notify the Head of School at:

Education of Foster and Mobile Youth

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. “Foster youth” refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. “Former juvenile court school pupils” refers to a student who, upon completion of the student’s second year of high school, transfers from a juvenile court school to the Charter School.
3. “Child of a military family” refers to a student who resides in the household of an active duty military member.
4. “Currently Migratory Child” refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency (“LEA”), either within California or from another state, in order that the child or a member of the child’s immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child’s eligibility for migrant education services. “Currently Migratory Child” includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. “Pupil participating in a newcomer program” means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as “Foster and Mobile Youth.” Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a “parent/guardian.”

Foster and Mobile Youth Liaison: The Head of School or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Dr. Shalen Bishop, Head of School

Address: 2150 Pickwick Drive #304 Camarillo, CA 93010

Phone: 805-222-0025

E-mail: shalen.bishop@peak-prep.org

The Foster and Mobile Youth Liaison’s responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.

2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent/guardian to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's parent/guardian how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of a child of military family, a currently migratory child or a pupil participating in a newcomer program.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades

and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster youth pending a recommendation for expulsion, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office and on the school website.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School's complete Education for Foster and Mobile Youth Policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office and on the school website.

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the Charter School Liaison.

School Liaison: The Head of School or designee designates the following staff person as the School Liaison for homeless students (42 U.S.C. § 11432(g)(1)(J)(ii)):

The Charter School Liaison shall ensure that (42 U.S.C. § 11432(g)(6)):

1. Homeless students are identified by school personnel and through outreach and coordination activities with other entities and agencies.
2. Homeless students enroll in and have a full and equal opportunity to succeed at the Charter School.
3. Homeless students and families receive educational services for which they are eligible, including services through Head Start programs (including Early Head Start programs) under the Head Start Act, early intervention services under part C of the Individuals with Disabilities Education Act, any other preschool programs administered by the Charter School, if any, and referrals to health care services, dental services, mental health services and substance abuse services, housing services, and other appropriate services.
4. Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
5. 6. Enrollment/admissions disputes are mediated in accordance with law, the Charter School's charter, and Board policy.
7. Parents/guardians and any unaccompanied youth are fully informed of all transportation services, as applicable.
8. Charter School personnel providing services receive professional development and other support.
9. The Charter School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.
10. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent students under section 480 of the Higher Education Act of 1965 and that the youths may obtain assistance from the Charter School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid described in section 483 of the Act.

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a

postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless student who enrolls at the Charter School, a copy of the Charter School's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office and on the school website.

Student Use of Technology and Acceptable Use Agreement

Students must file an Acceptable Use Agreement signed by the student and a parent/guardian. All students having access to the Internet must adhere to federally mandated rules for internet use, along with the Student Use of Technology Policy and Acceptable Use Agreement. Internet access is a privilege. Any behavior that is not acceptable may result in the loss of this privilege. Peak Prep rules include the following:

- ☐ Handle the computers and equipment with care and as directed by the teacher
- ☐ Be respectful of the rights, the ideas, the information, and the privacy of others
- ☐ Neither send nor receive information that is not related to schoolwork, or that can be hurtful or harmful to others
- ☐ Report to teachers any sites or persons that demonstrate inappropriate use of on-line service

A copy of the complete Student Use of Technology Policy and Acceptable Use Agreement may be requested at the main office and on the school website.

Enrichment Activities

Enrichment activities provide an opportunity for first-hand experiences that complement classroom learning. In order to participate in an enrichment activity, all students must have a parent/guardian or designated adult to accompany them. If the designated adult is not their legal

guardian, a signed letter from the legal guardian must be approved prior to the event.

Textbooks/School Materials

Students in TK-5 will be issued materials necessary for completion of all of their coursework. These materials become the responsibility of the student. Damaged or lost books must be replaced by the parents/guardians. Students in 6th-12th will access their materials and coursework online.

Lost or Damaged School Property

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, the Charter School may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades and diploma will be released.

Academic Integrity, Plagiarism and Cheating

All work submitted is to be completed ONLY by students. Students are responsible for observing the standards on plagiarism, cheating, and properly crediting all sources used during the composition of work. Failure to abide by these standards is reported to the appropriate administrative authorities and may result in a conference with the parent, loss of credit for high school courses, revoked access to course(s), and/or suspension.

Plagiarism

Plagiarism is defined as the act(s) of copying the words, ideas, images, sounds, signs/symbols and thoughts of another writer and presenting them as your own.

Cheating

Cheating involves the act(s) of using, accepting, or distributing test answers, answer keys, or presenting another person's work as your own. Any student found cheating is in violation of the School's Academic Integrity Policy.

Source Citation

Many courses require written work in which students need to cite sources. Any direct quotations from a textbook can simply be cited as: Author, Page Number. Any quotations from outside sources require full citations, including author, title, publisher, date of publication, and page number. If a student cites information found on a website, the student must provide the complete Web page or site title, URL, author if known, page number if applicable, publication date of the site, if available, and the date of access.

CONSEQUENCES FOR CHEATING/PLAGIARISM

Fist Offense:

1. Student receives no credit for assignment
2. Teacher fills out a "Notice of Cheating Offense" form, makes three copies, and keeps the original for their file. The teacher distributes the copies to:
 - a. Parent/Guardian (by mail)
 - b. Counselor
 - c. Principal
3. If the assignment is deemed by the teacher to be a major assignment and the offense requires premeditation (e.g., submitting a major paper that has been

plagiarized), the student forfeits double the value of the assignment.

4. At the teacher's discretion, the student may be given an additional assignment, such as writing a statement about the incident, which the teacher keeps on file.
5. If the teacher, counselor, or principal deems the offense to be a major offense (e.g., stealing test or quiz materials, changing a grade in a teacher's record), the student may be suspended in accordance with the Suspension and Expulsion Policy and Procedures.

Second Offense

1. The consequences listed above in the "First Offense" shall be applied.
2. The student, teacher, and parent/guardian meet with the student's counselor and/or Principal to discuss causes and appropriate consequences.
3. If the student's second offense occurred in an AP or Honors course, the student may be removed from the course and placed in a regular college prep course. Such determination shall be made by the Head of School.

Grading Policies

Grades TK-5

Elementary students are assessed using the following marks. At the end of each semester, one of the following numerical grades will be assigned to each course:

- 4-Exceeds. I am working beyond the required objectives to meet end of year expectations.
- 3-Meets. I am completing the required objectives to meet end of year expectations.
- 2-Progressing. I am working toward achieving the required objectives to meet end of year expectations.
- 1- Needs Time. Needs more time to meet end of year expectations.
- NA- Not Assessed at this time.

Grades 6-8

You will receive a progress report weekly from your teachers, and a final report card at the conclusion of each semester.

Grades are given as follows:

- A = Superior
- B = Above Average
- C = Average
- D = Below Average
- F = Failure
- I = Incomplete (changes to an "F" after 20 days) All grades in the core areas, with the exception of an "F" or an "I" earn 5 units of credit.

Concerns regarding grades and/or academic progress can be discussed at a parent/teacher conference arranged by your student's mentor.

Grades 9-12

Course Credit

For each semester course offering that is completed successfully, five (5) credits of required or elective credits are earned. To obtain credits an "A", "B", "C" or "D" grade is required. Failed courses will be recorded as an "F" on the student's transcript, and a zero will be computed for the course in determining the GPA. No credit is earned for failed courses.

Grade Level Promotion:

Although course credits are earned on a semester basis, grade-level promotions take place once a year except when a student is eligible to move from 11th to 12th grade. Actual percentages earned rather than letter grades will be used in the calculation to determine final grades.

HIGH SCHOOL PROMOTION REQUIREMENT

All students shall complete the specified unit requirement before attaining high school promotion to the next grade level and for graduation.

To attain sophomore standing	55 units (minimum)
To attain junior standing	110 units (minimum)
To attain senior standing	165 units (minimum)
To graduate from high school:	220 units

Roles and Responsibilities of Counselor

The responsibility of the counselor is to focus on individual student needs and to guide the student in making appropriate decisions. In addition to this, the counselors provide the following services:

- Review academic progress.
- Register students into appropriate classes.
- Interpret test data.
- Maintain academic records.
- Coordinate and facilitate parent conferences when difficulties go beyond a single teacher.
- Stimulate career awareness and provide career information.
- Offer parents and students informational brochures, support materials, and referrals to resources within the community.
- Assist with developing and maintaining positive peer relationships.
- The counselor will provide the following services as appropriate:
 - Assistance in decision-making.
 - Assistance in functioning productively within the school and the family.
 - Assistance in clarifying personal goals.
 - Assistance to the students in making appropriate behavioral changes.

Grade Point Average

Grade point averages (“GPAs”) are determined by dividing the number of quality points achieved by the number of credits received. GPAs are determined on a semester-basis only. The cumulative (composite) GPA is determined using the semester averages beginning with the first semester of freshman year.

Letter Grade	Percentile	Standard GPA	Honors GPA	AP GPA
A+	97-100	4	4.5	5
A	93-96	4	4.5	5

HONOR ROLL

A basic goal for all Peak Prep students is high academic achievement. It is our policy to recognize such effort. A “B” average must be maintained to be eligible for the Honor Roll. Any student receiving a “D” or “F” irrespective of other grades is not eligible. Honor Rolls are posted at the semester.

Course Failure and Repeat Credit

For students wishing to attend a University of California (“UC”) or California State School, a grade of “C” or better is required to meet a subject requirement. D and F grades are not acceptable and must be cleared by repeating a class, completing advanced work in the same subject area of sequential knowledge (math or language other than English) or attaining certain minimum scores on SAT, AP or IB examinations. Students are permitted to retake failed classes, or courses that they have earned a “D” letter grade in with approval from the counselor or Head of School. There

is no limit to the number of courses that may be retaken. Courses required for graduation **MUST** be retaken and passed.

Reporting Repeated Courses on Transcripts:

Both the original course grade, and the repeated course grade will remain on the transcript. The higher of the two grades will be used to compute the student's GPA. Credit, however, will be given for the course only once. A repeated course will receive the CR (or credit recovery) designation on the transcript.

Official Transcript Revisions policy

Once issued, transcripts cannot be revised unless evidence is provided to indicate that the transcript is materially inaccurate. A student with such evidence can petition for a transcript revision. The teacher of the course and school registrar will then review the transcript to determine its accuracy, consulting with the school Principal and Head of School where necessary. The registrar will be responsible for issuing a revised transcript where it is deemed appropriate.

Graduation Requirements:

Please reach out to your student's assigned High School Counselor to ensure your student is on track to meeting the school's graduation requirements. Students can request a Grad Plan at any time.

Recognition Programs

Honor Roll

The Honor Roll Program recognizes students who are achieving academic excellence and improvement with positive, tangible incentives. Honor Roll encourages all students, teachers, support staff, parents, businesses and the community to work together to hold the pursuit of academic excellence as a priority. We encourage all students to work hard so that they can participate in the program, feel pride and satisfaction in their accomplishments and realized goals. It is a school-wide concept and an attitude.

The Honor Roll Program recognizes student achievement on a semester basis. Students can qualify in one of three categories:

Principal's Scholar Honor Roll	4.0 Grade Point Average (GPA)
Principal's Honor Roll	3.5 – 3.99 GPA
Honor Roll	3.0 – 3.49 GPA

Student of the Month

The Student of the Month program recognizes students (grades TK-12) for outstanding academic achievement, exemplary effort, excellent citizenship, and adherence to the monthly citizenship trait. At a monthly luncheon, parents/guardians are invited to help honored students and celebrate their success.

Perfect Attendance

Students are recognized monthly, by semester, and yearly for perfect attendance. Perfect attendance means ZERO missed assignments. If a student has a prior missed assignment, they may still be recognized in upcoming months if they have perfect attendance during that current month. Semester and yearly recognition requires perfect attendance during these time periods.

National Honor Society

Students in grades 10–12 who meet the requirements for membership outlined by Peak Prep's chapter of the National Honor Society ("NHS") are eligible to be invited for membership. Each chapter is required to publish its qualifications for membership, which is based on the four pillars of NHS:

- **Scholarship**
Per national guidelines, at a minimum, students must have a cumulative GPA of 3.0 on a 4.0 scale, or equivalent standard of excellence.
- **Service**
This involves voluntary contributions made by a student to the school or community, done without compensation.
- **Leadership**
Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.
- **Character**
The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others; and generally maintains a clean disciplinary record.

Students who meet the scholarship requirement will have an opportunity to complete a form detailing their accomplishments in and commitment to service, leadership, and character.

