Executive Director's MESSAGE

Welcome to the Peak Prep Pleasant Valley. We are thrilled to have you join this excellent public charter school! As the school leader, I look forward to working with all of our students, families, teachers and staff. Our goal is to help students continue to excel both academically and, more broadly, as a thriving school community while providing a safe learning experience for our students. We have a rich, rigor filled, curriculum that is combined with language immersion and State Standards. The curriculum we use will provide a challenging and engaging environment for our students to succeed and excel in.

This handbook includes important policy changes and annual notices. It also outlines the policies and procedures that are intended to maintain a highly structured, respectful and safe environment where our staff and students can attend to the business and pleasure of learning. We encourage parents and students to discuss these rules and use this handbook as an ongoing guide to academic and behavioral expectations.

In its short history, Peak Prep Pleasant Valley has already established a solid foundation of high expectations for all members of the school community; to include students, faculty, staff and parents. Peak Prep Pleasant Valley parents demonstrate impressive levels of involvement and a consistent desire to be involved in their child's education. Without parental support for our school rules, we cannot effectively impact student achievement. Our policies relate to regular attendance, promptness, completion of work and appropriate behavioral standards.

We appreciate your commitment to Peak Prep Pleasant Valley, and we look forward to a successful school year for all.

Sincerely,

Dr. Shalen Bishop
Executive Director

School Days

Students are required to log into the Learning Management System (“LMS”) and submit work daily (Mondays through Friday) on all school operating days. Weekly reports regarding the progress and level of engagement are sent out electronically to ensure students are making adequate progress. Students are expected to stay on pace to move towards graduation.

Independent Study and Attendance Policies

Peak Prep serves four counties: Los Angeles, Kern, Santa Barbara, and Ventura. Families must live within these four (4) counties. Proof of residency is required, and students and their families will be asked for a yearly update to ensure attendance accuracy/compliance.

Academic progress is dependent on regular attendance that is expected of all Peak Prep students. Peak Prep is required to maintain and report daily attendance for all students. These reports, or the school’s “Average Daily Attendance,” then form the basis for the majority of our public funding.

Students are expected to log in and make progress working approximately thirty (30) hours a week. Students are required to meet with teachers and mentors on a regular basis and provide work samples to validate their progress. The Charter School shall comply with all applicable requirements regarding independent study, in accordance with Education Code Section 51745, *et seq.*

The Executive Director is responsible for ensuring that students are progressing appropriately in their studies. If a student’s parent/guardian cannot provide sufficient

guidance and supervision for a student's lessons, this impacts the efficacy of an Independent Study program.

Under an Independent Study contract, the student's supervising certificated teacher creates and executes detailed lesson plans and assignments for the student to complete under the immediate supervision of their parent/guardian. To comply with applicable attendance requirements, students in an independent study program are expected to complete academic coursework each regular school day in accordance with the Independent Study Policy and the students' respective Written Agreements. Students will be required to complete all assignments by the due date as determined by the supervising teacher.

Students are expected to follow the school calendar. Teachers, mentors, and the Charter School Administration will monitor attendance on a daily basis. Parents/guardians must contact their student's teacher or mentor for any absence or missed assignment. In accordance with the Independent Study Policy and Missed Assignments Policy, the Executive Director shall conduct an evaluation to determine whether it is in the best interests of the student to remain in independent study based on the triggers outlined in the policies. The complete Independent Study Policy and Missed Assignments Policy are located on the website: <https://peak-prep.org/board-meetings-policies/>

ASSESSMENTS & INTERVENTIONS

Parent-Teacher Conferences

Parent-teacher conference days will be scheduled by the Homeroom Teacher or Executive Director to discuss your child's progress if the attendance/Missed Assignment Policy is not being met. Please make every effort to keep the designated appointment. However, parent-teacher conferences need not be limited to these times. If you have concerns at any time, feel free to schedule an appointment to discuss your child's academic progress. The Charter School shall conduct fire drills as required under Education Code Section 32001.

The Charter School shall post a notice regarding the requirements of this section, as applicable, in a prominent and conspicuous location in every restroom required to stock menstrual products, available and accessible, free of cost, pursuant to this section. This notice shall include the text of this section and contact information, including an email address and telephone number, for a designated individual responsible for maintaining the requisite supply of menstrual products.

Mental Health Education

If the Charter School offers one or more courses in health education to middle school or high school students, the Charter School shall include in those courses instruction in mental health that meets the requirements of Education Code Section 51925, et seq.

COMMUNICATION

It is very important that communication between your home and the Charter School is a continuous process. Please make sure parent/guardian home, work, and cell phone numbers are current so that the Charter School can contact you during the day. Our primary method of communicating with families is via email, telephone, and virtual classroom. Translation will be provided to all families who need it. Please be aware that all communications generally receive a reply from school staff within 24 hours (not including holidays or weekends). Although the online system is typically available 24/7, our staff members are available during normal business hours, Monday through Friday.

In order to ensure the peaceable operation of the Charter School without disruption or distraction, the safety of all students, compliance with applicable laws and policies, and a more streamlined communications system, flyers, notices, solicitations or other materials may be distributed to students or their parents/guardians via email or online announcements. If you have a question or concern about any incident, problem, or practice concerning the Charter School, please bring that to the attention of the Executive Director.

At all times, the adults in our community are expected to model the positive communication behaviors we ask of our students and ensure that communications with faculty, staff, and parents are respectful. All members of our school community are also asked to respect the privacy and confidentiality of our individual students, faculty and staff and to attempt to resolve any conflicts via the steps outlined in this Handbook. If at any time any member of this school community – student, teacher, staff, parent, volunteer – has a conflict with another member of the school community that they believe cannot be resolved directly in a one-on-one conversation, the individual should speak with the Executive Director about these concerns.

Parent Concerns About Staff or Program

At Peak Prep, teachers and support staff are available to discuss any concerns that a parent/guardian has regarding their teaching style or content, disciplinary measures, or personal interaction with a child. Questions regarding Peak Prep curriculum, school rules or the professional conduct of any Peak Prep employee can be addressed by making an appointment with the Executive Director.

Procedure for Resolving Parent/Guardian Conflicts

Peak Prep maintains a General Complaints Policy to address any parent/guardian concerns about the Charter School and/or any conflicts with the Charter School that are

not covered by the Title IX Policy Prohibiting Discrimination on the Basis of Sex, the Harassment, Intimidation, Discrimination or Bullying Policy, or the Uniform Complaint Policy and Procedures. All policies are available on the school website. <https://peak-prep.org/board-meetings-policies/>

GENERAL POLICIES

Student Use of Technology and Acceptable Use Agreement

Students must file an Acceptable Use Agreement signed by the student and a parent/guardian. All students having access to the Charter School's internet network must adhere to federally mandated rules for internet use, along with the Student Use of Technology Policy and Acceptable Use Agreement. Internet access is a privilege. Any behavior that is not acceptable may result in the loss of this privilege. Peak Prep rules include, but are not limited to, the following:

- ☐ Handle the computers and equipment with care and as directed by the teacher
- ☐ Be respectful of the rights, the ideas, the information, and the privacy of others
 - ☐ Neither send nor receive information that is not related to schoolwork, or that can be hurtful or harmful to others
- ☐ Report to teachers any sites or persons that demonstrate inappropriate use of on-line service

A copy of the complete Student Use of Technology Policy and Acceptable Use Agreement is available on the school website: <https://peak-prep.org/board-meetings-policies/>

Enrichment Activities

Enrichment activities provide an opportunity for first-hand experiences that complement core curriculum and enhance student learning. In order to participate in an enrichment activity, all students must have a parent/guardian or designated adult to accompany them. If the designated adult is not their legal guardian, a signed letter from the legal guardian must be approved prior to the event.

Textbooks/School Materials

Students in grades TK-5 will be issued materials necessary for completion of all of their coursework. These materials become the responsibility of the student. Damaged or lost books must be replaced by the parents/guardians. (See Lost or Damaged School Property in Appendix A) Students in 6th-12th will access their materials and coursework online.

Academic Integrity, Plagiarism and Cheating

All work submitted is to be completed ONLY by students. Students are responsible for observing the standards on plagiarism, cheating, and properly crediting all sources used during the composition of work including but not limited to any artificial intelligence programs or applications. Failure to abide by these standards is reported to the appropriate administrative authorities and may result in a conference with the parent/guardian, loss of credit for high school courses, revoked access to course(s), and/or other consequences.

Plagiarism

Plagiarism is defined as the act(s) of copying the words, ideas, images, sounds, signs/symbols and thoughts of another writer or to claim products generated by artificial intelligence and presenting them as your own.

Cheating

Cheating involves the act(s) of using, accepting, or distributing test answers, answer keys, or presenting another person's work as your own. Any student found cheating is in violation of the School's Academic Integrity Policy.

