Universal Pre Kindergarten Plan (UPK). Under the provisions of California *Education Code (EC)* Section 8281.5, grant funds are allocated to school districts, charter schools, and county offices of education (COEs) with kindergarten enrollment in specific years, according to a specified formula. In addition, funds are allocated to COEs to support countywide planning and capacity building around UPK. As a condition of receiving grant funds, state law requires each LEA to create a plan. Under state law, the plan must be developed for consideration by the LEA’s governing board or body at a public meeting on or before June 30, 2022.

Peak Partnerships:

The Board shall discuss potential school partnership opportunities for Peak Prep. Peak Prep is looking at ways to expand it's opportunities to grow as a school and provide additional opportunities. **This is also an opportunity for current parent members to share their thoughts and comments.**