Understanding the Obligations of Membership

Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. For example, there will be chapter meetings. The chapter bylaws should articulate the yearly meeting schedule and member attendance obligations. Members also must participate in chapter and individual service projects to benefit the school and community. Contact the chapter adviser to obtain a full list of the obligations of membership for the school's chapter.

 Address: 2150 Pickwick Drive #304 Camarillo, CA 93010

 E-mail: shalen.bishop@peak-prep.org

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or

bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School's Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of the Charter School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for

reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 CCR § 4622.

A copy of the UCP shall be available upon request free of charge in the main office and on the school website. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Head of School.

TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Peak Prep Pleasant Valley Charter School ("Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. The Charter School staff who witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom the Charter School does business, or any other individual, student, or volunteer. This Policy applies to all employees, students, or volunteer actions and relationships, regardless of position or gender. The Charter School will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. The Charter School

complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

Bullying and Cyberbullying Prevention Procedures

The Charter School has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

The Charter School advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

The Charter School informs Charter School employees, students, and parents/guardians of the Charter School’s policies regarding the use of technology in and out of the classroom. The Charter

School encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

Charter School employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. The Charter School advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at the Charter School and encourages students to practice compassion and respect each other.

The Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

The Charter School's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

The Charter School informs Charter School employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

The Charter School annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other Charter School employees who have regular interaction with students.

The Charter School informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

The Charter School also informs certificated employees about the groups of students determined by the Charter School, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

The Charter School encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for the Charter School’s students.

Grievance Procedures

1. Scope of Grievance Procedures

The Charter School will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the Charter School’s UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, the Charter School will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Shalen Bishop, Head of School
Peak Prep Pleasant Valley Charter School
805-222-0025
2150 Pickwick Drive, #304, Camarillo, CA 93010
shalen.bishop@peak-prep.org

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. The Charter School will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Head of School, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

The Charter School acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

The Charter School prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to the Charter School's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the Charter School's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Charter School will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the Charter School to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of the Charter School, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:

- A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that the Charter School prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - The Charter School may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with the Charter School's policies.
 - The Charter School may remove a respondent from The Charter School's education program or activity on an emergency basis, in accordance with the Charter School's policies, provided that the Charter School undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
 - This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, the Charter School may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If the Charter School offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - The Charter School will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
 - The decision-maker will not be the same person(s) as the Coordinator or the investigator. The Charter School shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.

- In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, the Charter School will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes all relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in the Charter School's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable Charter School policy.
 - The Charter School may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at the Charter School; or
 - The specific circumstances prevent the Charter School from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - If a formal complaint of sexual harassment or any of the claims therein are dismissed, the Charter School will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
 - The Charter School will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;

- The findings of facts supporting the determination;
- The conclusions about the application of the Charter School's code of conduct to the facts;
- The decision and rationale for each allegation;
- Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
- The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from the Charter School or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by the Charter School in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find the Charter School's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of the Charter School's decision or resolution, submit a written appeal to the Chairman of the Charter School Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and the Charter School will implement appeal procedures equally for both parties.
- The Charter School will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

The Charter School will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

Professional Boundaries: Staff/Student Interaction Policy

PPPV recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;

2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.
- (b) Kissing of any kind.

SUICIDE PREVENTION POLICY

The Board of Directors of Peak Prep Pleasant Valley Charter School (“Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with the Charter School and community stakeholders, Charter School school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating the Charter School’s strategies for suicide prevention and intervention. The Charter School must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, the Charter School shall appoint an individual (or team) to serve as the suicide prevention point of contact for the Charter School. The Head of School shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

The Charter School, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
 - g. Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.
4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
 - a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.

- c. Charter School and community suicide prevention resources
- d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
- e. The factors associated with suicide (risk factors, warning signs, protective factors);
- f. How to identify youth who may be at risk of suicide.
- g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on Charter School guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on Charter School guidelines.
- h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed.
- i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
- j. Responding after a suicide occurs (suicide postvention).
- k. Resources regarding youth suicide prevention.
- l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
- m. Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of the Charter School must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Parents, Guardians, and Caregivers Participation and Education

1. Parents/guardians/caregivers may be included in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the Charter School Web page and included in the Family Handbook.

3. Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
4. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors;
 - b. How to talk with a student about thoughts of suicide;
 - c. How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, the Charter School along with its partners has carefully reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with the Charter School and is characterized by caring staff and harmonious interrelationships among students.

The Charter School's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

The Charter School's instructional curriculum may include information about suicide prevention, as appropriate or needed. If suicide prevention is included in the Charter School's instructional curriculum, it shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive to the needs of young students. Under the supervision of an appropriately trained individual acting within the scope of their credential or license, students shall:

1. Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress. The content of the education may include:
 - a. Coping strategies for dealing with stress and trauma.
 - b. How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
 - c. Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
 - d. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.

2. Receive developmentally appropriate guidance regarding the Charter School's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education).

The Charter School will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Week, Peer Counseling, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

Intervention and Emergency Procedures

The Charter School designates the Head of School to act as the primary suicide prevention liaison.

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison.

The suicide prevention liaison shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at the Charter School or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.

- f. Not sending the student away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary.
4. After a referral is made, the Charter School shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, the Charter School may contact Child Protective Services.
5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at the Charter School.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the Charter School campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in the Charter School's safety plan. After consultation with the Head of School or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Head of School or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. Charter School staff may receive assistance from Charter School counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the Charter School campus and unrelated to school activities, the Head of School or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like the Charter School to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in the Charter School activities to notify a teacher, the Head of School, another Charter School administrator, psychologist, Charter School counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. Charter School staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian, about additional resources to support the student.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. The Charter School shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the Head of School to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact deceased's family (within 24 hours).

- c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:
 - a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review of protocols for referring students for support/assessment.
 - b. Talking points for staff to notify students.
 - c. Resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death.
7. Consider funeral arrangements for family and school community.
8. Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered.
9. Identify media spokesperson if needed.
10. Include long-term suicide postvention responses:
 - a. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
 - b. Support siblings, close friends, teachers, and/or students of deceased.
 - c. Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

SUSPENSION AND EXPULSION POLICY AND PROCEDURES

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and wellbeing of all students at the Charter School. In preparing this policy, the Charter School has reviewed other suspension and expulsion policies, as well as the Education Code. When the policy is violated, it may be necessary to suspend or expel a student from the Charter School. This policy shall serve as Charter School's policy and procedures for student suspension and expulsion, and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements and as required by the Pleasant Valley School District, approved as material revisions to the charter in accordance with Education Code Section 47607. Although many of the students of the Charter School work from home, this policy is written broadly to apply as needed to the Charter School students at school-sponsored activities or at school facilities.

Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will clearly describe discipline expectations, and it will be printed and distributed as part of the Student & Parent Information Packet that is sent to each student at the beginning of the school year.

Discipline includes but is not limited to advising and counseling students, conferring with parents/guardians, detention during and after school hours, use of alternative educational environments, suspension and expulsion.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or otherwise comply with legal requirements regarding restraints.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that these Policy and Administrative Procedures are available on request from the Head of School.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures. Charter School will follow all applicable federal and state laws, including the IDEIA, Section 504, implementing regulations and implementing state law and regulations, when imposing any form of discipline on a student identified as an individual with disabilities or for whom Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the basis for which the pupil is being involuntarily removed and his or her right to request a hearing to challenge the involuntary removal. If a parent, guardian, or educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below.

Suspension/Expulsion Procedures

Alternatives to suspension or expulsion will first be attempted with students who are truant, tardy, or otherwise absent from assigned school activities.

Suspensions

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Head of School or the Head of School's designee with the student and his or her parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the Head of School. The conference may be omitted if the Head of School or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense.

This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization.

No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notices to Parents/Guardians

At the time of suspension, the Head of School or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Placement/Expulsion Suspensions, when not

including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of Placement/Expulsion by the Head of School or Head of School's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. The Head of School or designee upon either of the following determinations will make this determination: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference.

This determination will be made by the Head of School or designee upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the pupil, or the affected pupil, a teacher shall provide to a pupil in any of grades 1 to 12, inclusive, who has been suspended from school for two or more schooldays, the homework that the pupil would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the pupil either upon the pupil's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the pupil's overall grade in the class.

Expulsions

Authority to Expel:

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Governing Board following a hearing before it or by the Governing Board upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Governing Board as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a Board member of the Governing Board. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

Expulsions shall be initiated according to the following procedures:

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Head of School or designee determines that the Pupil has committed an expellable offense.

In the event an administrative panel hears the case, it will make a recommendation to the Governing Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules that relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, only the Governing Board, administrative panel, or the hearing officer may present the testimony of the witness at the hearing in the form of sworn declarations that shall be examined. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive a notice within five days of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the person or panel conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The person conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The person conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The person conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have

the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are not alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.

10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and will be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay and sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Governing Board who will make a final determination regarding the expulsion. The final decision by the Governing Board shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Governing Board is final.

If the expulsion-hearing panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

Written Notice to Expel

The Head of School or designee following a decision of the Governing Board to expel shall send written notice of the decision to expel, including the Governing Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

1. Notice of the specific offense committed by the student
2. Notice of the student or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.
3. The Head of School or designee shall send a copy of the written notice of the decision to expel to the student's district of residence. This notice shall include the following:
 - i. The student's name
 - ii. The specific expellable offense committed by the student Disciplinary

Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the Pleasant Valley School District upon request.

No Right to Appeal

The pupil shall have no right of appeal from expulsion from the Charter School as the Governing Board decision to expel shall be final.

Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence.

Rehabilitation Plans

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Governing Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may reapply to the Charter School for readmission.

Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school, school district or Charter School shall be in the sole discretion of the Governing Board following a meeting with the Head of School and the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment.

The Head of School shall make a recommendation to the Governing Board following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission.

Notice to Teachers

The Charter School shall notify teachers of each pupil who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities or Involuntary Removal of Students with Disabilities

1. Notification of SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA before discipline of any student with a disability or any student who the Charter School or SELPA would be deemed to have knowledge had a disability

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year and Students whose cumulative suspensions constitute a change in placement under the IDEA shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP or 504 Plan; and receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting for up to 45 days.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP or Section 504 Team shall review all relevant information in the student's file, including the child's IEP or 504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP.

If the Charter School, the parent, and relevant members of the IEP Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals and 504 Appeals

The parent of a child who qualifies under the IDEIA who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office

of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures. The parent of a child with a 504 plan who disagrees with any decision regarding the placement or the manifestation determination may utilize the dispute resolution process and hearing procedures as outlined in the 504 policies and procedure.

The Charter School shall be solely responsible for its representation at hearing and the related costs of this process and as described herein, shall fully indemnify the Pleasant Valley School District for the same. When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer, in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by- case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Head of School or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 USC Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 USC Section 1415(k) (7) (D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's IEP team shall determine the student's interim alternative educational setting.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated a school's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student needs special education or related services.
- b. The parent has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the Head of School or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

PEAK PREP PLEASANT VALLEY CHARTER SCHOOL

EDUCATION FOR FOSTER AND MOBILE YOUTH POLICY

Introduction

The Governing Board of Peak Prep Pleasant Valley Charter School (“Charter School”) recognizes that Foster and Mobile Youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. To enable such students to achieve state and charter school academic standards, the Charter School shall provide them with full access to the Charter School’s educational program and implement strategies identified as required by law and necessary for the improvement of the academic achievement of foster youth in the Charter School’s local control and accountability plan (“LCAP”).

Definitions

- “*Foster youth*” means a child who has been removed from their home pursuant to California Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
- “*Former juvenile court school pupil*” means a pupil who, upon completion of the pupil’s second year of high school, transfers from a juvenile court school to the Charter School.
- “*Child of a military family*” refers to a student who resides in the household of an active duty military member.
- “*Currently Migratory Child*” refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency (“LEA”), either within California or from another state, so that the child or a member of the child’s immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child’s eligibility for migrant education services. “Currently Migratory Child” includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
- “*Pupil participating in a newcomer program*” means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.
- “*Educational Rights Holder*” (“ERH”) means a parent, guardian, responsible adult appointed by a court to make educational decisions for a minor pursuant to Welfare and Institutions Code sections 319, 361 or 726, or a person holding the right to make educational decisions for the pupil pursuant to Education Code section 56055.
- “*School of origin*” means the school that the foster youth attended when permanently housed or the school in which the foster youth was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which the student was last enrolled,

or if there is some other school that the foster youth attended within the immediately preceding 15 months, the Charter School liaison for foster youth, in consultation with and with the agreement of the foster youth and the ERH for the youth, shall determine, in the best interests of the foster youth, the school that shall be deemed the school of origin.

- “*Best interests*” means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth’s access to academic resources, services, and extracurricular and enrichment activities that are available to all Charter School students.