Source Citation

Many courses require written work in which students need to cite sources. Any direct quotations from a textbook can simply be cited as: Author, Page Number. Any quotations from outside sources require full citations, including author, title, publisher, date of publication, and page number. If a student cites information found on a website, the student must provide the complete Web page or site title, URL, author if known, page number if applicable, publication date of the site, if available, and the date of access.

Consequences For Cheating/Plagiarism

First Offense:

1. Student receives no credit for assignment
2. Teacher fills out a "Notice of Cheating Offense" form, makes three copies, and keeps the original for their file. The teacher distributes the copies to:
 - a. Parent/Guardian (by email)
 - b. Counselor
 - c. Instructional Coach or Executive Director
3. If the assignment is deemed by the teacher to be a major assignment and the offense requires premeditation (e.g., submitting a major paper that has been plagiarized), the student forfeits double the value of the assignment.
4. At the teacher's discretion, the student may be given an additional assignment, such as writing a statement about the incident, which the teacher keeps on file.

Second Offense

1. The consequences listed above in the "First Offense" shall be applied.
2. The student, teacher, and parent/guardian meet with the student's counselor and/or Executive Director to discuss causes and appropriate consequences.
3. If the student's second offense occurred in an AP or Honors course, the student may be removed from the course and placed in a regular college prep course. Such determination shall be made by the Executive Director.

Grading Policies

Grades TK-5

Elementary students are assessed using the following marks. At the end of each semester, one of the following numerical grades will be assigned to each course:

- 4-Exceeds. I am working beyond the required objectives to meet end-of-year expectations.
- 3-Meets. I am completing the required objectives to meet end-of-year expectations.
- 2-Progressing. I am working toward achieving the required objectives to meet end-of-year expectations.
- 1- Needs Time. Needs more time to meet end-of-year expectations.
- NA- Not Assessed at this time.

Grades 6-8

Students will receive a progress report weekly from their teachers, and a final report card at the conclusion of each semester.

Grades are given as follows:

- A = Superior
- B = Above Average
- C = Average
- D = Below Average
- F = Failure
- I = Incomplete (changes to an "F" after 20 days) All grades in the core areas, with the exception of an "F" or an "I" earn 5 units of credit.

Concerns regarding grades and/or academic progress can be discussed at a parent/teacher conference arranged by the student's mentor.

Grades 9-12**Course Credit**

For each semester course offering that is completed successfully, five (5) credits of required or elective credits are earned. To obtain credits an "A", "B", "C" or "D" grade is required. Failed courses will be recorded as an "F" on the student's transcript, and a zero will be computed for the course in determining the GPA. No credit is earned for failed courses.

Grade Level Promotion:

Although course credits are earned on a semester basis, grade-level promotions take place once a year except when a student is eligible to move from 11th to 12th grade. Actual percentages earned rather than letter grades will be used in the calculation to determine final grades.

High School Promotion Requirement

All students shall complete the specified unit requirement before attaining high school promotion to the next grade level and for graduation.

To attain sophomore standing	55 units (minimum)
To attain junior standing	110 units (minimum)
To attain senior standing	165 units (minimum)
To graduate from high school:	220 units

Roles and Responsibilities of Academic Counselor

The responsibility of the counselor is to focus on individual student needs and to guide the student in making appropriate decisions. In addition to this, the counselors provide the following services:

- Review academic progress.
- Register students into appropriate classes.
- Interpret test data.
- Maintain academic records.
- Coordinate and facilitate parent conferences when difficulties go beyond a single teacher.
- Stimulate career awareness and provide career information.
- Offer parents/guardians and students informational brochures, support materials, and referrals to resources within the community.
- Assist with developing and maintaining positive peer relationships.
- The counselor will provide the following services as appropriate:
 - Assistance in decision-making.
 - Assistance in functioning productively within the school and the family.
 - Assistance in clarifying personal goals.
 - Assistance in making appropriate behavioral changes.

Grade Point Average

Grade point averages (“GPAs”) are determined by dividing the number of quality points achieved by the number of credits received. GPAs are determined on a semester-basis only. The cumulative (composite) GPA is determined using the semester averages beginning with the first semester of freshman year.

Letter Grade	Percentile	Standard GPA	Honors GPA	AP GPA
A+	97-100	4	4.5	5
A	93-96	4	4.5	5
A-	90-92	3.7	4.2	4.7
B+	87-89	3.3	3.8	4.3
B	83-86	3	3.5	4
B-	80-82	2.7	3.2	3.7
C+	77-79	2.3	2.8	3.3
C	73-76	2	2.5	3
C-	70-72	1.7	2.2	2.7
D+	67-69	1.3	1.8	2.3
D	63-66	1	1.5	2
D-	60-62	0.7	1.3	1.7
F	Below 59	0	0	0

Honor Roll

A basic goal for all Peak Prep students is high academic achievement. It is our policy to recognize such effort. A “B” average must be maintained to be eligible for the Honor Roll. Any student receiving a “D” or “F” irrespective of other grades is not eligible. Honor Rolls are posted at the end of the semester.

Course Failure and Repeat Credit

For students wishing to attend a University of California (“UC”) or California State School, a grade of “C” or better is required to meet a subject requirement. D and F grades are not acceptable and must be cleared by repeating a class, completing advanced work in the same subject area of sequential knowledge (math or language other than English) or attaining certain minimum scores on SAT, AP or IB examinations. Students are permitted to retake failed classes, or courses that they have earned a “D” letter grade in with approval from the academic counselor or Executive Director. There is no limit to the number of courses that may be retaken. Courses required for graduation **MUST** be retaken and passed.

Reporting Repeated Courses on Transcripts:

Both the original course grade, and the repeated course grade will remain on the transcript. The higher of the two grades will be used to compute the student’s GPA. Credit, however, will be given for the course only once. A repeated course will receive the credit recovery (“CR”) designation on the transcript.

Official Transcript Revisions policy

Once issued, transcripts cannot be revised unless evidence is provided to indicate that the transcript is materially inaccurate. A student with such evidence can petition for a transcript revision. The teacher of the course and school registrar will then review the transcript to determine its accuracy, consulting with the school Director of Operations or Executive Director where necessary. The registrar will be responsible for issuing a revised transcript where it is deemed appropriate.

Graduation Requirements

Please reach out to your student's assigned High School Counselor to ensure your student is on track to meeting the school's graduation requirements. Students can request a Grad Plan at any time.

Recognition Programs

Honor Roll

The Honor Roll Program recognizes students who are achieving academic excellence and improvement with positive, tangible incentives. Honor Roll encourages all students, teachers, support staff, parents, businesses and the community to work together to hold the pursuit of academic excellence as a priority. We encourage all students to work hard so that they can participate in the program, feel pride and satisfaction in their accomplishments, and achieve their goals. It is a school-wide concept and an attitude.

The Honor Roll Program recognizes student achievement on a semester basis. Students can qualify in one of three categories:

Executive Director's Scholar Honor Roll	4.0 Grade Point Average (GPA)
Executive Director's Honor Roll	3.5 – 3.99 GPA
Honor Roll	3.0 – 3.49 GPA

Student of the Month

The Student of the Month program recognizes students (grades TK-12) for outstanding academic achievement, exemplary effort, excellent citizenship, and adherence to the monthly citizenship trait. At a monthly luncheon, parents/guardians are invited to help honored students and celebrate their success.

Perfect Attendance

Students are recognized monthly, by semester, and yearly for perfect attendance. Perfect attendance means ZERO missed assignments. If a student has a prior missed assignment, they may still be recognized in upcoming months if they have perfect attendance during that current month. Semester and yearly recognition requires perfect attendance during these time periods.

National Honor Society

Students in grades 10–12 who meet the requirements for membership outlined by Peak Prep's chapter of the National Honor Society ("NHS") are eligible to be invited for membership. Each chapter is required to publish its qualifications for membership, which is based on the four pillars of NHS:

- **Scholarship**
Per national guidelines, at a minimum, students must have a cumulative GPA of 3.0 on a 4.0 scale, or equivalent standard of excellence.
- **Service**
This involves voluntary contributions made by a student to the school or community, done without compensation.
- **Leadership**
Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.
- **Character**
The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others; and generally maintains a clean disciplinary record.

Students who meet the scholarship requirement will have an opportunity to complete a form detailing their accomplishments in and commitment to service, leadership, and character.

Understanding the Obligations of Membership

Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. For example, there will be chapter meetings. The chapter bylaws should articulate the yearly meeting schedule and member attendance obligations. Members also must participate in chapter and individual service projects to benefit the school and community. Contact the chapter adviser to obtain a full list of the obligations of membership for the school's chapter.

APPENDICES

Appendix A - Annual Notice Guide

Availability of Prospectus

Upon request, the Charter School will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey (“CHKS”) to students at grades seven, nine, and eleven whose parent or guardian provides written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables the Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Cal Grant Program Notice

The Charter School is required by state law to submit the Grade Point Average (“GPA”) of all high school seniors by Oct. 1 of each year, unless the student (if the student is 18 years of age or older) or parent/guardian for those under 18 years of age opt-out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student (or parent/guardian, if the student is under 18 years of age) has opted out by or before February 1.

