Board Meeting Agenda—Special Meeting Wednesday October 26th, 2021 10am

Teleconference Locations:

In accordance with Government Code Section 54953(e)(1)(B), if the Charter School Board of Directors determines, that meeting in person would present imminent risks to the health or safety of attendees and in pursuant to Government Code Section 54953(e)(3), the Board has also reconsidered the circumstances of the State of Emergency declared by the Governor on March 4, 2020, and finds the State of Emergency continues to directly impact the ability of the Directors to meet safely in person and/or that State or local officials continue to impose or recommend measures to promote social distancing, the Charter school may hold public meetings via teleconferencing and make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body. Charter schools still need to comply with the timelines for posting agendas, including putting the agenda as a direct link on their website. The agenda must give notice of the means by which members of the public may observe and participate (e.g., conference call dial-in number, etc.). The agenda does not need to list the address from where each Board member will be calling in, agendas do not need to be posted at those locations, and the charter school does not need to make those locations accessible to the public or ensure that members of the public may address the body at those locations. A quorum of the Board does not need to participate from locations within the boundaries of the territory over which the charter school exercises jurisdiction. These changes only apply during the period in which state or local public health officials have imposed or recommended social distancing measures.

Shalen Bishop is inviting you to a scheduled Zoom meeting.