Within this Policy, foster/juvenile court youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be referred to collectively as “Foster and Mobile Youth.”

Foster and Mobile Youth Liaison

In order to help facilitate the enrollment, placement, and transfer of Foster and Mobile Youth to the Charter School, the Governing Board shall designate a Foster and Mobile Youth liaison. The Governing Board designates the following position as the Charter School’s liaison for Foster and Mobile Youth:

Tanya Audish, Counselor
Peak Prep Pleasant Valley Charter School
2150 Pickwick Drive, #304, Camarillo, CA 93010
Tanya.Audish@peak-prep.org

The Foster and Mobile Youth Liaison shall be responsible for the following:

1. Ensure and facilitate the proper educational placement, enrollment in the Charter School, and checkout from the Charter School of Foster and Mobile Youth.
2. Ensure proper transfer of credits, records, and grades when Foster and Mobile Youth transfer to or from the Charter School.
3. When a foster youth is enrolling in the Charter School, the Foster and Mobile Youth Liaison shall contact the school last attended by the student within two (2) business days to obtain all academic and other records. The last school attended by the foster youth shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended. When a foster youth is transferring to a new school, the Foster and Mobile Youth Liaison shall provide the student’s records to the new school within two (2) business days of receiving the new school’s request, regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the Charter School.
4. When required by law, notify the foster youth’s attorney and the appropriate representative of the county child welfare agency at least ten (10) calendar days preceding the date of the following:

- a. An expulsion hearing for a discretionary act under the Charter School's charter.
 - b. Any meeting to extend a suspension until an expulsion decision is rendered if the decision to recommend expulsion is a discretionary act under the Charter School's charter. The foster youth's attorney and the agency representative will be invited to participate.
 - c. A manifestation determination meeting prior to a change in the foster youth's placement if the change in placement is due to an act for which the recommendation for expulsion is discretionary and the student is a student with a disability under state and federal special education laws. The foster youth's attorney and the agency representative will be invited to participate.
5. As needed, make appropriate referrals to ensure that students in foster care receive necessary special education services and services under Section 504 of the federal Rehabilitation Act of 1973.
6. As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.
7. Develop protocols and procedures for creating awareness for Charter School staff, including but not limited to the Head of School or the administrative assistant, of the requirements for the proper enrollment, placement, and transfer of foster youth.
8. Collaborate with the county placing agency, social services, probation officers, juvenile court officers, and other appropriate agencies to help coordinate services for the Charter School's foster youth.
9. Monitor the educational progress of foster youth and provide reports to the Head of School or designee and the Governing Board based on indicators identified in the Charter School's local control and accountability plan.

This Policy does not grant the Foster and Mobile Youth Liaison authority that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible person appointed by the court to represent the child pursuant to Welfare and Institutions Code sections 319, 361 or 726, a surrogate parent, or a foster parent exercising authority under Education Code section 56055. The role of the Foster and Mobile Youth Liaison is advisory with respect to placement options and determination of the school of origin.

School Stability and Enrollment

The Charter School will work with foster youth and their ERH to ensure that each foster youth is placed in the least restrictive educational programs and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin if it is their best interest. The Charter School will immediately enroll a foster youth, a currently migratory child, or child of a military family seeking reenrollment in the Charter School as their school of origin.

A foster youth, currently migratory child, or child of a military family who seeks to transfer to the Charter School will be immediately enrolled (subject to the Charter School's capacity, if the Charter School is not the student's school of origin, and pursuant to the procedures stated in the Charter School's charter and Board policy) even if the student has outstanding fees, fines, textbooks, or other items or monies due to the school last attended or is unable to meet normal enrollment documentation or school uniform requirements (e.g. producing medical records or academic records from a previous school).

At the initial detention or placement, or any subsequent change in placement, a foster youth may continue in their school of origin for the duration of the court's jurisdiction. A currently migratory child or child of a military family may continue in their school of origin as long as the student meets the definition of a currently migratory child or child of a military family as described above. Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the court's jurisdiction or termination of the child's status as a currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

If the foster youth, currently migratory child or child of a military family is transitioning between school grade levels, the youth shall be allowed to continue in the district of origin in the same attendance area to provide the youth the benefit of matriculating with his/her peers in accordance with the established feeder patterns of school districts. A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The Foster and Mobile Youth Liaison may, in consultation with and with the agreement of the foster youth and the ERH for the foster youth, recommend that the foster youth's right to attend the school of origin be waived and the student be enrolled in any district school that the student would otherwise be eligible to attend as a resident of the school district or in the Charter School consistent with current enrollment procedures. All decisions shall be made in accordance with the foster youth's best interests.

Prior to making any recommendation to move a foster youth from their school of origin, the Foster and Mobile Youth Liaison shall provide the foster youth and the foster youth's ERH with a written explanation of the basis for the recommendation and how the recommendation serves the foster youth's best interests.

If any dispute arises regarding a foster youth's request to remain in the Charter School as the foster youth's school of origin, the foster youth has the right to remain in the Charter School pending resolution of the dispute. The dispute shall be resolved in accordance with the existing Charter School dispute resolution process.

Transportation

The Charter School shall not be responsible for providing transportation to allow a foster youth to attend school, unless there is an agreement with a local child welfare agency that the Charter School assumes part or all of the transportation costs in accordance with Section 6312(c)(5) of Title 20 of the United States Code, or unless required by federal law. The Charter School is not prohibited from providing transportation, at its discretion, to allow a foster youth to attend school.

In accordance with Section 6312(c)(5) of Title 20 of the United States Code, the Charter School shall collaborate with local child welfare agencies to develop and implement clear written procedures to address the transportation needs of foster youth to maintain them in their school of origin, when it is in the best interest of the youth.

For any student who has an individualized education program ("IEP"), the student's IEP team will determine if the student requires special education transportation as a related service regardless of the student's status.

Effect of Absences on Grades

The grades of a foster youth shall not be lowered for any absence from the Charter School that is due to either of the following circumstances:

- a. A decision by a court or placement agency to change the student's placement, in which case the student's grades shall be calculated as of the date the student left school.
- b. A verified court appearance or related court-ordered activity.

Transfer of Coursework and Credits

The Charter School shall accept coursework satisfactorily completed by a Foster and Mobile Youth while attending another public school¹, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency even if the student did not complete the entire course and shall issue that student full or partial credit for the coursework completed.

If the Foster and Mobile Youth did not complete the entire course, the student shall be issued partial credit for the coursework completed and shall not be required to retake the portion of the course that the student completed at another school unless the Charter School, in consultation with the student's ERH, finds that the student is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a Foster and Mobile Youth in any particular course, the student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course.

¹ For purposes of coursework completed by a student who is a child of a military family, "public school" includes schools operated by the United States Department of Defense.

In no event shall the Charter School prevent a Foster and Mobile Youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California.

Applicability of Graduation Requirements

To obtain a high school diploma from the Charter School, a student must complete all courses required by the Charter School and fulfill any additional graduation requirements prescribed by the Board. However, Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. For a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the ERH, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for the exemption. If the Charter School fails to provide timely notice of the availability of the exemption, the Foster and Mobile Youth shall be eligible for the exemption from the additional graduation requirements once notified, even if that notification occurs after the termination of the court's jurisdiction over the student, if the foster youth otherwise qualifies for the exemption.

If a student is exempted from the Charter School's additional graduation requirements pursuant to this Policy and completes the statewide coursework requirements specified in Educational Code section 51225.3 before the end of their fourth year of high school and that student would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of their fourth year of high school.

The Head of School or designee shall notify a Foster and Mobile Youth and their ERH if the Charter School grants an exemption from the additional graduation requirements, how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution, and shall provide information about transfer opportunities available through the California Community Colleges.

A Foster and Mobile Youth who would otherwise be entitled to remain in attendance at the Charter School shall not be required to accept the exemption from additional graduation requirements or be denied enrollment in, or the ability to complete, courses for which the student is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether those

courses are required for statewide graduation requirements.

If an eligible student is not exempted from additional graduation requirements or has previously declined the exemption pursuant to this Policy, the Charter School shall exempt the student at any time if an exemption is requested by the youth and the youth qualifies for the exemption. Likewise, if the youth is exempted, the Charter School may not revoke the exemption.

If a Foster and Mobile Youth is exempted from additional graduation requirements pursuant to this section, the exemption shall continue to apply after the termination of the court's jurisdiction over the student or after the termination of circumstances which make the Student eligible while he or she is enrolled in school or if the student transfers to another school, including a charter school, or school district.

The Charter School shall not require or request a Foster and Mobile Youth to transfer schools in order to qualify for an exemption from additional graduation requirements, and no Foster and Mobile Youth or any person acting on behalf of a Foster and Mobile Youth may request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

Upon making a finding that a Foster and Mobile Youth is reasonably able to complete the Charter School's graduation requirements within the student's fifth year of high school, the Head of School or designee shall:

1. Inform the student and the student's ERH of the student's option to remain in school for a fifth year to complete the Charter School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School students over age 19.
2. Inform the student and the student's ERH how remaining in school for a fifth year will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Upon agreement with the student or, if the student is under 18 years of age, the ERH, permit the student to stay in school for a fifth year to complete the Charter School's graduation requirements.

If a juvenile court youth satisfies the requirements for high school graduation while enrolled at a juvenile court school but has elected to decline the issuance of the diploma for the purpose of taking additional coursework, the Charter School will not prevent the juvenile court youth from enrolling in the Charter School and pursuing additional coursework if requested by the youth or by the youth's ERH.

Eligibility for Extracurricular Activities

A student who is in foster care whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

Waiver of Fees for Afterschool Programs

The Charter School shall not charge any student who the Charter School knows is currently in foster care any family fees associated with an After School Education and Safety (“ASES”) Program operated by the Charter School.

Student Records

When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new LEA, the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student’s special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

In accordance with the Charter School’s Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Complaints of Noncompliance

Complaints of noncompliance with this Policy shall be governed by the Charter School’s Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

PEAK PREP PLEASANT VALLEY CHARTER SCHOOL

EDUCATION FOR HOMELESS CHILDREN AND YOUTH POLICY

The Peak Prep Pleasant Valley Charter School (“Charter School”) Governing Board desires to ensure that homeless children and youth are provided with equal access to its educational program, have an opportunity to meet the same challenging State academic standards, are provided a free and appropriate public education, are not stigmatized or segregated on the basis of their status as homeless, and to establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

Definition of Homeless Children and Youth

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence and includes children and youth who (42 U.S.C. § 11434a):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and/or
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the Charter School Liaison.

Charter School Liaison

The Head of School designates the following staff person as the Charter School Liaison for homeless students (42 U.S.C. §§11432(g)(1)(J)(ii) & (e)(3)(C)(i)(IV)):

3. Homeless students and families receive educational services for which they are eligible, including: services through Head Start programs (including Early Head Start programs) under the Head Start Act; early intervention services under part C of the Individuals with Disabilities Education Act (“IDEA”); any other preschool programs administered by the Charter School, if any; and referrals to health care services, dental services, mental health services, substance abuse services, housing services, and other appropriate services.
4. Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
5. 6. Enrollment/admissions disputes are mediated in accordance with law, the Charter School’s charter, and Board policy.
7. Parents/guardians and any unaccompanied youth are fully informed of all transportation services, as applicable.

9. The School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.
10. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent students and that the youths may obtain assistance from the Charter School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid.

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

Enrollment

The Charter School shall immediately admit/enroll the student for which the Charter School is a School of Origin. "School of Origin" means the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

The Charter School shall also immediately enroll a homeless youth who seeks to enroll in the Charter School, if the youth would otherwise be eligible to attend and subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy. A homeless youth who is enrolled will have the right to attend classes and participate fully in school activities, including extracurricular activities.

The youth shall be immediately enrolled even if the student lacks records normally required for enrollment (such as previous academic records, records of immunizations, other required health records, proof of residency) or has missed application or enrollment deadlines during any period of homelessness. Records will immediately be requested from the previous school. (42 U.S.C. § 11432(g)(3)(C); Education Code Section 48850(a)(3)(A).)

If the student needs to obtain immunizations or does not possess immunization or other medical records, the Head of School or designee shall refer the parent/guardian to the Charter School Liaison. The Charter School Liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student. (42 U.S.C. § 11432(g)(3)(C).)

A homeless youth may remain in the student's school of origin for the entire period for which the youth is homeless. If a youth obtains permanent housing during an academic year, the youth will be permitted to remain in the school of origin through the end of the academic year.

Enrollment Disputes

If a dispute arises over admissions/enrollment, the student shall be immediately admitted (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School charter and Board policy), pending final resolution of the dispute, including all available appeals. (42 U.S.C. § 11432(g)(3)(E).)