Cancer Prevention Act

Students in the state are advised to adhere to current immunization guidelines, as recommended by the Advisory Committee on Immunization Practices (ACIP) of the federal Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics, and the American Academy of Family Physicians, regarding full human papillomavirus (HPV) immunization before admission or advancement to the eighth grade level of any private or public elementary or secondary school.

Because the vaccine is more effective when given at younger ages, two doses of HPV vaccine are recommended for all kids between the ages of 9 to 12 years, and the second dose should be given before the start of 8th grade. Kids who wait until later to get their first dose of HPV vaccine may need three doses.

HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks.

Dangers of Synthetic Drugs

The illicit use and abuse of synthetic drugs represents an emerging and ongoing public health threat in California. The fentanyl crisis specifically, has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.

This notice aims to address the crisis with a preventative approach ensuring students and families are educated on the deadly consequences of recreational drug use.

A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created in order to evade existing restrictions against illegal substances.

Synthetic drugs include but are not limited to synthetic cannabinoids ("synthetic marijuana," "Spice," "K2"), methamphetamines, bath salts, and fentanyl. The California Department of Public Health ("CDPH") has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing, because fentanyl cannot be seen, smelled, or tasted when used as a lacing

agent. Social media platforms may be used as a way to market and sell synthetic drugs, such as fentanyl.

Additional information regarding fentanyl from the CDPH's Substance and Addiction Prevention Branch [can be found here](#).

- *"Newcomer pupil"* is a person aged 3 to 21 years, who was not born in any of the 50 United States, the District of Columbia, or the Commonwealth of Puerto Rico, and has not been attending one or more schools in any one or more of the 50 United States, the District of Columbia, or the Commonwealth of Puerto Rico, for more than three (3) full academic years. This also includes a "pupil participating in a newcomer program," as defined in Education Code section 51225.2, as that section read on January 1, 2023, who was enrolled in the Charter School before January 1, 2024. The Charter School may, in its discretion, also extend the rights in Education Code sections 51225.1 and 51225.2 to a "pupil participating in a newcomer program," as defined in Education Code section 51225.2, as that section read on January 1, 2023.

For a foster youth who is an individual with exceptional needs as defined in Education Code section 56026, "school" as used in the definition of "school of origin" includes a placement in a nonpublic, nonsectarian school as defined in Education Code section 56034, subject to the requirements of Education Code section 56325.
- *"Best interests"* means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all Charter School students.

Within this notice, foster youth, former juvenile court school students, a child of a military

family, a currently migratory child, and a newcomer pupil will be collectively referred to as “Foster and Mobile Youth.” Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a “parent/guardian” or “ERH.”

Foster and Mobile Youth Liaison: The Executive Director or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Tanya Audish, Counselor

Address: 2150 Pickwick Drive #304 Camarillo, CA 93010

E-mail: Tanya.Audish@peak-prep.org

The Foster and Mobile Youth Liaison’s responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent/guardian to ensure that each student is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth’s education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student’s school of origin (subject to the Charter School’s capacity and pursuant to the procedures stated in the Charter School’s charter and Board policy). If a dispute arises regarding a foster youth’s request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School’s capacity and pursuant to the procedures stated in the Charter School’s charter and Board policy) regardless of the student’s ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child’s status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

If the Charter School operates an intersession program, Charter School shall grant priority access to foster youths. Notwithstanding any other law, if the foster youth will be moving during an intersession period, the pupil's educational rights holder, or Indian custodian in the case of an Indian child, shall determine which school the pupil attends for the intersession period, if applicable. "Intersession program" means an expanded learning program offered by the Charter School on nonschooldays, including, but not limited to, summer school. "Indian custodian" is as the term is defined in Section 1903 of Title 25 of the United States Code.

High School Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and newcomer pupils who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer, the length of the student's school enrollment, or, for students with significant gaps in school attendance, the student's age as compared to the average age of students in the third or fourth year of high school, may be used, whichever will qualify the student for the exemption. For a newcomer pupil, enrollment in grade 11 or 12, based on the average age of students in the third or fourth year of high school, may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify and consult with students who are exempted from the Charter School's additional graduation requirements and the student's ERH. The consultation shall include all of the following:

1. Discussion regarding how any of the requirements that are waived may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to a postsecondary educational institution.

2. Discussion and information about other options available to the pupil, including, but not limited to, a fifth year of high school, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
3. Consideration of the pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption.

If a Foster and Mobile Youth who was eligible for an exemption and 1) was not properly notified of the availability of the exemption, or 2) previously declined the exemption pursuant to this Policy, the Charter School shall exempt the student within thirty (30) days of the exemption request, if an exemption is requested by the student or the student's ERH and the student at one time qualified for the exemption, even if the student is no longer a Foster and Mobile Youth or the court's jurisdiction of the pupil has terminated.

An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of Foster and Mobile Youth.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's additional graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Consult with the student and the student's ERH regarding the student's option to remain at the Charter School for a fifth year to complete the Charter

School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School students over age 19.

2. Consult with the student, and the ERH for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Consult with and provide information to the student and the student's ERH about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the student's ERH.
5. For a student identified as a foster youth, consult with the student, and the student's ERH, regarding the student's option to remain in the school of origin.

Through January 1, 2028, upon making a finding that a Foster and Mobile Youth **is not reasonably able to complete the Charter School's additional graduation requirements but is reasonably able to complete state coursework requirements specified in Education Code Section 51225.3** within the student's fifth year of high school, the Executive Director or designee shall exempt the pupil from Charter School's graduation requirements and provide pupil the option of remaining in school for a fifth (5th) year to complete the statewide coursework requirements. Charter School shall consult with the Foster and Mobile Youth and their ERH regarding all of the following:

1. The pupil's option to remain in school for a fifth year to complete the statewide coursework requirements.
2. How waiving the local educational requirements and remaining in school for a fifth year may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to an institution of higher education.
3. Whether any other options are available to the pupil, including, but not limited to, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
4. The pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption and option to remain in school for a fifth year to complete the statewide coursework requirements.

If a Foster and Mobile Youth is not eligible for an exemption in the year in which the pupil transfers between schools, or for a newcomer pupil, is not eligible for an exemption in the student's third year of high school, because Charter School makes a finding that the pupil is reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, then Charter School shall do the following:

- 1) Within the first 30 calendar days of the **following** academic year, Charter School shall reevaluate eligibility;
- 2) Provide written notice to the pupil, the pupil's ERH, and the pupil's social worker or probation officer, if applicable, whether the pupil qualifies for an exemption upon reevaluation, based on the course completion status of the pupil at the time of reevaluation, to determine if the pupil continues to be reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.
- 3) If, given their course completion status at that time the reevaluation is conducted, the pupil is not reasonably able to complete Charter School additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, the Charter School shall provide written notice to the pupil and the pupil's ERH of the pupil's options to:
 - i. Receive an exemption from all coursework and other requirements adopted by the governing board body of Charter School that are in addition to the statewide coursework requirements specified in Section 51225.3, **or**
 - ii. Upon agreement with the pupil's ERH, stay in school for a fifth year to complete the Charter School's additional graduation requirements.

The pupil (if not a minor) or the pupil's ERH shall have sole discretion whether to accept the exemption, based on the pupil's best educational interests.

Reporting Requirements: Charter School shall report to the California Department of Education ("CDE") annually on the number of pupils who, for the prior school year, graduated with an exemption from the Charter School's graduation requirements that are in addition to the statewide coursework requirements. This data shall be reported for pupils graduating in the fourth year and fifth year cohorts, and shall be disaggregated by cohort, pupil category, race, and disability status. The CDE shall make this data publicly available on an annual basis aligned with other reporting timelines for the California dashboard graduation data. For purposes of this notice, "pupil category" means the categories of pupils identified in the "Definitions" section of this Policy, above.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in

consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational recordkeeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster youth pending a recommendation for expulsion, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements

outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request and on the school website.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School's complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available on the school website: <https://peak-prep.org/board-meetings-policies/>

Housing Questionnaire: Charter School shall administer a housing questionnaire for purposes of identifying homeless children and youth. Charter School shall ensure that the housing questionnaire is based on the best practices developed by the CDE. Charter School shall annually provide the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at Charter School. The housing questionnaire shall include an explanation of the rights and protections a student has as a homeless child or youth or as an unaccompanied youth. The housing questionnaire shall be available in paper form. The housing questionnaire shall be available in English, and if fifteen (15) percent or more of the students enrolled at Charter School speak a single primary language other than English, it shall also be written in the primary language. The questionnaire shall be translated into other languages upon request of a student's parent/guardian or an unaccompanied youth. Charter School shall collect the completed housing questionnaires and annually report to the CDE the number of homeless children and youths and unaccompanied youths enrolled. (Education Code Section 48851.)