The parent/guardian shall be provided with a written explanation of the admission/enrollment decision, including an explanation of the parent/guardian's right to appeal the decision. The parent/guardian shall also be referred to the Charter School Liaison. (42 U.S.C. § 11432(g)(3)(E).)

The Charter School Liaison shall carry out the Board-adopted dispute resolution and complaint process as expeditiously as possible after receiving notice of the dispute. (42 U.S.C. § 11432(g)(3)(E).)

Comparable Services

Each homeless child or youth shall promptly be provided services comparable to services offered to other students in the Charter School such as (42 U.S.C. § 11432(g)(4)):

- Transportation services
- Educational services for which the child or youth meets eligibility criteria, such as educational programs for students with disabilities and educational programs for students with limited English proficiency
- Programs in vocational and technical education
- Programs for gifted and talented students
- Charter School nutrition programs

Transportation

In the event that the Charter School provides transportation services to all Charter School students, the Charter School shall provide comparable transportation services to each homeless child or youth attending the Charter School, as noted above. (42 U.S.C. § 11432(g)(4).)

If the Charter School does not otherwise provide transportation services to all Charter School students, the Charter School shall ensure that transportation is provided for homeless students to and from the Charter School, at the request of the parent or guardian (or Charter School Liaison) if the Charter School is the student's school of origin. (42 U.S.C. § 11432(g)(1)(J).) Transportation provided by the Charter School will be adequate and appropriate for the Student's situation, but the Charter School does not commit to any one method of transportation for all youth.

Professional Development

All administrators, teachers and employees of the Charter School will be provided professional development on the identification, services, and sensitivity necessary when dealing with homeless children and youth. (42 U.S.C. § 11433(d)(3).) All identified or suspected homeless children and youth will be referred to the Charter School Liaison.

High School Graduation Requirements

Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the Charter School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work

The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Notice

For any homeless student who seeks enrollment at the Charter School, written notice will be provided to the parent/guardian at the time of enrollment and while the student is enrolled at the Charter School in alignment with the law. (42 U.S.C. § 11432(e)(3)(C).)

Annual Policy Review

The Charter School shall annually review and revise any policies that may act as barriers to the identification of homeless children and youths or the enrollment of homeless children and youths at the Charter School. In reviewing and revising such policies, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Special attention shall be given to ensuring the identification, enrollment, and attendance of homeless children and youths who are not currently attending school.

ANNUAL NOTIFICATION TO PARENTS AND ELIGIBLE STUDENTS

At the beginning of each school year, in addition to the notice required for directory information, the Charter School shall provide eligible students currently in attendance and parents of students currently in attendance with a notice of their rights under the FERPA. The notice shall inform the parents and eligible students that they have the right to:

1. Inspect and review the student's education records;
2. Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
3. Consent to disclosures of PII contained in the student's education records, except to the extent that disclosure is permitted without prior written consent pursuant to FERPA;
4. File with the U.S. Department of Education a complaint concerning alleged failures by the Charter School to comply with the requirements of FERPA and its promulgated regulations; and
5. Request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

1. The procedure for exercising the right to inspect and review educational records;
2. The procedure for requesting amendment of records;
3. A statement that the Charter School forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer; and
4. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

PARENTAL AND ELIGIBLE STUDENT RIGHTS RELATING TO EDUCATION RECORDS

Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the Head of School. Within five (5) business days, the Charter School shall comply with the request.

1. Copies of Education Records

The Charter School will provide copies of requested documents within five (5) business days of a written request for copies. The Charter School may charge reasonable fees for copies it provides to parents or eligible students. However, no charge shall be made for furnishing (1) up to two transcripts of former students' records or (2) up to two verifications of various records of former students. The charge will not include a fee to search for or to retrieve the education records.

2. Request for Amendment to Education Records

Following the inspection and review of a student's education record, a parent or eligible student may file a written request with the Head of School to correct or remove any information in the student's education record that is any of the following:

- (1) Inaccurate.
- (2) Misleading.
- (3) In violation of the privacy rights of the student.

The Charter School will respond within thirty (30) days of the receipt of the request to amend. The Charter School's response will be in writing and if the request for amendment is denied, the Charter School will set forth the reason for the denial and inform the parent or eligible student of his or her right to a hearing challenging the content of the education record.

If the Head of School sustains any or all of the allegations, the Head of School must order the correction or the removal and destruction of the information. The Head of School or designee must then inform the parent or eligible student of the amendment in writing.

3. Hearing to Challenge Education Record

If the Charter School denies a parent or eligible student's request to amend an education record, the parent or eligible student may, within thirty (30) days of the denial, request in writing that the parent or eligible student be given the opportunity for a hearing to challenge the content of the student's education record on the grounds that the information contained in the education record is: inaccurate, misleading, or in violation of the privacy rights of the student.

The Head of School or the Board Chair may convene a hearing panel to assist in making determinations regarding educational record challenges provided that the parent has given written consent to release information from the student's records to the members of the panel convened. The hearing panel shall consist of the following persons:

- (1) The principal or designee of a public school other than the public school at which the record is on file;
- (2) A certificated Charter School employee; and
- (3) A parent appointed by the Head of School or by the Board Chair, depending upon who convenes the panel.

The hearing to challenge the education record shall be held within thirty (30) days of the date of the request for a hearing. Notice of the date, time and place of the hearing will be sent by the Charter School to the parent or eligible student no later than twenty (20) days before the hearing.

The principal or designee of a public school will serve as the chairman and shall not be required to use formal rules of evidence or procedure. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at their own expense, be assisted or represented by one or more individuals of their choice, including an attorney. The decision of the Board Chair or designee will be based solely on the evidence presented at the hearing and is final. Within thirty (30) days after the conclusion of the hearing, the Charter School's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, the Charter School decides that the information is inaccurate, misleading, or in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, the Charter School decides that the information in the education record is not inaccurate, misleading, or in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why they disagree with the decision of the Charter School, or both. If the Charter School places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

DISCLOSURE OF EDUCATION RECORDS AND DIRECTORY INFORMATION

The Charter School must have a signed and dated written consent from the parent or eligible student before releasing any non-directory information from a student's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made.

When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records and the Charter School shall provide the requestor with a copy of the records disclosed upon request. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

The Charter School will only disclose PII on the condition that the receiving party not disclose the information to any party without the prior written consent of the parent or eligible student and that the receiving party use the information for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below. The Charter School must maintain the appropriate records related to these disclosure exceptions, as described below. Except for disclosures pursuant to a warrant, judicial order or lawfully issued subpoena, or directory information or to parents or eligible students, the Charter School will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior written consent of the parent or eligible student and that the receiving party use it for the purpose for which the disclosure was made. Note specifically that the Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at their last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing pursuant to Section (IV)(3) above;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School may disclose the final results of the disciplinary proceeding, regardless of whether the Charter School concluded a violation was committed.

RECORD KEEPING REQUIREMENTS

The Charter School will maintain a record of each request for access to and each disclosure of PII from the education records of each student for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

The records relating to disclosures of PII may be inspected by parents and eligible students, the Charter School officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of the Charter School.

Student cumulative records may not be removed from the premises of the Charter School, unless the individual removing the record has a legitimate educational interest, and is authorized by the Head of School, or by a majority of a quorum of the Board of Directors at a duly agendized meeting. Employees who remove student cumulative records or other student records from the the Charter School premises without a legitimate educational interest and authorization may be subject to discipline. The Charter School Head of School or designee shall work with student government representatives in the development of these procedures. Student responsibilities shall be emphasized.

B. Official School Publications

Student editors of official school publications shall be responsible for assigning and editing the news, editorial, and feature content of their publications subject to the limitations of this Policy. However, it shall be the responsibility of the journalism staff adviser(s) of student publications to supervise the production of the student staff, to maintain professional standards of English and journalism, and to maintain the provisions of this Policy.¹ The journalism staff adviser(s) shall help the student editors judge the literary value, newsworthiness and propriety of materials submitted for publication.

There shall be no prior restraint of material prepared for official school publications except insofar as it violates this Policy. The Charter School officials shall have the burden of showing justification without undue delay prior to a limitation of student expression under this Policy. If the journalism staff adviser(s) consider material submitted for publication to violate this Policy, he or she will notify the student without undue delay and give specific reasons why the submitted material may not be published. The student should be given the opportunity to modify the material or appeal the decision of the journalism staff adviser to the Charter School Head of School.

C. Buttons, Badges, and Other Insignia of Symbolic Expression

Students shall be permitted to wear buttons, badges, armbands, and other insignia as a form of expression, subject to the prohibitions enumerated in this Policy.

D. Use of Bulletin Boards

¹ "Official school publications" refers to material produced by students in the journalism, newspaper, yearbook, or writing classes and distributed to the student body either free or for a fee.

Students will be provided with bulletin boards, upon request and subject to availability, for use in posting student materials on campus locations convenient to student use. Where feasible, the location and quantity of such bulletin boards shall be by mutual agreement of student government representatives and the Charter School administration. Posted material must be in compliance with other sections of this Policy, particularly regarding the distribution of materials and prohibited speech. Students may not post or distribute materials regarding the meetings of non-curricular student-initiated groups.

E. Organized Demonstrations

Students have the right to lawful organized on-campus demonstrations, subject to the provisions of this Policy and applicable law. Demonstrations that incite students to create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school regulations, or demonstrations that substantially disrupt the orderly operation of the school are prohibited.

No individual student may demonstrate in the name of the Charter School or as an official school group at any time unless authorized by the Charter School to participate in the activity.

No student may participate in an organized demonstration that occurs during the hours of mandatory school attendance unless sanctioned by the Charter School and supervised by a designated Charter School employee. Missing school to attend an organized demonstration is not an excused absence. The Charter School will follow its Attendance Policy when determining consequences for students which may include but are not limited to detention, a low grade for a missed test, or receiving a truancy letter. The Charter School will follow its Suspension and Expulsion Policy when determining consequences for students if Charter School policy is violated.

F. Student Speeches

If a student is selected to speak at a Charter School sponsored event, including but not limited to graduation or school assemblies, Charter School has the right to review the pre-prepared speech to ensure that unprotected speech is not included. If unprotected speech is included, the student will be given the opportunity to revise the speech or deliver a modified speech. If not revised or removed, the student will not be permitted to speak at the Charter School sponsored event.

Off-Campus Expression

Off-campus student expression, including but not limited to student expression on off-campus internet web sites, is generally constitutionally protected but shall be subject to discipline when there is a sufficient nexus between the speech and the school.

Relevant considerations include:

1. The degree and likelihood of harm to the Charter School (staff, students, volunteers, and/or property) caused or augured by the expression,
2. Whether it is reasonably foreseeable that the expression would reach and impact the Charter School, and

3. The relation between the content and/or context of the expression and the Charter School. There is always a sufficient nexus between the expression and the Charter School when the Charter School reasonably concludes that it faces a credible, identifiable threat of school violence.

The Charter School Head of School or designee shall document the impact the expression had or could be expected to have on the educational program. Off-campus expression that results in the material disruption of classwork or involves substantial disorder or invasion of the rights of others may be subject to discipline.

Off-campus expression may result in discipline if the expression involves but is not limited to:

- a. Serious or severe bullying or harassment targeting particular individuals;
- b. Threats aimed at teachers or other students;
- c. The failure to follow rules concerning lessons, the writing of papers, the use of computers, or participation in other online school activities; or
- d. Breaches of school security devices.

Enforcement

1. Upon learning that Students are considering actions in the areas covered by this Policy they will be informed of the possible consequences of their action under each specific circumstance. The Charter School Head of School shall ensure that due process is followed when resolving disputes regarding student freedom of expression.
2. This Policy does not prohibit or prevent the Charter School Governing Board from adopting otherwise valid rules and regulations relating to oral communications by students upon the Charter School campus.
3. No Charter School employee shall be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a student engaged in the conduct authorized under this Policy, or refusing to infringe upon conduct that is authorized under this Policy, the First Amendment to the United States Constitution, or Section 2 of Article I of the California Constitution.
4. The Charter School shall not make or enforce a rule subjecting a student to disciplinary sanctions solely on the basis of conduct that is speech or other communication that, when engaged in outside of the campus, is protected from governmental restriction by the First Amendment to the United States Constitution or Section 2 of Article I of the California Constitution.

Complaints and Appeals

The following procedures shall be used to address general disputes regarding student freedom of speech and expression:

1. The student and faculty member shall first attempt to resolve the problem internally.

2. If the student and faculty member are unable to resolve the dispute, the student and/or faculty member may bring the matter to the Charter School Head of School or designee, who shall hear both sides and strive to resolve the dispute as quickly as possible.
3. Any student or faculty member may appeal the decision of the Charter School Head of School or designee to the Board who shall render a decision within a reasonable period of time after receipt of the appeal. The appeal by the student must be made within five (5) school days from the time the unsatisfactory decision was rendered.

A student who feels his/her freedom of expression was unconstitutionally limited and/or limited on the basis of discrimination may file a complaint with the Charter School through following the Charter School's General Complaint Policies and Procedures.

PEAK PREP PLEASANT VALLEY CHARTER SCHOOL

SUICIDE PREVENTION POLICY

The Board of Directors of Peak Prep Pleasant Valley Charter School (“Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with the Charter School and community stakeholders, Charter School school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating the Charter School’s strategies for suicide prevention and intervention. The Charter School must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, the Charter School shall appoint an individual (or team) to serve as the suicide prevention point of contact for the Charter School. The Head of School shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

The Charter School, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.

3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
 - g. Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.
4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
 - a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors);
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on Charter School guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on Charter School guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the

suicidal student should be constantly supervised until a suicide risk assessment is completed.

- i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
- j. Responding after a suicide occurs (suicide postvention).
- k. Resources regarding youth suicide prevention.
- l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
- m. Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of the Charter School must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Parents, Guardians, and Caregivers Participation and Education

1. Parents/guardians/caregivers may be included in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the Charter School Web page and included in the Family Handbook.
3. Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
4. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors;
 - b. How to talk with a student about thoughts of suicide;
 - c. How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, the Charter School along with its partners has carefully reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with the Charter School and is characterized by caring staff and harmonious interrelationships among students.

The Charter School's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

The Charter School's instructional curriculum may include information about suicide prevention, as appropriate or needed. If suicide prevention is included in the Charter School's instructional curriculum, it shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive to the needs of young students. Under the supervision of an appropriately trained individual acting within the scope of their credential or license, students shall:

1. Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress. The content of the education may include:
 - a. Coping strategies for dealing with stress and trauma.
 - b. How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
 - c. Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
 - d. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.
2. Receive developmentally appropriate guidance regarding the Charter School's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education).

The Charter School will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Week, Peer Counseling, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

Intervention and Emergency Procedures

The Charter School designates the Head of School to act as the primary suicide prevention liaison.

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison.

The suicide prevention liaison shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at the Charter School or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.
 - f. Not sending the student away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary.
4. After a referral is made, the Charter School shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build

understanding of care. If follow up care is still not provided, the Charter School may contact Child Protective Services.

5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at the Charter School.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the Charter School campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in the Charter School's safety plan. After consultation with the Head of School or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Head of School or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. Charter School staff may receive assistance from Charter School counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the Charter School campus and unrelated to school activities, the Head of School or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like the Charter School to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in the Charter School activities to notify a teacher, the Head of School, another Charter School administrator, psychologist, Charter

School counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. Charter School staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian, about additional resources to support the student.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. The Charter School shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the Head of School to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact deceased's family (within 24 hours).
 - c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:
 - a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review of protocols for referring students for support/assessment.
 - b. Talking points for staff to notify students.
 - c. Resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death.
7. Consider funeral arrangements for family and school community.
8. Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered.

9. Identify media spokesperson if needed.

10. Include long-term suicide postvention responses:

- a. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
- b. Support siblings, close friends, teachers, and/or students of deceased.
- c. Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

Bullying and Cyberbullying Prevention Procedures

The Charter School has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

The Charter School advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

The Charter School informs Charter School employees, students, and parents/guardians of the Charter School’s policies regarding the use of technology in and out of the classroom. The Charter School encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

Charter School employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. The Charter School advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at the Charter School and encourages students to practice compassion and respect each other.

The Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

The Charter School's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

The Charter School informs Charter School employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

The Charter School annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other Charter School employees who have regular interaction with students.

The Charter School informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

The Charter School also informs certificated employees about the groups of students determined by the Charter School, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

The Charter School encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for the Charter School’s students.

Grievance Procedures

1. Scope of Grievance Procedures

The Charter School will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the Charter School’s UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, the Charter School will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Shalen Bishop, Head of School
Peak Prep Pleasant Valley Charter School
805-222-0025
2150 Pickwick Drive, #304, Camarillo, CA 93010

shalen.bishop@peak-prep.org

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. The Charter School will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Head of School, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

The Charter School acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

The Charter School prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to the Charter School's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the Charter School's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Charter School will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the Charter School to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of the Charter School, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;

- A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that the Charter School prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - The Charter School may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with the Charter School's policies.
 - The Charter School may remove a respondent from The Charter School's education program or activity on an emergency basis, in accordance with the Charter School's policies, provided that the Charter School undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
 - This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, the Charter School may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If the Charter School offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - The Charter School will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
 - The decision-maker will not be the same person(s) as the Coordinator or the investigator. The Charter School shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.

- In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, the Charter School will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes all relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in the Charter School's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable Charter School policy.
 - The Charter School may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at the Charter School; or
 - The specific circumstances prevent the Charter School from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - If a formal complaint of sexual harassment or any of the claims therein are dismissed, the Charter School will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

- Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
- The Charter School will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of the Charter School's code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from the Charter School or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by the Charter School in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find the Charter School's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of the Charter School's decision or resolution, submit a written appeal to the Chairman of the Charter School Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and the Charter School will implement appeal procedures equally for both parties.
- The Charter School will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

The Charter School will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

Procedures

The following procedures shall be used to address all complaints which allege that the Charter School has violated federal or state laws or regulations enumerated in the section "Scope," above. The compliance officer shall maintain a record of each complaint and subsequent related actions for at least three (3) calendar years.

All parties named shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

- **Step 1: Filing of Complaint**

Any individual, including a person's duly authorized representative or an interested third party, public agency, or organization may file a written complaint of alleged noncompliance or unlawful discrimination, harassment, intimidation or bullying pursuant to this Policy.

A complaint of unlawful discrimination, harassment, intimidation or bullying may be filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying or by one who believes any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. An investigation of alleged unlawful discrimination, harassment, intimidation or bullying shall be initiated by filing a complaint no later than six (6) months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying unless the time for filing is extended by the Head of School or designee, upon written request by the complainant setting forth the reasons for the extension. Such extension by the Head of School or designee shall be made in writing. The period for filing may be extended by the Head of School or designee for good cause for a period not to exceed ninety (90) calendar days following the expiration of the six-month time period. The Executive Director shall respond immediately upon a receipt of a request for extension.

All other complaints under this Policy shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

Complaints filed pursuant to this Policy must be in writing and signed. A signature may be handwritten, typed (including in an email) or electronically generated. Only complaints regarding pupil fees or LCAP compliance may be filed anonymously as set forth in this Policy. If a

complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the Charter School staff shall assist the complainant in the filing of the complaint.

- **Step 2: Mediation**

Within three (3) business days of receiving the complaint, the Compliance Officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the Compliance Officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the Compliance Officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the complaint to the satisfaction of the complainant, the Compliance Officer shall proceed with the investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- **Step 3: Investigation of Complaint**

The Compliance Officer is encouraged to hold an investigative meeting within five (5) business days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally.

The complainant and/or the complainant's representative shall have an opportunity to present evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, or a complainant's failure or refusal to cooperate in the investigation or the complainant's engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the compliance officer with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- **Step 4: Final Written Decision**

The Charter School shall issue an investigation report (the "Decision") based on the evidence. The Charter School's Decision shall be in writing and sent to the complainant within sixty (60) calendar days of the Charter School's receipt unless the timeframe is extended with the written

agreement of the complainant. The Charter School's Decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The Decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion providing a clear determination for each allegation as to whether the Charter School is in compliance with the relevant law.
3. Corrective actions, if the Charter School finds merit in the complaint and any are warranted or required by law.
4. Notice of the complainant's right to appeal the Charter School's Decision within thirty (30) calendar days to the CDE, except when the Charter school has used its UCP to address complaints that are not subject to the UCP requirements.
5. Procedures to be followed for initiating such an appeal.

If an employee is disciplined as a result of the complaint, the Decision shall simply state that effective action was taken and that the employee was informed of the Charter School's expectations. The Decision shall not give any further information as to the nature of the disciplinary action except as required by applicable law.

Appeals to the California Department of Education

If dissatisfied with the Decision, the complainant may appeal in writing to the CDE within thirty (30) calendar days of receiving the Decision. The appeal shall be accompanied by a copy of the complaint filed with the Charter School and a copy of the Decision. When appealing to the CDE, the complainant must specify and explain the basis for the appeal, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the Decision, the Head of School or designee shall forward the following documents to the CDE within ten (10) calendar days of the date of notification:

1. A copy of the original complaint.
2. A copy of the Decision.
3. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties or gathered by the investigator.
4. A report of any action taken to resolve the complaint.
5. A copy of the Charter School's complaint procedures.
6. Other relevant information requested by the CDE.

If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to the Charter School for resolution as a new complaint. If the CDE notifies the Charter School that its Decision failed to address an allegation raised by the complaint and subject to the UCP process, the Charter School will investigate and address such allegation(s) in accordance with the UCP requirements and provide the CDE and the appellant with an amended Decision addressing such allegation(s) within twenty (20) calendar days of the CDE's notification. The amended Decision will inform the appellant of the right to separately appeal the amended Decision with respect to the complaint allegation(s) not addressed in the original Decision.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision. The SSPI will not consider any information not previously submitted to the CDE by a party during the appeal unless such information was unknown to the party at the time of the appeal and, with due diligence, could not have become known to the party. Pending the SSPI's response to a request for reconsideration, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including but not limited to cases in which through no fault of the complainant, the Charter School has not taken action within sixty (60) days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination complaints arising under state law, however, a

complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint.

CATASTROPHIC INJURY OR ILLNESS LEAVE POLICY

Catastrophic injury or illness is defined as a life-threatening injury or illness of an employee which totally incapacitates the employee from work, or of an employee's family member (e.g., spouse/partner, child, or parent), as verified by a licensed physician and which forces the employee to exhaust all leave time earned by that employee, resulting in the loss of compensation for the employee. Conditions that are short-term in nature (e.g., the flu, back pain, a broken limb, etc.) are not catastrophic. Acute chronic illnesses or injuries, such as cancer or major surgery, which result in intermittent absences from work, and which are long-term in nature and require long recuperation periods, may be considered catastrophic. The catastrophic leave program shall be implemented as follows:

1. Employees may donate up to two (2) sick leave days per fiscal year and to a sick leave bank for employees suffering a catastrophic illness/injury. However, employees must retain at least five (5) sick leave days for their own account. All transfers of sick leave are irrevocable.
2. Catastrophic leave requests must be submitted in writing to the Superintendent. Any employee requesting to receive donated sick leave under this program shall first exhaust all paid leave (e.g., sick and vacation leave) they have accrued.
3. The Superintendent shall determine whether or not to grant a request for catastrophic leave based on verification by a medical doctor as to the nature of the illness or injury, anticipated length of absence, and the prognosis for recovery. There is no right to receive catastrophic leave donations. The Superintendent may, in their sole and unreviewable discretion, decline an employee's request for catastrophic leave benefits for any reason.
4. All information provided by the employee requesting catastrophic leave shall be held in strict confidence by the School and shall be isolated from other employment records as required by applicable law.
5. The number of sick days that can be received by an employee from the catastrophic leave bank is limited to twenty (20) per fiscal year.
6. If an employee is also receiving any form of disability benefits, which are paid on a weekly basis, the total amount of catastrophic leave pay the employee may receive on a weekly basis, when added to the amount of disability benefits the employee is receiving, shall not exceed the employee's total weekly salary. Employees must disclose to the School whether they are receiving any such disability benefits.

7. Any reinstatement rights for employees utilizing catastrophic leave shall be in accordance with applicable law.
8. Participation in this program is voluntary. Recipient employees shall not offer anything of value to another employee in exchange for donating leave. Likewise, donating employees shall not receive anything of value from another employee in exchange for donating leave.

INTRODUCTION TO HANDBOOK

This Handbook is designed to help employees get acquainted with Peak Prep Pleasant Valley (hereinafter referred to as “PPPV” or the “School”). It explains some of our philosophies and beliefs, and describes some of our employment guidelines in general terms. Although this Handbook is not intended to be an exclusive or comprehensive policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment at the School. Employees should understand, however, that this Handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of the School or its employees. In no way does the Handbook replace any official plan documents (e.g., health insurance, retirement plan, etc.) or insurance contracts, which will govern in all cases. This Handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Due to the fact that the School is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time without advance notice. PPPV also reserves the right to interpret any of the provisions set forth in this Handbook in any manner it deems appropriate.

No individual other than the Board of Directors has the authority to enter into any employment or other agreement that modifies School policy. Any such modification *must* be in writing.