School Stability: The Charter School will work with homeless students and their parent/guardian to ensure that each student is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not necessarily limited to, interscholastic sports. All decisions regarding a homeless student's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Homeless students have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a homeless student seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). The Charter School will also immediately enroll any homeless student seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Homeless students have the right to remain in their school of origin following the termination of the child's status as a homeless student as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

If the Charter School operates an intersession program, Charter School shall grant priority access to homeless students. Notwithstanding any other law, if the homeless student will

be moving during an intersession period, the pupil's parent, guardian, educational rights holder, Indian custodian² in the case of an Indian child, or, if none of the preceding are applicable, an accompanied homeless student themselves shall determine which school the pupil attends for the intersession period, if applicable. "Intersession program" means an expanded learning program offered by the Charter School on nonschooldays, including, but not limited to, summer school. "Indian custodian" is as the term is defined in Section 1903 of Title 25 of the United States Code.

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer, the length of the student's school enrollment, or, for pupils with significant gaps in school attendance, the pupil's age as compared to the average age of pupils in the third or fourth year of high school may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder ("ERH"), and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify and consult with students who are exempted from the Charter School's additional graduation requirements and the student's ERH. The consultation shall include all of the following:

1. Discussion regarding how any of the requirements that are waived may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to a postsecondary educational institution.
2. Discussion and information about other options available to the pupil, including, but not limited to, a fifth year of high school, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
3. Consideration of the pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the

² "Indian custodian" means any Indian person who has legal custody of an Indian child under tribal law or custom or under State law or to whom temporary physical care, custody, and control has been transferred by the parent of such child. *Section 1903 of Title 25 of the United States Code.*

ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption.

If a homeless student who was eligible for an exemption and 1) was not properly notified of the availability of the exemption, or 2) previously declined the exemption pursuant to this Policy, the Charter School shall exempt the student within thirty (30) days of the exemption request, if an exemption is requested by the student or the student's ERH and the student at one time qualified for the exemption, even if the student is no longer homeless.

An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's additional graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Consult with the student and the student's ERH regarding the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School students over age 19.
2. Consult with the student, and the ERH for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.

3. Consult with and provide information to the student and the student's ERH about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the student's ERH.
5. Consult with the student, and the student's ERH, regarding the student's option to remain in the school of origin.

Through January 1, 2028, upon making a finding that a homeless student is not reasonably able to complete the Charter School's additional graduation requirements but is reasonably able to complete state coursework requirements specified in Education Code Section 51225.3 within the student's fifth year of high school, the Executive Director or designee shall exempt the pupil from Charter School's graduation requirements and provide pupil the option of remaining in school for a fifth (5th) year to complete the statewide coursework requirements. Charter School shall consult with the homeless student and the student's ERH regarding all of the following:

1. The pupil's option to remain in school for a fifth year to complete the statewide coursework requirements.
2. How waiving the local educational requirements and remaining in school for a fifth year may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to a institution of higher education.
3. Whether any other options are available to the pupil, including, but not limited to, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
4. The pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption and option to remain in school for a fifth year to complete the statewide coursework requirements.

If a homeless student is not eligible for an exemption in the year in which the pupil transfers between schools, because Charter School makes a finding that the pupil is reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, then Charter School shall do the following:

1. Within the first 30 calendar days of the *following* academic year, Charter School shall reevaluate eligibility;

2. Provide written notice to the pupil, the ERH, and the pupil's social worker or probation officer, if applicable, whether the pupil qualifies for an exemption upon reevaluation, based on the course completion status of the pupil at the time of reevaluation, to determine if the pupil continues to be reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.
3. If, given their course completion status at that time the reevaluation is conducted, the pupil is not reasonably able to complete Charter School additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, the Charter School shall provide written notice to the pupil and the ERH of the pupil's options to:
 - i. Receive an exemption from all coursework and other requirements adopted by the governing board body of Charter School that are in addition to the statewide coursework requirements specified in Section 51225.3, or
 - ii. Upon agreement with the ERH, stay in school for a fifth year to complete the Charter School's additional graduation requirements.

The pupil (if not a minor) or the ERH shall have sole discretion whether to accept the exemption, based on the pupil's best educational interests.

Reporting Requirements: Charter School shall report to the California Department of Education ("CDE") annually on the number of pupils who, for the prior school year, graduated with an exemption from the Charter School's graduation requirements that are in addition to the statewide coursework requirements. This data shall be reported for pupils graduating in the fourth year and fifth year cohorts, and shall be disaggregated by cohort, pupil category, race, and disability status. The CDE shall make this data publicly available on an annual basis aligned with other reporting timelines for the California dashboard graduation data.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from

taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

Availability of Complete Policy: For any homeless student who enrolls at the Charter School, a copy of the Charter School's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available on the school website: <https://peak-prep.org/board-meetings-policies/>

English Learners

The Charter School is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. The Charter School will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. The Charter School will implement policies to assure proper placement, evaluation, and communication regarding English Learners and the rights of students and parents.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. The Charter School believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, the Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available from our teacher, Amy.Altman@peak-prep.org for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Additionally, the Charter School shall identify and implement the most appropriate methods of informing parents and guardians of students in grades 6 through 12 of

human trafficking prevention resources. Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

Immigration Enforcement Actions Guide for Students and Families Know Your Rights

Your Child Has the Right to a Free Public Education. **All children have a right to equal access to free public education, regardless of their or their parents'/ guardians' immigration status.** All children in California:

- Have the right to a free public education.
- Must be enrolled in school if they are between 6 and 18 years old, unless otherwise exempt.
- Have the right to attend safe, secure, and peaceful schools.
- Have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
- Have equal opportunity to participate in any program or activity offered by the school without discrimination.

Information Required for School Enrollment

Schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency and schools are not required to keep a copy of the document used as proof of a child's age. Information about citizenship/immigration status is never needed for school enrollment. A Social Security number is never needed for school enrollment.

Confidentiality of Personal Information

Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena. Some schools collect and provide publicly basic student "directory information." If so, the school district must provide parents/guardians with written notice of the directory information policy, and provide the option to refuse release of your child's information.

Family Safety Plans if you are Detained or Deported

You can update your child's emergency contact information, including secondary contacts, to identify a trusted adult guardian who can care for your child if you are detained or deported.

You can complete a Caregiver's Authorization Affidavit or consult with legal counsel regarding options like a Petition for Appointment of Guardian to give a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if they are discriminated against, harassed, intimidated, or bullied because of their actual or perceived nationality, ethnicity, or immigration status.

Checklist for Immigrant Students Attending Public Schools and Their Families

You do not have to share the following information with school officials:

- You do not have to share information, including passports or visas, regarding the immigration status of students, parents, guardians, or other family members.
- You do not have to provide Social Security numbers (SSN) or cards.
- When completing the "Free and Reduced-Price Meals" form, only provide the last four digits of the SSN of the adult household member who signs the application.
- If the family meets the income eligibility requirements and no adult household member has an SSN, your child still qualifies. Check the "No SSN" box on forms where applicable, to ensure that applications are complete.
- If any household member participates in CalFresh, CalWORKs (California Work Opportunity and Responsibility for Kids), or FDPIR (Food Distribution Program on Indian Reservations), no adult household member needs to provide the last four digits of their SSN to qualify the student for free or reduced-price meals at school.
- When providing information for proof of a student's residency or age, you do not have to use documents that could reveal information related to immigration status.

Take steps to protect student information:

- Ask for the school's written privacy policies regarding student information.
- Review the school's policy for "directory information"—which allows for public release of basic student information—and consider whether to opt out of releasing of that information.

Take steps to prepare for situations where one or more parents or guardians are detained or deported:

- Develop and keep in a safe place a "Family Safety Plan" (example: Step-by-Step Family Preparedness Plan / Plan de Preparación Familiar: (Guía Completa) | Immigrant Legal Resource Center | ILRC) that includes the following information:
 - Name of a trusted adult to care for your child if no parent or guardian can.
 - Emergency phone numbers and instructions on where to find important documents (birth certificates, passports, Social Security cards, doctor contact information, etc.).
 - Make sure that your child's school always has current emergency contact

information, including alternative contacts if no parent or guardian is available.

- Discuss with family members whether to complete a “caregiver authorization affidavit” to authorize a relative to enroll a minor student and consent to school-related medical care on behalf of the minor. Note that under a new law effective January 1, 2026, a relative is an adult related to the child by blood, adoption, or affinity within the fifth degree of kinship, including all stepparents, stepsiblings, and all relatives whose status is preceded by the words “great,” “great-great,” or “grand,” or the spouses of any of these persons.