This Handbook is the property of the School, and it is intended for personal use and reference by employees of the School. Circulation of this Handbook outside of the School requires the prior written approval of the Head of School.

Employees must sign the acknowledgment form at the beginning of this Handbook, tear it out, and return it to the Head of School. This will provide the School with a record that each employee has received this Handbook.

CONDITIONS OF EMPLOYMENT

Equal Employment Opportunity Is Our Policy

PPPV is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to:

- Race (including traits historically associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists);
- Color;
- Gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned);
- Sex (including pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Sex stereotype (including an assumption about a person's appearance or behavior, gender roles, gender expression, or gender identity, or about an individual's ability or inability to perform certain kinds of work based on a myth, social expectation, or generalization about the individual's sex);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;
- Age (forty (40) and over);
- National origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law);
- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);
- Taking of a leave of absence pursuant to the Family Medical Leave Act ("FMLA"), Pregnancy Disability Leave ("PDL") law, Americans with Disabilities Act ("ADA"), California Family Rights Act ("CFRA"), the Fair Employment and Housing Act ("FEHA"), or laws related to domestic violence, sexual assault and stalking;
- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy extends to all job applicants and employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, discipline, termination, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should

specify what accommodation he or she needs to perform the job, or if unknown, what job duties the disability impairs. PPPV will then conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform the job. PPPV will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

Employment At-Will

Except if stated expressly otherwise by employment contract, it is the policy of the School that all employees are considered “at-will” employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have “cause” to terminate an employee or otherwise restrict the School’s right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School’s right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School’s policy regarding “at-will” employment.

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents whether singly or combined, or any employment practices, shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

PPPV will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

Criminal Background Checks

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment to the safety and the well-being of students taking precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should an employee, during his/her employment with the School, be arrested, charged, or convicted of any offense, the employee must immediately report the charge or conviction to the Head of School.

Tuberculosis Testing

All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

Immigration Compliance

PPPV will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, PPPV will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (*e.g.*, threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States. Finally, in compliance with the Immigrant Worker Protection Act, the School shall not allow a federal immigration enforcement agent to enter any nonpublic areas of the School without a judicial warrant, or voluntarily give consent to an agent to access, review or obtain employee records without a subpoena or judicial warrant.

Professional Boundaries: Staff/Student Interaction Policy

PPPV recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;

2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.
- (b) Kissing of any kind.

- (h) Keeping after-class discussions with a student professional and brief.
- (i) Asking for advice from fellow staff or administrators if you find yourself in a difficult situation related to boundaries.

- (l) Making detailed notes about an incident that could evolve into a more serious situation later.

- (q) Pats on the back, high fives and handshakes are acceptable.
- (r) Keeping your professional conduct a high priority.
- (s) Asking yourself if your actions are worth your job and career.

Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation

PPPV is committed to providing a work and educational atmosphere that is free of unlawful harassment, discrimination, and retaliation. PPPV's policy prohibits unlawful harassment, discrimination, and retaliation based upon: race (including traits historically associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists); color; gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned); sex (including pregnancy, childbirth, breastfeeding, and related medical conditions); sex stereotype (including an assumption about a person's appearance or behavior, gender roles, gender expression, or gender identity, or about an individual's ability or inability to perform certain kinds of work based on a myth, social expectation, or generalization about the individual's sex); religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, or discriminated or retaliated against, based upon the characteristics noted above.

PPPV does not condone and will not tolerate unlawful harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to report any complaints of unlawful harassment to the Head of School or designee.

When PPPV receives allegations of unlawful harassment, discrimination, or retaliation, the Board (if a complaint is about the Head of School) or the Head of School or designee will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. PPPV is committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sexual Harassment

PPPV is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive two (2) hours of sexual harassment prevention training within six (6) months of hire or their assumption of a supervisory position and every two (2) years thereafter. All other employees will receive one (1) hour of sexual harassment prevention training within (6) months of hire and every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff

will receive sexual harassment prevention training as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Head of School. See **Appendix A** for the “Harassment/Discrimination/Retaliation Complaint Form.” See **Appendix B** for the general “Internal Complaint Form.”

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and
 - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another’s body, or poking another’s body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - Sexually oriented gestures, notices, remarks, jokes, or comments about a person’s sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee’s job more difficult because of the employee’s sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
 - Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate PPPV policy.

Whistleblower Policy

PPPV requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation. Anyone reporting a violation must act in good faith, without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Drug and Alcohol Free Workplace

PPPV is committed to providing a drug and alcohol free workplace and to promoting safety in the workplace, employee health and well-being, stakeholder confidence and a work environment that is conducive to attaining high work standards. The use of drugs and alcohol by employees, whether on or off the job, jeopardizes these goals, since it adversely affects health and safety, security, productivity, and public confidence and trust. Drug or alcohol use in the workplace or during the performance of job duties is extremely harmful to employees and to other PPPV stakeholders.

The bringing to the workplace, possession or use of intoxicating beverages or drugs on any School premises or during the performance of work duties is prohibited and will result in disciplinary action up to and including termination.

Confidential Information

All information relating to students, personal information, schools attended, addresses, contact numbers and progress information is confidential in nature, and may not be shared with or distributed to unauthorized parties. All records concerning special education pupils shall be kept strictly confidential and maintained in separate files. Failure to maintain confidentiality may result in disciplinary action, up to and including release from at-will employment.

Conflict of Interest

All employees must avoid situations involving actual or potential conflicts of interest. An employee involved in any relationships or situations which may constitute a conflict of interest should immediately and fully disclose the relevant circumstances to the Head of School, or the Board of Directors, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts shall constitute grounds for disciplinary action.

No Smoking

The PPPV facility is a no smoking facility.

THE WORKPLACE

Work Schedule

Business hours are normally 8:00 a.m. – 5:00 p.m., Monday through Friday. The regular workday schedule for non-exempt employees is eight (8) hours; the regular workweek schedule is forty (40) hours. Exempt employees are also generally expected to be present during business hours and to commit whatever additional time is necessary to satisfactorily complete all job requirements.

Meal and Rest Periods

Non-exempt employees working at least five (5) hours are provided with a thirty (30) minute meal period, to be taken approximately in the middle of the workday but by no later than the end of the 5th hour of work. An employee may waive this meal period if the day's work will be completed in no more than six (6) hours, provided the employee and PPPV mutually consent to the waiver in writing.

Non-exempt employees are also provided with a ten (10) minute rest period for every four (4) hours worked which should be scheduled towards the middle of the four (4) hour work period as practicable. Employees are prohibited from combining meal and rest period time.

An employee's supervisor must be aware of and approve scheduled meal and rest periods. Employees must immediately inform their supervisor if they are prevented from taking their meal and/or rest periods. Employees are expected to observe assigned working hours and the time allowed for meal and rest periods.

Lactation Accommodation

PPPV accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the non-exempt employee shall be unpaid.

PPPV will make reasonable efforts to provide employees who need a lactation accommodation with the use of a room or other private location that is located close to the employee's work area. Such room/location shall not be a bathroom, and shall have electricity. Employees shall also be given access to a sink with running water and a refrigerator. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

Attendance and Tardiness

All employees, whether exempt or non-exempt, are expected to arrive at work consistently and on time. Absenteeism and tardiness negatively affects the School's ability to implement its educational program and disrupts consistency in students' learning.

If it is necessary to be absent or late, employees are expected to telephone the Head of School as soon as possible but no later than one-half (1/2) hour before the start of the workday. If an employee is absent from work longer than one (1) day, he or she is expected to keep the Head of School sufficiently informed of the situation.

As noted in the section of this Handbook concerning prohibited conduct, excessive or unexcused absences or tardiness may result in disciplinary action up to and including release from at-will employment with the School. Absence for more than three (3) consecutive days without notifying the Head of School will be considered a voluntary resignation from employment.

Time Cards/Records

By law, PPPV is obligated to keep accurate records of the time worked by non-exempt employees. Such employees shall keep be required to utilize the School's time card system.

Non-exempt employees must accurately clock in and out of their shifts as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The time card indicates when the employee arrived and when the employee departed. All non-exempt employees must clock in and out for arrival and departure, along with lunch and for absences like doctor or dentist appointments. All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Non-exempt employees are solely responsible for ensuring accurate information on their time cards and remembering to record time worked. If an employee forgets to mark their time card or makes an error on the time card, the employee must contact the Head of School to make the correction and such correction must be initialed by both the employee and the Head of School.

Non-exempt employees are prohibited from performing off-the-clock work, including but not limited to checking emails before/after work hours, performing work in the morning before logging in, and running School errands after logging out.

No one may record hours worked on another's worksheet. Any employee who violates any aspect of this policy may be subject to disciplinary action, up to and including release from at-will employment with the School.

Use of Email, Voicemail and Internet Access

PPPV will permit employees to use its email, voicemail systems and Internet access subject to the following:

1. Minimal personal use as long as it does not interfere with timely job performance and is consistent with law and appropriate protocols.
2. The email system and Internet access is not to be used in any way that may be disruptive, offensive to others, or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets, or anything else that may be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age,

religious beliefs or political beliefs may not be displayed or transmitted.

3. Employees should not attempt to gain access to another employee's personal file or email or voicemail messages without the latter's express permission.
4. School staff will not enter an employee's personal email files or voicemail unless there is a business need to do so. PPPV retains a copy of all passwords; passwords unknown to the School may not be used. System security features, including passwords and delete functions, do not neutralize the School's ability to access any message at any time. Employees must be aware that the possibility of such access always exists.
5. Employees should not use personal devices or email accounts for School-related communications. Such communications should only take place using School-issued devices and via the employee's email account.

Personal Business

PPPV's facilities for handling mail and telephone calls are designed to accommodate School business. Employees should have personal mail directed to their home address and limit personal telephone calls to an absolute minimum. Personal calls should not be made outside the immediate dialing area. Do not use School material, time or equipment for personal projects.

Social Media

If an employee decides to post information on the Internet (i.e., personal blog, Facebook, Instagram, Twitter, etc.) that discusses any aspect of his/her workplace activities, the following restrictions apply:

- School equipment, including School computers and electronics systems, may not be used for these purposes;
- Student and employee confidentiality policies must be strictly followed;
- Employees must make clear that the views expressed in their blogs are their own and not those of the School;
- Employees may not use the School's logos, trademarks and/or copyrighted material and are not authorized to speak on the School's behalf;
- Employees are not authorized to publish any confidential or proprietary information maintained by the School;
- Employees are prohibited from making discriminatory, defamatory, libelous or slanderous comments when discussing the School, the employee's supervisors, co-workers and competitors;
- Employees must comply with all School policies, including, but not limited to, rules against unlawful harassment and retaliation.

The School reserves the right to take disciplinary action against any employee whose social media postings violate this or other School policies.

Personal Appearance/Standards of Dress

PPPV employees serve as role models to the School's students. All employees should therefore maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

Employees are encouraged to wear clothing that will add dignity to the educational profession, will present an image consistent with their job responsibilities, and will not interfere with the learning process. Accordingly, all employees shall adhere to the following standards of dress:

- 1) Clothing and jewelry must be safe and appropriate to the educational environment. All clothing must be clean and in good repair. Slits or tears in pants or other articles of clothing are not permitted except for modest slits in women's dresses or skirts that are no higher than three (3) inches above the knee.
- 2) Head coverings, including hats of any kind, except those worn for religious or safety reasons, are not to be worn inside school buildings including assemblies, classrooms, labs and offices. Hats may be worn outside for sun protection. All hats are to be removed upon entering school buildings. For exceptions to this policy, prior approval must be granted by the Head of School.
- 3) Slacks and shorts are to be worn on the waist with no portion of an undergarment showing. Jeans are not permitted. Shorts should be modest in length and should be no higher than three (3) inches above the knee.
- 4) Skirts and dresses should be no higher than three (3) inches above the knee.
- 5) All tops must be appropriate to the work environment, and should be clean, neat, and provide proper coverage.
- 6) For safety purposes, earrings must not dangle more than one (1) inch below the ear.
- 7) Clothing or jewelry with logos that depict and/or promote gangs, drugs, alcohol, tobacco, sex, violence, illegal activities, profanity, or obscenity are not permitted.
- 8) Appropriate shoes must be worn at all times.

Health and Safety Policy

PPPV is committed to providing and maintaining a healthy and safe work environment for all employees.

Employees are required to know and comply with the School's General Safety Rules and to follow safe and healthy work practices at all times. Employees are required to report immediately to the Head of School any potential health or safety hazards, and all injuries or accidents.

In compliance with Proposition 65, the School will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

Security Protocols

PPPV has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to the Head of School. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a work station that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the Head of School when keys are missing or if security access codes or passes have been breached.