Immunization

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students. Verification of immunizations will be completed with written medical records from the child’s doctor or immunization clinic. To ensure a safe learning environment for all students, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from classroom-based instruction until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

These required immunizations for classroom-based instruction include:

Child's Grade	List of shots required to attend school
TK/K-12 Admission	Diphtheria, Tetanus and Pertussis (DTaP) - Five (5) doses Polio - Four (4) doses Measles, Mumps, and Rubella (MMR) - Two (2) doses Hepatitis B (Hep B) - Three (3) doses Varicella (chickenpox) – Two (2) doses NOTE: Four doses of DTaP are allowed if one was given on or after the fourth birthday. Three doses of DTaP meet the requirement if at least one dose of Tdap, DTaP, or DTP vaccine was given on or after the seventh birthday (also meets the 7th-12th grade Tdap requirement.) One or two doses of Td vaccine given on or after the seventh birthday count towards the requirement for DTaP. Three doses of Polio are allowed if one was given on or after fourth birthday. MMR doses must be given on or after first birthday. Two doses of measles, two doses of mumps, and one dose of rubella vaccine meet the requirement, separately or combined. Combination vaccines (e.g., MMRV) meet the requirements for individual component vaccines.
Entering 7th Grade	Tetanus, reduced Diphtheria, and acellular Pertussis (Tdap) - One (1) dose NOTE: In order to begin 7th grade, students who had a valid personal belief exemption on file with a public or private elementary or secondary school in California before January 1, 2016, must meet the requirements for grades K-12 as well as requirements for 7th grade advancement. At least one dose of pertussis-containing vaccine is required on or after the 7th birthday.

Students are not required to have immunizations for entry if they attend an independent study program and do not receive classroom-based instruction.

Information Regarding Financial Aid

The Charter School shall ensure that each of its students receives information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application, as appropriate, at least once before the student enters 12th grade. The Charter School will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at:
 - <https://studentaid.gov/h/apply-for-aid/fafsa>
- The California Dream Act Application and information regarding the California Dream Act is available at:
 - <https://www.csac.ca.gov/post/resources-california-dream-act-application>

The Charter School shall confirm that each of its students in grade 12 completes and submits a FAFSA to the United States Department of Education, or if the student is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, a California Dream Act Application to the Student Aid Commission. Students who are exempt or whose parent/guardian (if the student is a minor) have opted-out will not be required to comply.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action (“Involuntary Removal Notice”). The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student’s basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School’s expulsion procedures. If the student’s parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School’s suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder and shall include a

copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If the parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known school district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

Lost or Damaged School Property

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, the Charter School may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades and diploma will be released.

Mental Health Services

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. Due to being fully virtual, the following resources are available to your child:

Available virtually:

- School-based counseling services – your child is encouraged to directly contact a

Charter School counselor by coming into the counseling office during school hours and making an appointment to speak with a counselor. Counseling services, whether provided by our Charter School or by an outside provider listed herein, are voluntary.

- Special education services – if you believe your child may have a disability, you are encouraged to directly contact our Lead Education Specialist Kyle McKoy at Kyle.McKoy@peak-prep.org to request an evaluation.

The Charter School also prohibits unlawful discrimination and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by applicable federal, state, local law, ordinance or regulation. This applies to all employees, students, and volunteers, regardless of position or gender. The Charter School will promptly and thoroughly investigate any complaint of unlawful discrimination or harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding unlawful discrimination or harassment as described in this statement, should be directed to the Charter School Uniform Complaint Procedures (“UCP”) Compliance Officer. The Charter School prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

The Charter School Board of Directors shall not refuse to approve the use or prohibit the use of any textbook, instructional material, supplemental instructional material, or other curriculum (“instructional material”) for classroom instruction or any book or other resource in a school library on the basis that it includes a study of the role and contributions of Native Americans, African Americans, Latino Americans, Asian Americans, Pacific Islanders, European Americans, LGBTQ+ Americans, persons with disabilities, or members of other ethnic, cultural, religious, or socioeconomic status groups. Complaints alleging violations of Education Code section 244 may be filed with the

Charter School in accordance with its UCP, or may be filed with the State Superintendent of Public Instruction (“SSPI”) directly. The complaint must identify the basis for filing the complaint directly with the SSPI. The complainant shall present the SSPI with evidence that supports the basis for the direct filing and why immediate action is necessary. In responding to such a complaint, the SSPI may directly intervene without waiting for an investigation by the Charter School.

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. The Charter School shall not encourage a student currently attending the Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School’s charter and relevant policies.

The Charter School does not request nor require student records prior to a student’s enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

Pursuant to California law and the California Attorney General’s guidance to K-12 schools in responding to immigration issues (“Guidance”), the Charter School provides equal access to free public education, regardless of a student’s or their parent’s or guardian’s immigration status or religious beliefs. The complete Guidance, including *Appendix G – Know Your Rights* can be reviewed via the following link:
<https://oag.ca.gov/sites/all/files/agweb/pdfs/bcj/school-guidance-model-k12.pdf>

The lack of English language skills will not be a barrier to admission or participation in the Charter School’s programs or activities.

Oral Health Assessment

Students enrolled in transitional kindergarten or kindergarten in a public school or while enrolled in first grade if the student was not previously enrolled in kindergarten in a public school are required to present proof of having received an oral health assessment completed by a dental professional that was performed within 12 months before the student’s initial enrollment in a public school. Please contact the main office if you have questions about this requirement.

Parent and Family Engagement Policy

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners

with schools to ensure student success. A copy of the Charter School's complete Policy is available on the website: <https://peak-prep.org/board-meetings-policies/>

Physical Examinations and Right to Refuse

A parent/guardian having control or charge of any child enrolled in the Charter School may file annually with the Executive Director a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the student to be able to complete any graduation requirements, unless the Charter School determines that the student is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the student's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures (“UCP”) of the Charter School. A copy of the UCP is available upon request at Sabrina.Ciolino@peak-prep.org and on the school website. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Executive Director.

Safe Storage of Firearms

The purpose of this notice is to inform and to remind parents and legal guardians of all students at the Charter School of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this notice spells out California law regarding the storage of firearms. Please take some time to review this notice and evaluate your own personal practices to assure that you and your family are in compliance with California law:

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child’s parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.
 - The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child’s parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.
- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person’s child or ward.

The county or city may have additional restrictions regarding the safe storage of firearms. Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request from the Executive Director and on the school website.

Section 504

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the Charter School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the Charter School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Executive Director. A copy of the Charter School's Section 504 policies and procedures is available upon request with our Director of Operations, Sabrina.Ciolino@peak-prep.org and on the school website: <https://peak-prep.org/board-meetings-policies/>.

Sexual Health Education

The Charter School offers comprehensive sexual health education to its students in grades 7-12. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt-out") process. The Charter School does not require active parental consent ("opt-in") for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS

prevention education, be informed of:

- The date of the instruction
- The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 7-12. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if the Charter School has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Special Education /Students with Disabilities

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The Charter School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act ("IDEA"), Education Code requirements, and applicable policies and procedures of the Ventura County SELPA. These services are available for special education students enrolled at the Charter School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The Charter School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, the Charter School is responsible for identifying, locating, and evaluating children enrolled at the Charter School with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services,

please contact our lead Education Specialist: Kyle.McKoy@peak-prep.org.

State Testing

The Charter School shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress [“CAASPP”].) Notwithstanding any other provision of law, a parent’s or guardian’s written request to Charter School officials to excuse their child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to information on the level of achievement of their student on every state academic assessment administered to the student.

Student Records, including Records Challenges, Directory Information, and CCGI Notice

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Executive Director or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School’s Executive Director or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information (“PII”) from the student’s education records,

except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School's Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration- enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the

parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or nonrelated extended

family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or

12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. The Charter School may disclose the personally identifiable information that it has designated as directory information without a parent's or eligible student's prior written consent. Only complaints regarding student fees, LCAP, or noncompliance with Education Code section 243 or 244 may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with the respective applicable laws.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School's Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of the Charter School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.

3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If the Charter School fails to issue an investigation report within the required sixty (60) calendar day timeline, a party to a written complaint of prohibited discrimination may appeal directly to the SSPI. The complaint must provide evidence supporting the basis for direct filing and explain why immediate action is necessary.

Complaints alleging noncompliance with Education Code section 243 or 244 may be filed with the SSPI directly, and the SSPI may directly intervene without waiting for an investigation by the Charter School. The complainant shall present the SSPI with evidence that supports the basis for the direct filing and why immediate action is necessary.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or

public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. Complainants alleging a violation of Education Code section 220, 243, 244, 51500, 51501 or 60044 must wait sixty (60) calendar days from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 CCR § 4622.

A copy of the UCP is available on the school website <https://peak-prep.org/board-meetings-policies/>. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director.