Occupational Safety

PPPV is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. PPPV's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

Reporting Fires and Emergencies

It is the duty of every employee to know how to report fires and other emergencies quickly and accurately. Employees should report any such emergency by calling management. In addition, all employees should know the local emergency numbers such as 911.

EMPLOYEE WAGES AND HEALTH BENEFITS

Payroll Withholdings

As required by law, the School shall withhold Federal Income Tax, State Income Tax, Social Security (FICA) and State Disability Insurance from each employee's pay as follows:

1. Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.
2. State Income Tax Withholding: The same factors which apply to federal withholdings apply to state withholdings.
3. Social Security (FICA): The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School.
4. State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.

Every deduction from an employee's paycheck is explained on the check voucher. If an employee does not understand the deductions, he or she should ask the Head of School to explain them.

Employees may change the number of withholding allowances claimed for Federal Income Tax purposes at any time by filling out a new W-4 form and submitting it to the Head of School. The office maintains a supply of these forms.

All Federal, State, and Social Security taxes will be automatically deducted from paychecks. Federal Withholding Tax deduction is determined by the employee's W-4 form. The W-4 form should be completed upon hire and it is the employee's responsibility to report any changes in filing status to the Head of School and to fill out a new W-4 form.

At the end of the calendar year, a "withholding statement" (W-2) will be prepared and forwarded to each employee for use in connection with preparation of income tax returns. The W-2 shows Social Security information, taxes withheld and total wages.

Overtime Pay

Whether an employee is exempt from or subject to overtime pay will be determined on a case-by-case basis and will be indicated in the employee's job description. Generally, teachers and administrators are exempt. Non-exempt employees may be required to work beyond the regularly scheduled workday or workweek as necessary. Only actual hours worked in a given workday or workweek can apply in calculating overtime for non-exempt employees. PPPV will attempt to distribute overtime evenly and accommodate individual schedules. All overtime work must be previously authorized by the Head of School. PPPV provides compensation for all overtime hours worked by non-exempt employees in accordance with state and federal law as follows:

For employees subject to overtime, all hours worked in excess of eight (8) hours in one workday or forty (40) hours in one workweek shall be treated as overtime. Compensation for hours in excess of forty (40) for the workweek or in excess of eight (8) and not more than twelve (12) for the workday, and for the first eight (8) hours on the seventh consecutive day in one workweek, shall be paid at a rate of one and one-half times the employee's regular rate of pay. Compensation for hours in excess of twelve (12) in one workday and an excess of eight (8) on the seventh consecutive workday of the workweek shall be paid at double the regular rate of pay.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation will be paid to these exempt employees.

Paydays

Paydays are scheduled twice per month. If an employee observes any error in his or her check, it should be reported immediately to the Head of School.

Wage Attachments and Garnishments

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor.

Employees are strongly encouraged to avoid such wage attachments and garnishments. If the School is presented a second garnishment request concerning an employee, the Head of School will discuss the situation with the employee.

Medical Benefits

Eligibility

An employee is eligible for medical coverage if he or she is a regular employee working for the School at least thirty (30) hours per week.

Employees who go from part-time to full-time employment become eligible for full benefits on the first day of the month following the effective date of the change.

When Coverage Starts

Employee coverage will begin on the first day of employment or if hired mid-month it will start on the first day of the next month. An enrollment form must be submitted to the Head of School as soon as possible. This form serves as a request for coverage, and authorizes any payroll deductions necessary to pay for coverage.

COBRA Benefits

When coverage under the School's medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18) month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18) month period may also be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee's spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and his/her spouse become divorced or legally separated;
- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reached age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

PPPV will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, dies, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. PPPV will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;
- PPPV stops providing group health benefits;
- The employee (or the employee's spouse or child) become entitled to Medicare; or
- The employee extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

PERSONNEL EVALUATION AND RECORD KEEPING

Employee Reviews and Evaluations

Each employee will receive periodic performance reviews conducted by the Head of School. Performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems.

Performance evaluations may review factors such as the quality and quantity of the work performed, knowledge of the job, initiative, work attitude, and attitude toward others. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee increases in salary or promotions. Salary increases and promotions are solely within the discretion of the School and depend upon many factors in addition to performance. After the review, an employee will be required to sign the evaluation report simply to acknowledge that it has been presented to them, that they have discussed it with the Head of School, and that they are aware of its contents.

Newly hired employees may have their performance goals reviewed by the Head of School within the first ninety (90) days of employment.

Salary and potential for advancement will be based largely upon job performance. On a periodic basis, the Head of School will review employee job performance with an employee in order to establish goals for future performance and to discuss current performance. PPPV's evaluation system will in no way alter the at-will employment relationship.

Personnel Files and Record Keeping Protocols

At the time of employment, a personnel file is established for each employee. It is each employee's responsibility to keep the Head of School advised of changes that should be reflected in their personnel file. Such changes include: change in address, telephone number, marital status, number of dependents and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact an employee should the change affect their other records.

Employees have the right to inspect documents in their personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. Employees also have the right to obtain a copy of their personnel file as provided by law. Employees may add comments to any disputed item in the file. PPPV will restrict disclosure of personnel files to authorized individuals within the School. A request for information contained in the personnel file must be directed to the Head of School. Only the Head of School or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required.

Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

HOLIDAYS, VACATIONS AND LEAVES

Holidays

PPPV calendar reflects any and all holidays observed by the School. The following holidays are generally observed by public entities, including public schools:

- New Year's Day
- Martin Luther King Jr. Birthday
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving
- Friday after Thanksgiving
- Day before Christmas
- Christmas Day

Other days during the school year, such as days during the School's calendared breaks, shall not be paid time for non-exempt employees in active status. Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to the Head of School. The employee will be paid if the religious holiday is taken as an earned paid leave day (i.e. vacation, personal necessity day, etc., as applicable). The employee will not be paid if the religious holiday is taken as a personal leave of absence day. Employees on any leave of absence do not earn holiday pay.

Vacation

While the School recognizes the importance of vacation time as a period of rest and rejuvenation away from the job, vacations must be scheduled with due consideration for "peak traffic periods" in the school. With this in mind, it is expected that vacation time will be taken when school is not in session.

Regular full-time employees are entitled to vacation terms based upon date of hire, length of service and status with the School. Full-time clerical staff shall accrue ten (10) days of paid vacation each year, beginning after six (6) months of service. Paid vacation time for administrators will be established in the administrator's employment contract. Employees working on part-time basis (less than full-time) shall not earn vacation days.

Any vacation time taken during the school year or otherwise should be coordinated and cleared by the Head of School subject to scheduling and seniority. No vacation time may be taken by clerical staff during the last two weeks of August unless specifically authorized by the Head of School.

For clerical employees, vacation days should be taken when school is not in session, preferably between July 1 to August 15. Vacation time is figured on a school year beginning with the opening of school rather than on a fiscal year.

Vacation time may not be utilized before it is earned. An employee whose employment terminates will be paid for accrued unused vacation days. Vacation can accrue up to a maximum of fifteen (15) days of pay. Once this cap is reached, no further vacation will accrue until some vacation is used. When some vacation is used, vacation compensation will begin to accrue again. There is no retroactive grant of vacation compensation for the period of time the accrued vacation compensation was at the cap.

Unpaid Leave of Absence

PPPV recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

During a Family and Medical Leave Act, California Family Rights Act leave, and/or Pregnancy Disability Leave, the employee's medical and dental benefits will remain in force, provided the employee pays the appropriate premiums. Otherwise, benefits are terminated the month any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

Sick Leave

To help prevent loss of earnings that may be caused by accident or illness, or by other emergencies, the School offers paid sick leave to its employees. Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners, grandparents, grandchildren, or siblings) who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Employees may also take paid sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking.

Paid sick leave is available to all School employees who work at least thirty (30) days within the span of a single calendar year from the commencement of employment. All eligible employees shall be credited with twenty-four (24) hours of sick leave at the beginning of each work year. Furthermore, all full-time employees will accrue additional sick leave per month worked for a total of ten (10) days per full work year.

Employees cannot use paid sick leave until the ninetieth (90th) calendar day following the employee's start date. Sick leave must be taken by eligible employees in increments of two (2) hours. Accrued sick leave does not carry over from year to year and the School does not pay employees in lieu of unused sick leave.

If an employee is absent longer than three (3) days due to illness, medical evidence of their

illness and/or medical certification of their fitness to return to work satisfactory to the School may be required. The School will not tolerate abuse or misuse of the sick leave privilege. If the School suspects abuse of sick leave, the School may require a medical certification from an employee verifying the employee's absence.

Once an employee has exhausted sick leave, the employee may continue on an unpaid medical leave depending upon the facts and circumstances of the employee's basis for leave beyond accrued sick leave. Employee requests for unpaid medical leave must be approved in advance by the School.

Catastrophic Injury or Illness Leave

Catastrophic injury or illness is defined as a life-threatening injury or illness of an employee which totally incapacitates the employee from work, or of an employee's family member (e.g., spouse/partner, child, or parent), as verified by a licensed physician and which forces the employee to exhaust all leave time earned by that employee, resulting in the loss of compensation for the employee. Conditions that are short-term in nature (e.g., the flu, back pain, a broken limb, etc.) are not catastrophic. Acute chronic illnesses or injuries, such as cancer or major surgery, which result in intermittent absences from work, and which are long-term in nature and require long recuperation periods, may be considered catastrophic. The catastrophic leave program shall be implemented as follows:

1. Employees may donate up to two (2) sick leave days per fiscal year and to a sick leave bank for employees suffering a catastrophic illness/injury. However, employees must retain at least five (5) sick leave days for their own account. All transfers of sick leave are irrevocable.
2. Catastrophic leave requests must be submitted in writing to the Superintendent. Any employee requesting to receive donated sick leave under this program shall first exhaust all paid leave (e.g., sick and vacation leave) they have accrued.
3. The Superintendent shall determine whether or not to grant a request for catastrophic leave based on verification by a medical doctor as to the nature of the illness or injury, anticipated length of absence, and the prognosis for recovery. There is no right to receive catastrophic leave donations. The Superintendent may, in their sole and unreviewable discretion, decline an employee's request for catastrophic leave benefits for any reason.
4. All information provided by the employee requesting catastrophic leave shall be held in strict confidence by the School and shall be isolated from other employment records as required by applicable law.
5. The number of sick days that can be received by an employee from the catastrophic leave bank is limited to twenty (20) per fiscal year.
6. If an employee is also receiving any form of disability benefits, which are paid on a weekly basis, the total amount of catastrophic leave pay the employee may receive on a weekly basis, when added to the amount of disability benefits the employee is receiving,

shall not exceed the employee's total weekly salary. Employees must disclose to the School whether they are receiving any such disability benefits.

7. Any reinstatement rights for employees utilizing catastrophic leave shall be in accordance with applicable law.
8. Participation in this program is voluntary. Recipient employees shall not offer anything of value to another employee in exchange for donating leave. Likewise, donating employees shall not receive anything of value from another employee in exchange for donating leave.

Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA/CFRA leave in any twelve (12) month period for the purposes enumerated below.

- **Employee Eligibility Criteria**

To be eligible for FMLA/CFRA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the leave, and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles, (except for purposes of CFRA where the School must only have at least five (5) employees).

- **Events That May Entitle an Employee To FMLA/CFRA Leave**

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA/CFRA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee's newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they each will be entitled to a separate twelve (12) weeks of leave for this purpose, which cannot be loaned or otherwise assigned from one employee to the other.
2. Because of the employee's own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School's separate pregnancy disability policy).

- a. A “serious health condition” is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - b. “Inpatient care” means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an “inpatient” when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - c. “Incapacity” means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - d. “Continuing treatment” means ongoing medical treatment or supervision by a health care provider.
3. To care for a spouse, domestic partner, child, or parent with a serious health condition or military service-related injury. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces servicemember with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of additional FMLA leave in a single twelve (12) month period to provide said care. CFRA does not provide leave specific to caring for a service member.
 4. For any “qualifying exigency” because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces. For CFRA purposes, this may also include a domestic partner.
- Amount of FMLA/CFRA Leave Which May Be Taken
 1. FMLA/CFRA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. “Twelve workweeks” means the equivalent of twelve (12) of the employee’s normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, “twelve workweeks” means sixty (60) working and/or paid eight (8) hour days.
 2. In addition to the twelve (12) workweeks of FMLA/CFRA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces servicemember may also be entitled to a total of twenty-

six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.