School Meals and Student Wellness

Pursuant to California law, the Charter School shall make available a nutritionally adequate breakfast and a nutritionally adequate lunch free of charge and with adequate time to eat, during each schoolday on which the student is scheduled for two (2) or more hours of educational activities at a school site, resource center, meeting space or other satellite facility operated by the Charter School, to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one (1) free breakfast meal and one (1) free lunch meal during each schoolday. This shall apply to all students in kindergarten through grade twelve (12).

Applications for school meals are included in the first day packets to all families and can also be obtained on the Charter School website and upon request to the Executive Director or designee. All families are encouraged to complete the application form. Completed application forms can be done on our parent portal or in the enrollment process. Income eligibility guidelines for federally funded free and reduced-price meals are available at: <https://www.cde.ca.gov/ls/nu/rs/>

Based on a parent/guardian's annual earnings, a parent/guardian may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you a parent/guardian does not owe federal taxes, they must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website

at www.irs.gov.

A parent/guardian may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at www.ftb.ca.gov.

Charter School shall allow students, teachers, and staff to bring and carry water bottles. Water bottles may be excluded from libraries, computer labs, science labs, and other places where it is deemed dangerous to have drinking water. Charter School may develop additional policies regarding the types of water bottles that may be carried.

Charter School adheres to all applicable requirements regarding placement and maintenance of water bottle refilling stations on campus.

Charter school shall encourage water consumption through promotional and educational activities and signage that focus on the benefits of drinking water and highlight any water bottle filling stations that are located on campus.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, Charter School is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Title IX Policy Prohibiting Discrimination on the Basis of Sex

This Title IX Policy Prohibiting Discrimination on the Basis of Sex ("Policy") contains the policies and grievance procedures of Peak Prep Pleasant Valley ("Charter School") to address sex discrimination, including but not limited to sexual harassment, occurring within Charter School's education program or activity.

Charter School does not discriminate on the basis of sex and prohibits any acts of sex discrimination in any education program or activity that it operates, as required by California law, Title IX (20 U.S.C. § 1681 *et seq.*) and the Title IX regulations (34 C.F.R. Part

106), including in admission and employment.⁵

This Policy applies to conduct occurring in Charter School's education programs or activities including but not limited to incidents occurring on the school campus, during school-sponsored events and activities regardless of the location, and through school-owned technology, whether perpetrated by a student, parent/guardian, employee, volunteer, independent contractor or other person with whom Charter School does business.

Inquiries about the application of Title IX and 34 C.F.R. Part 106 (hereinafter collectively referred to as "Title IX") may be referred to the Charter School Title IX Coordinator, the Assistant Secretary for Civil Rights of the U.S. Department of Education, or both.

Definitions

Prohibited Sex Discrimination

Title IX and California law prohibit discrimination on the basis of sex, including sex-based harassment and differences in the treatment of similarly situated individuals on the basis of sex with regard to any aspect of services, benefits, or opportunities provided by Charter School.

Prohibited Sexual Harassment

Under Title IX, "sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

- An employee of Charter School conditioning the provision of an aid, benefit, or service of Charter School on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to Charter School's education program or activity; or
- "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

Under California Education Code section 212.5, sexual harassment consists of conduct on the basis of sex, including but not limited to unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct on the basis of sex, regardless of whether or not the conduct is motivated by sexual desire, when: (a) submission to the conduct is explicitly or implicitly made a term or a condition of an individual's

⁵ Charter School complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports and complaints of misconduct prohibited by this Policy.

employment, education, academic status, or progress; (b) submission to, or rejection of, the conduct by the individual is used as the basis of employment, educational or academic decisions affecting the individual; (c) the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and/or (d) submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through Charter School.

Examples of conduct that may fall within the Title IX or the Education Code definition of sexual harassment, or both:

- Physical assaults of a sexual or sex-based nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults.
 - Intentional physical conduct that is sex-based or sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, poking another's body, violence, intentionally blocking normal movement or interfering with work or school because of sex.
- Unwanted sexual advances or propositions, derogatory sex-based comments, or other sex-based conduct, such as:
 - Sexually oriented or sex-based gestures, notices, epithets, slurs, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an individual for submitting to sexual conduct, including soliciting or attempting to solicit any individual to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting a student or employee to unwelcome sexual attention or conduct or intentionally making the student's or employee's performance more difficult because of the student's or the employee's sex.
 - Retaliation against an individual who has articulated a good faith concern about sex-based harassment.
- Sexual or discriminatory displays or publications anywhere in the work or educational environment, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing or possessing any such material to read, display or view in the work or educational environment.
 - Reading publicly or otherwise publicizing in the work or educational environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic.
 - Displaying signs or other materials purporting to segregate an individual by

sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations above are not to be construed as an all-inclusive list of sex-based harassment acts prohibited under this Policy.

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Formal Complaint of Sexual Harassment means a written document filed and signed by a complainant who is participating in or attempting to participate in Charter School's education program or activity or signed by the Coordinator alleging sexual harassment against a respondent and requesting that Charter School investigate the allegation of sexual harassment. At the time of filing a formal complaint of sexual harassment, the complainant must be participating in or attempting to participate in Charter School's education program or activity.

Party means a complainant or respondent.

Respondent means a person who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Supportive Measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a party before or after the filing of a formal complaint of sexual harassment or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to Charter School's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or Charter School's educational environment, or deter sexual harassment.

Title IX Coordinator

The Board of Directors of Charter School ("Board") has designated the following employee as the Title IX Coordinator ("Coordinator"):

Sabrina Ciolino, Director of Operations
Peak Prep Pleasant Valley Charter School
2150 Pickwick Drive, #304, Camarillo, CA 93010
Sabrina.Ciolino@peak-prep.org

The Coordinator is responsible for coordinating Charter School's efforts to comply with the requirements of Title IX, receiving reports and complaints of sex discrimination, formal complaints of sexual harassment, and inquiries about the application of Title IX to Charter School, coordinating the effective implementation of supportive measures, and taking other actions as required by this Policy. The Coordinator or designee may serve as

the investigator for formal complaints of sexual harassment.

Reporting Sex Discrimination

All employees must promptly notify the Coordinator when the employee has knowledge of or notice of allegations of sex discrimination or sexual harassment occurring within Charter School's education program or activity.

Students are expected to report all incidents of misconduct prohibited by this Policy. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Executive Director, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Charter School will promptly and effectively investigate and respond to all oral and written complaints and reports of misconduct prohibited by this Policy. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Privacy

Charter School acknowledges and respects every individual's right to privacy. All reports and complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes but is not limited to keeping the identity of the reporter and other personally identifiable information confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or designee on a case-by-case basis.

Retaliation

Charter School prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual.

Response to Sexual Harassment

Charter School will respond promptly and in a manner that is not deliberately indifferent when it has actual knowledge, as defined in 34 C.F.R. § 106.30(a), of sexual harassment occurring in its education program or activity against a person in the United States.

Charter School's response will treat complainants and respondents equitably by offering supportive measures to a complainant, and by following the grievance procedures for formal complaints of sexual harassment that are listed below before imposing any disciplinary sanctions or other actions that are not supportive measures on a respondent for sexual harassment under Title IX.

Supportive Measures

Once notified of sexual harassment or allegations of sexual harassment occurring in Charter School's education program or activity against a person in the United States, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint of sexual harassment.

Supportive measures may include but are not limited to: counseling; extensions of deadlines or other course-related adjustments; modifications of work or class schedules; mutual restrictions on contact between the parties; changes in work or on-campus housing locations; leaves of absence; increased security and monitoring of certain areas of the campus; and other similar measures.

Supportive measures will not unreasonably burden either party or be imposed for punitive or disciplinary reasons. Charter School will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair Charter School's ability to provide the supportive measures. The Coordinator is responsible for coordinating the effective implementation of supportive measures.

Grievance Procedures

Scope and General Requirements

Charter School has adopted and published grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited under Title IX and a grievance process that complies with 34 C.F.R. § 106.45 for formal complaints of sexual harassment.

Complaints of misconduct prohibited by this Policy that do not constitute a formal complaint of sexual harassment will be addressed in accordance with Charter School's Uniform Complaint Procedures, its employment discrimination complaint procedures, or the grievance procedures set forth in its Harassment, Intimidation, Discrimination, and Bullying Policy, as applicable. The following grievance procedures will apply to formal complaints of sexual harassment.

Upon receipt of a formal complaint of sexual harassment, the Coordinator or designee will promptly initiate these grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties.

Charter School requires that any Title IX Coordinator, investigator, decisionmaker, and any person designated by Charter School to facilitate an informal resolution process not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Charter School will treat complainants and respondents equitably. Charter School presumes that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of its grievance procedures.

Charter School may consolidate formal complaints of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Charter School allows for the temporary delay of the grievance process or limited extension of timeframes on a case-by-case basis for good cause. Requests for extensions must be submitted to the Coordinator in writing at least one (1) business day before the expiration of the timeframe. If the grievance process is temporarily delayed or a timeframe is temporarily extended by Charter School, the Coordinator or designee will notify the parties of the reason for the delay or extension in writing.

Charter School will objectively evaluate all evidence that is relevant and not otherwise impermissible, including both inculpatory and exculpatory evidence.⁶ Credibility determinations will not be based on a person's status as a complainant, respondent, or witness.

Dismissal

Charter School must dismiss a formal complaint of sexual harassment for purposes of sexual harassment under Title IX if the conduct alleged:

- Would not constitute sexual harassment under Title IX even if proved;
- Did not occur in Charter School's education program or activity; or
- Did not occur against a person in the United States.

Charter School may dismiss a formal complaint of sexual harassment or any of the allegations therein if:

- The respondent is no longer enrolled or employed by Charter School;
- A complainant notifies the Coordinator in writing that the complainant would like to withdraw the complaint or any allegations therein; or

⁶ Inculpatory means tending to impute guilt or fault, and exculpatory means tending to absolve from guilt or fault.

- Specific circumstances prevent Charter School from gathering sufficient evidence to reach a determination as to the complaint or allegations therein.

Upon dismissal, the Coordinator or designee will promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties. Dismissal under Title IX does not preclude action under another applicable Charter School policy.

Notice of the Allegations

Upon receipt of a formal complaint of sexual harassment, the Coordinator or designee will provide written notice of the allegations to the parties whose identities are known. The notice will include:

- Charter School's grievance procedures and any informal resolution process;
- The allegations of sexual harassment including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details includes the identities of the parties involved in the incident(s), if known, the conduct allegedly constituting sexual harassment under Title IX, and the date(s) and location(s) of the alleged incident(s), if known;
- A statement that the respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility is made at the conclusion of the grievance process;
- A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
- A statement that Charter School prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

Emergency Removal

Charter School may place a non-student employee respondent on administrative leave during the pendency of the grievance procedures in accordance with Charter School's policies.

Charter School may remove a respondent from Charter School's education program or activity on an emergency basis, in accordance with Charter School's policies, provided that Charter School undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any person arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision must not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

Informal Resolution

At any time after a formal complaint of sexual harassment is filed and prior to determining whether sexual harassment occurred under Charter School's Title IX grievance procedures, Charter School may offer an informal resolution process to the

parties. Charter School will not offer or facilitate informal resolution to resolve allegations that an employee sexually harassed a student, or when such a process would conflict with Federal, State, or local law. Parties will not be required or pressured to agree to participate in the informal resolution process.

Before initiation of the informal resolution process, Charter School will obtain the parties' voluntary, written consent to participate in the informal resolution and provide the parties with a written notice that explains:

- The allegations;
- The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint of sexual harassment arising from the same allegations;
- The right to withdraw and initiate or resume the grievance procedures at any time prior to agreeing to a resolution; and
- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Investigation

In most cases, a thorough investigation will take no more than thirty (30) business days. Charter School has the burden to conduct an investigation that gathers sufficient evidence to determine whether sexual harassment occurred. The investigator will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance in accordance with Title IX.

The following types of evidence, and questions seeking that evidence, are impermissible (i.e., will not be used, accessed, considered, or disclosed), regardless of whether they are relevant:

- A party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless Charter School obtains that party's voluntary, written consent to do so for these grievance procedures; and
- Evidence about the complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview. The parties will not be prohibited from discussing the allegations under investigation or from gathering and presenting relevant evidence. A party whose participation is invited or expected at an

investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.

Before the investigator completes the investigative report, Charter School will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator to consider prior to completing the investigation report.

The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.

Determination of Responsibility

Before making a determination of responsibility, the decisionmaker must afford each party the opportunity to submit written, relevant questions that a party wants to ask of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decisionmaker must explain to the party proposing the questions any decision to exclude a question as not relevant.

Determinations will be based on an objective evaluation of all relevant and not otherwise impermissible evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

Within fifteen (15) business days after Charter School sends the investigation report to the parties, the decisionmaker, who will not be the same person as the Coordinator or investigator, will simultaneously send the parties a written determination of whether sexual harassment occurred. The written determination will include:

- The allegations of sexual harassment;
- A description of the procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- The findings of facts supporting the determination;
- The conclusions regarding the application of Charter School's code of conduct to the facts;
- The decision and rationale for each allegation;
- Any recommended disciplinary sanctions for the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
- The procedures and permissible bases for appeals.

The determination regarding responsibility becomes final either on the date that Charter School provides the parties with the written appeal decision, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Appeals

Either party may, within five (5) business days of their receipt of Charter School's written determination of responsibility or dismissal of a formal complaint of sexual harassment, submit a written appeal to the Chair of the Charter School Board, who will serve as the decisionmaker for the appeal or designate a decisionmaker for the appeal.

The complainant and respondent may only appeal from a determination regarding responsibility or Charter School's dismissal of a formal complaint of sexual harassment or any allegations therein, on one or more of the following bases:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; or
- The Coordinator, investigator(s), or decisionmaker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The decisionmaker for the appeal will not be the same person as the Coordinator, the investigator or the initial decisionmaker.

The decisionmaker for the appeal will: 1) notify the other party of the appeal in writing; 2) implement appeal procedures equally for the parties; 3) allow the parties to submit a written statement in support of, or challenging, the outcome within five (5) business days of notice of the appeal; and 4) within fifteen (15) business days of the appeal, provide a written decision simultaneously to the parties describing the result of the appeal and the rationale for the result.

Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process, may be subject to disciplinary action up to and including expulsion from Charter School or termination of employment. If there is a determination that sexual harassment occurred, the Coordinator is responsible for effective implementation of any remedies ordered by Charter School.

Training

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All Title IX Coordinators, investigators, decisionmakers, and any person who facilitates a Title IX informal resolution process will receive Title IX training and/or instruction concerning sexual harassment as required by law.

Recordkeeping

Charter School will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant;
- Records of any appeal of a formal complaint or sexual harassment and the results of that appeal;
- Records of any informal resolution of a formal complaint or sexual harassment and the results of that informal resolution;
- All materials used to train Title IX Coordinators, investigators, decisionmakers, and any person who facilitates an informal resolution process; and
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

The above records will be maintained in a secure location until destroyed in accordance with applicable laws and regulations.

Professional Boundaries: Adult/Student Interaction Policy

PPPV recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible. PPPV is committed to preventing, identifying, and responding to any form of corporal punishment, sexual misconduct, abuse, or inappropriate boundary violation within its program.

This policy applies to all PPPV students, employees, contractors, volunteers, and members of the PPPV Board of Directors (collectively referred to as “PPPV personnel”) and addresses professional boundaries: 1) between students and school employees, adult volunteers, and PPPV contractors; 2) among and between students; and 3) among and between adults employed, volunteering, or under contract with PPPV. This policy applies to all PPPV personnel interactions, whether within or outside of school hours or through emails, text messages, social media, or other methods of communication.

All PPPV personnel shall maintain appropriate professional boundaries at all times during their interactions with other PPPV personnel. PPPV encourages non-sexual, positive relationships between PPPV personnel, and PPPV intends to prevent corporal punishment and relationships that may be viewed as or lead to inappropriate or sexual misconduct. This policy is not intended to interfere with familial relations between PPPV personnel who are related, age-appropriate, non-sexual relationships and interactions between minor students, or consensual relationships among adult PPPV employees, volunteers, and/or contractors that do not otherwise violate PPPV policy.

As a virtual school, PPPV does not have physical school facilities and students are under the direct supervision and control of their parent(s)/guardian(s) during school hours and school activities. However, PPPV shall effectively supervise a student while the student is under the direct supervision and control of an PPPV employee or volunteer and not under the direct supervision and control of the student’s parent/guardian, if ever.

PPPV will include this policy in its staff and family handbooks and on its website. PPPV will provide this policy to all students, parents/guardians, and employees at the beginning of each school year. All PPPV personnel are responsible for reading and complying with this policy.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a student from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a student to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Behavior

This policy is intended to guide all PPPV personnel in conducting themselves in a way that reflects PPPV's high standards of behavior and professionalism.

Although this policy gives specific, clear direction, all PPPV personnel must avoid situations that could lead parents/guardians, students, colleagues, or school leaders to suspect sexual misconduct. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family, friends, or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior between PPPV personnel. Trespassing the boundaries of a student/adult relationship is deemed an abuse of power and a betrayal of public trust and may lead to discipline up to and including dismissal from PPPV and/or permanent removal from contact with students.

Some activities may seem innocent from the perspective of adult PPPV personnel, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between PPPV personnel, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

PPPV personnel must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all PPPV personnel thoroughly learn and apply this policy to their daily activities.

The following are examples of acceptable, cautionary, and unacceptable behavior and is not meant to be an exhaustive list:

Unacceptable Behaviors (Violations of this Policy)

- (a) Giving a gift of a personal and intimate nature.
- (b) Kissing of any kind.