3. The “twelve month period” in which twelve (12) weeks of FMLA and CFRA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA/CFRA leave.
 4. If a holiday falls within a week taken as FMLA/CFRA leave, the week is nevertheless counted as a week of FMLA/CFRA leave. If, however, the School’s business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School’s activities have ceased do not count against the employee’s FMLA or CFRA leave entitlement. Similarly, if an employee uses FMLA/CFRA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee’s leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.
- Pay during FMLA/CFRA Leave
 1. An employee on FMLA/CFRA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA/CFRA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
 2. An employee on FMLA/CFRA leave for baby-bonding or to care for a qualifying family member with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave.
 3. If an employee has exhausted his/her sick leave, leave taken under FMLA/CFRA shall be unpaid leave.
 4. The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA or CFRA leave. Sick pay accrues during any period of unpaid FMLA or CFRA leave only until the end of the month in which unpaid leave began.
 - Health Benefits

The provisions of the School’s various employee benefit plans govern continuing eligibility during FMLA/CFRA leave, and these provisions may change from time to time. The health benefits of employees on FMLA/CFRA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the

leave period. When a request for FMLA/CFRA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

PPPV may recover the health benefit costs paid on behalf of an employee during his/her FMLA/CFRA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have “failed to return from leave” if he/she works less than thirty (30) days after returning from FMLA/CFRA leave; and
2. The employee’s failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA/CFRA leave, or other circumstances beyond the control of the employee.

- Seniority

An employee on FMLA/CFRA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA/CFRA leave will return with the same seniority he/she had when the leave commenced.

- Medical Certifications

1. An employee requesting FMLA/CFRA leave because of his/her own or a relative’s serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School’s request for certification) may result in denial of the leave request until such certification is provided.
2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee’s health care provider to authenticate a certification as needed.
3. If the School has reason to doubt the medical certification supporting a leave because of the employee’s own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.

4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.
- Procedures for Requesting and Scheduling FMLA/CFRA Leave
 1. An employee should request FMLA/CFRA leave by completing a Request for Leave form and submitting it to the Head of School. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA/CFRA leave policy.
 2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her qualifying family member. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA/CFRA leave was an emergency or was otherwise unforeseeable.
 3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. If FMLA/CFRA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's qualifying family member, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
 5. If FMLA/CFRA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA/CFRA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
 6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
 7. The School will respond to an FMLA/CFRA leave request no later than five (5) business days of receiving the request. If an FMLA/CFRA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA/CFRA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.
 - Return to Work

1. Upon timely return at the expiration of the FMLA/CFRA leave period, an employee is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA/CFRA leave.
2. When a request for FMLA/CFRA leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).
3. Before an employee will be permitted to return from FMLA/CFRA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- **Employment during Leave**

No employee, including employees on FMLA/CFRA leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without the School's written permission will be deemed to have resigned from employment at the School.

Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- **Employee Eligibility Criteria**

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- **Events That May Entitle an Employee to Pregnancy Disability Leave**

The four (4) -month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful

completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or

2. The employee needs to take time off for prenatal care.

- **Duration of Pregnancy Disability Leave**

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. “Four months” means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 ¹/₃ weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, “four months” means 346.5 hours of leave entitlement (20 hours per week times 17 ¹/₃ weeks). For an employee who normally works forty-eight (48) hours per week, “four months” means 832 hours of leave entitlement (48 hours per week times 17 ¹/₃ weeks).

At the end or depletion of an employee’s pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

- **Pay during Pregnancy Disability Leave**

1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period.
2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
3. Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- **Health Benefits**

PPPV shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health

benefits is for a maximum of four (4) months in a twelve (12)-month period. PPPV can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.
2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

- Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

- Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- Requesting and Scheduling Pregnancy Disability Leave

1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Head of School. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.

3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
 5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
 6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.
- Return to Work
 1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:
 - a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
 - b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.
 2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).

3. In accordance with PPPV policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.
 4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.
- Employment during Leave

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Industrial Injury Leave (Workers' Compensation)

PPPV, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and
- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure employees receive any worker's compensation benefits to which they may be entitled, employees will need to:

- Immediately report any work-related injury to the Head of School;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the Head of School; and
- Provide the School with a certification from a health care provider regarding the need for workers' compensation disability leave as well as the employee's eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to ensure that the injured employee receives appropriate medical attention. PPPV, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, he/she is to go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems (“EMS”) such as an ambulance, the choice by the EMS personnel for the most appropriate medical center or hospital for treatment will be recognized as an approved center.
- All accidents and injuries must be reported to the Head of School and to the individual responsible for reporting to the School’s insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by his/her personal physician at his/her own expense, but he/she is still required to go to the School’s approved medical center for evaluation. All job-related injuries must be reported to the appropriate State Workers’ Compensation Bureau and the insurance carrier.
- When there is a job-related injury that results in lost time, the employee must have a medical release from the School’s approved medical facility before returning to work.
- Any time there is a job-related injury, the School’s policy requires drug/alcohol testing along with any medical treatment provided to the employee.

Military and Military Spousal Leave of Absence

PPPV shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 (“USERRA”). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee’s health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, PPPV will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due

to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

PPPV shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

Bereavement Leave

Exempt employees are entitled to a leave of up to three (3) days without loss of pay due to a death in the immediate family (parent, spouse, son/daughter, sister/brother, parents-in-law, son/daughter-in-law, grandparents, grandchild). Bereavement pay will not be used in computing overtime pay. Any scheduled days off (including weekends, holidays and vacations) falling during the absence will be counted as both bereavement leave and scheduled days off.

Jury Duty or Witness Leave

For all exempt employees, the School will pay for time off if an employee is called to serve on a jury provided the employee continues to perform work duties as assigned. For all non-exempt employees, the School will pay for up to three (3) days if an employee is called to serve on a jury.

Voting Time Off

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two (2) hours combined. Under these circumstances, an employee will be allowed a maximum of two (2) hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give the Head of School at least two (2) days notice.

School Appearance and Activities Leave

As required by law, PPPV will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or child care. If more than one (1) parent or guardian is an employee of PPPV, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to sixty (60) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

Up to five (5) days of leave for bone marrow donation, and up to thirty (30) days of leave for organ donation, may be paid provided the employee uses five (5) days of accrued paid leave for bone marrow donation and two (2) weeks of accrued paid leave for organ donation. If the employee has an insufficient number of paid leave days available, the leave will otherwise be paid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

Victims of Abuse Leave

PPPV provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, stalking or other crimes. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief necessary, including a restraining order, to ensure the employee's own health, safety or welfare, that of the employee's child or children or when a person whose immediate family member is deceased as the direct result of a crime. A crime includes a crime or public offense that would constitute a misdemeanor or felony if the crime had been committed in California by a competent adult, an act of terrorism against a resident of California (whether or not such act occurs within the state), and regardless of whether any person is arrested for, prosecuted for, or convicted of, committing the crime. Employees may also request unpaid leave for the following

purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide PPPV with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide PPPV one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.
3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee's absence was due to treatment for injuries or abuse from domestic violence, sexual assault, or stalking.
4. Any other form of documentation that reasonably verifies that the crime or abuse occurred, including but not limited to, a written statement signed by the employee, or an individual acting on the employee's behalf, certifying that the absence is for a purpose authorized under the law

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, PPPV will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request an accommodation under this policy, an employee should contact the Head of School.

Returning From Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the Head of School thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If employees need further information regarding Leaves of Absence, they should be sure to consult the Head of School.

DISCIPLINE AND TERMINATION OF EMPLOYMENT

Rules of Conduct

The following conduct is prohibited and will not be tolerated by the School. This list of prohibited conduct is illustrative only and applies to all employees of the School; other types of conduct that threaten security, personal safety, employee welfare and the School's operations also may be prohibited. Further, the specification of this list of conduct in no way alters the at-will employment relationship as to at-will employees of the School. If an employee is working under a contract with the School which grants procedural rights prior to termination, the procedural terms in the contract shall apply.

1. Insubordination - refusing to perform a task or duty assigned or act in accordance with instructions provided by an employee's manager or proper authority.
2. Inefficiency - including deliberate restriction of output, carelessness or unnecessary wastes of time or material, neglect of job, duties or responsibilities.
3. Unauthorized soliciting, collecting of contributions, distribution of literature, written or printed matter is strictly prohibited on School property by non-employees and by employees. This rule does not cover periods of time when employees are off their jobs, such as lunch periods and break times. However, employees properly off their jobs are prohibited from such activity with other employees who are performing their work tasks.
4. Damaging, defacing, unauthorized removal, destruction or theft of another employee's property or of School property.
5. Fighting or instigating a fight on School premises.
6. Violations of the drug and alcohol policy.
7. Using or possessing firearms, weapons or explosives of any kind on School premises.
8. Gambling on School premises.
9. Tampering with or falsifying any report or record including, but not limited to, personnel, absentee, sickness or production reports or records, specifically including applications for employment and time cards.
10. Recording the clock card, when applicable, of another employee or permitting or arranging for another employee to record the clock card.
11. Use of profane, abusive or threatening language in conversations with other employees and/or intimidating or interfering with other employees.
12. Conducting personal business during business hours and/or unauthorized use of telephone lines for personal calls.
13. Excessive absenteeism or tardiness excused or unexcused.
14. Posting any notices on School premises without prior written approval of management, unless posting is on a School bulletin board designated for employee postings.

18. Violations of the sexual harassment policy.
19. Failure to report a job-related accident to the employee's manager or failure to take or follow prescribed tests, procedures or treatment.
20. Sleeping during work hours.
21. Release of confidential information without authorization.
22. Any other conduct detrimental to other employees or the School's interests or its efficient

- operations.
- 23. Refusal to speak to supervisors or other employees.
- 24. Dishonesty.
- 25. Failure to possess or maintain the credential/certificate required of the position.

For employees who possess an employment contract which provides for other than at-will employment, the procedures and process for termination during the contract shall be specified in the contract.

Off-Duty Conduct

While the School does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the School's legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the School or its own integrity, reputation, or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects the School's legitimate business interests or the employee's ability to perform his or her work will not be tolerated.

While employed by the School, employees are expected to devote their energies to their jobs with the School. For this reason, second jobs are strongly discouraged. The following types of additional employment elsewhere are strictly prohibited:

- Additional employment that conflicts with an employee's work schedule, duties, and responsibilities at our School.
- Additional employment that creates a conflict of interest or is incompatible with the employee's position with our School.
- Additional employment that impairs or has a detrimental effect on the employee's work performance with our School.
- Additional employment that requires the employee to conduct work or related activities on the School's property during the employer's working hours or using our School's facilities and/or equipment; and
- Additional employment that directly or indirectly competes with the business or the interests of our School.

Employees who wish to engage in additional employment that may create a real or apparent conflict of interest must submit a written request to the School explaining the details of the additional employment. If the additional employment is authorized, the School assumes no responsibility for it. PPPV shall not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of additional employment. Authorization to engage in additional employment can be revoked at any time.

Termination of Employment

Should it become necessary for an employee to terminate their at-will employment with the

School, employees should notify the Head of School regarding their intention as far in advance as possible. At least two (2) weeks' notice is expected whenever possible.

When an employee terminates their at-will employment, they will be entitled to all earned but unused vacation pay. If an employee is participating in the medical and/or dental plan, they will be provided information on their rights under COBRA.

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns. All employees have free access to the Head of School or Board of Directors to express their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School’s “Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation.”

Internal Complaints

(Complaints by Employees Against Employees)

This section of the policy is for use when a School employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed by the Head of School or designee:

1. The complainant will bring the matter to the attention of the Head of School as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate; and
2. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts. The Head of School or designee will then investigate the facts and provide a solution or explanation;
3. If the complaint is about the Head of School, the complainant may file his or her complaint in a signed writing to the President of the School’s Board of Directors, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the Board. The Board President or investigator will report his or her findings to the Board for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee’s satisfaction. However, the School values each employee’s ability to express concerns and the need for resolution without fear of adverse consequence to employment.

Policy for Complaints Against Employees

(Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the office of the Head of School or Board President (if the complaint concerns the Head of School) as soon as possible after the events that give rise to the complainant’s concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, Head of School (or designee) shall abide by the following process:

1. The Head of School or designee shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
2. In the event that the Head of School (or designee) finds that a complaint against an employee is valid, the Head of School (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Head of School (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Head of School's (or designee's) decision relating to the complaint shall be final unless it is appealed to the Board of Directors. The decision of the Board shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
3. Resolution: The Board (if a complaint is about the Head of School) or the Head of School or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

AMENDMENT TO EMPLOYEE HANDBOOK

This Employee Handbook contains the employment policies and practices of the School in effect at the time of publication.

PPPV reserves the right to amend, delete or otherwise modify this Handbook at any time provided that such modifications are in writing and duly approved by the employer.

Any written changes to the Handbook will be distributed to all employees. No oral statements can in any way alter the provisions of this Handbook.