- (e) Making, listening to, or participating in comments, stories or jokes of a sexual nature. This does not include reports of child abuse made to adult PPPV personnel in accordance with PPPV policy.
- (f) Adult PPPV personnel seeking emotional involvement or attachment with a student beyond the normal standard of care of a school employee or becoming involved with a student such that it creates a reasonable suspicion of inappropriate conduct.
- (g) Adult PPPV personnel discussing inappropriate personal troubles or intimate issues with a student.
- (h) Adult PPPV personnel interacting with students on social media, including following or inviting students to be "friends."
- (i) Communicating with a student outside of school hours unless it relates directly to specific assignments or a school activity.
- (j) Communication with students via an employee's personal accounts such as email and/or social media.
- (k) Corporal punishment as defined in this policy.
- (l) Sexual harassment in violation of PPPV policy.

Unacceptable Behaviors without Parent/Guardian and Supervisor Permission

(These behaviors should only be exercised when a staff member has parent/guardian and supervisor permission.)

- (a) Adult PPPV personnel giving students a ride to/from school or school activities.
- (b) Adult PPPV personnel being alone in a room with a student at school with the door closed.
- (c) Adult PPPV personnel allowing students in their home.

Cautionary Behaviors

(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Adult PPPV personnel should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence)

- (a) Adult PPPV personnel remarking about the physical attributes or development of anyone.
- (b) Adult PPPV personnel paying excessive attention toward a particular student.
- (c) Adult PPPV personnel sending any type of digital communication or letter to a student if the content is not about school activities.

- (c) Emails, text messages, phone conversations, and instant messages to students must be very professional, pertaining to school activities or classes, and be through school technology and equipment. Keeping the door open when alone with a student.
- (d) Keeping reasonable space between you and PPPV personnel.
- (e) Stopping and correcting someone if they cross your own personal boundaries.
- (f) Adult PPPV personnel keeping parents informed when a significant issue develops about a student.
- (g) Adult PPPV personnel keeping after-class discussions with a student professional and brief.
- (h) Asking for advice from PPPV staff or administrators if you find yourself in a difficult situation related to boundaries.
- (i) Involving your supervisor if conflict arises.
- (j) Informing the Executive Director about situations that have the potential to become more severe.
- (k) Making detailed notes about an incident that could evolve into a more serious situation later.
- (l) Recognizing the responsibility to stop unacceptable behavior of PPPV personnel.
- (m) Adult PPPV personnel asking a PPPV employee to be present or within close supervisory distance if the adult will be alone with any student who may have severe social or emotional challenges (and the adult is not the assigned case educator).
- (n) Adult PPPV personnel asking an PPPV employee to be present or within close supervisory distance when you must be alone with a student after regular school hours.

Duty to Report Suspected Misconduct

When any PPPV personnel becomes aware or reasonably suspects or believes that any PPPV personnel may have crossed or attempted to cross the boundaries specified in this policy, they must immediately report the matter to a school administrator. Adult PPPV personnel who suspect or believe in their professional capacity or within the scope of their employment that a student has been the victim of child abuse or neglect must also immediately contact Child Protective Services (CPS) in accordance with the Child Abuse and Neglect Reporting Act (California Penal Code § 11164 et seq.) to report the suspected abuse or neglect. All reports shall be as confidential as possible under the circumstances. It is the duty of the Executive Director or designee to investigate and thoroughly report the situation in accordance with PPPV policies and applicable law. Employees must also report to the Executive Director or designee

any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Nothing in this policy limits or supersedes the independent obligations of mandated reporters under the Child Abuse and Neglect Reporting Act (California Penal Code § 11164 et seq.). Mandated reporters must report suspected child abuse or neglect directly to law enforcement or a child protective agency as required by law, regardless of whether an internal report has also been made.

Any individual found to have engaged in sexual misconduct, abuse, or boundary violations will be subject to disciplinary action and will be reported to law enforcement where appropriate.

Appendix D

Suicide Prevention Policy

The Board of Directors of Peak Prep Pleasant Valley Charter School (“Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with the Charter School and community stakeholders, Charter School school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and mental health professionals, the county mental health plan, first responders, law enforcement, and community organizations to identify additional resources to ensure this policy is aligned and includes similar research and resources, as well as to assist in planning, implementing, evaluating, and updating the Charter School’s strategies for suicide prevention and intervention. The Charter School shall work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources. To ensure the policies regarding suicide prevention are properly adopted, implemented, updated, and easily accessible to all, Charter School shall appoint an individual (or team) to serve as the suicide prevention point of contact for the Charter School. The suicide prevention point of contact for the Charter School and the Executive Director shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. this policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Suicide Prevention Crisis Team

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, the Charter School created an in-house Suicide Prevention Crisis Team (“SPCT”) consisting of administrators, mental health professionals, relevant staff, parents, and middle and high school students. The SPCT includes the following individuals:

1. [INSERT NAME, TITLE]
2. [INSERT NAME, TITLE]

Employee Qualifications and Scope of Services

Employees of Charter School shall act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, screen and assess and to provide ongoing supports to youth identified at risk, the care or treatment for suicidal ideation is typically beyond the scope of services offered in the school setting.

Suicide Awareness and Prevention Training for School Staff

Charter School, along with its partners, has carefully reviewed available staff training to ensure the curriculum is evidence-based, evidence-informed, aligned with best practices in suicide prevention, and promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training and professional development shall be provided for all school staff members (certificated and classified) and other adults on campus (including substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool program staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists, social workers, or nurses) who have received advanced training specific to suicide prevention. Charter School has collaborated with [Insert Names of One Or More County and/or Community Mental Health Agencies] to review the training materials and content to ensure it is evidence-based, evidence-informed, and aligned with best practices.
2. Staff training is reviewed and adjusted annually based on previous professional development activities, emerging best practices, and feedback.
3. Charter School shall ensure that training is available for new hires during the school year.
4. At least annually, all staff shall receive training on prevention and protective factors such as the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
5. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk and protective factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment and annually.  - a. How to identify youth who may be at risk for suicide including suicide risk factors, warning signs, and protective factors.
 - b. Appropriate ways to approach, interact, and respond to a youth who is demonstrating emotional distress or having thoughts of suicide including skill building to ask directly about suicide thoughts.
 - c. Charter-approved procedures for responding to suicide risk (including programs and services in a Multi-tiered System of Support (MTSS) and referral protocols). Such procedures will emphasize the student should be under constant supervision and immediately referred for a suicide risk assessment.
 - d. Charter-approved procedures identifying the role educators, school staff, and volunteers play in supporting youth and staff after a suicide or suicide death or attempt (postvention).
6. In addition to core components of suicide prevention, ongoing annual staff professional development for all staff shall include the following components:
 - a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community mental health and suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).

signs, risk, and protective factors.

Specialized Professional Development for School-based Mental Health Staff (Screening and/or Assessment)

Additional professional development in suicide risk assessment (SRA) and crisis intervention is provided to designated student mental health professionals, including but not limited to school counselors, psychologists, social workers, administrators, and nurses employed by Charter School. Training for these staff is specific to conducting SRAs, intervening during a crisis, de-escalating situations, interventions specific to preventing suicide, making referrals, safety planning, and re-entry.

Specialized Professional Training for targeted School-based mental health staff includes the following components:

1. Best practices and skill building on how to conduct an effective suicide risk screening/SRA using an evidence-based, Charter School-approved tool; Patient Health Questionnaire 9 (PHQ-9) Depression Scale; BSS Beck Scale for Suicide Ideation; National Institute of Mental Health (NIMH)'s Ask Suicide-Screening Questions (ASQ) Toolkit; and the Adolescent Suicide Assessment Protocol – 20.

5. Best practices on re-entry.

Virtual Screenings for Suicide Risk

Virtual suicide prevention efforts include checking in with all students, promoting access to school and community-based resources that support mental wellbeing and those that address mental illness and give specific guidance on suicide prevention.

Charter School has established a protocol for assigning school staff to connect with students during distance learning and school closures. In the event of a school closure, Charter School has determined a process and protocols to establish daily or regular contact with all students. Staff understand that any concern about a student's emotional wellbeing and/or safety must be communicated to the appropriate school staff, according to Charter School protocols.

Charter School has determined a process and protocols for school-based mental health professionals to establish regular contact with high-risk students, students who are on their caseloads, and those who are identified by staff as demonstrating need. When connecting with students, staff are directed to begin each conversation by identifying the location of the student and the availability of parents or caregivers. This practice allows for the staff member to ensure the safety of the student, particularly if they have expressed suicidal thoughts.

Parents, Guardians, and Caregivers Notification, Participation and Education

1. Charter School includes parents/guardians/caregivers in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the Charter School Web page and included in the parent/student handbook. Parents/guardians/caregivers are invited to provide input on the development, review, and implementation of this policy.
3. Charter School shall notify the parent/guardian/caregiver when a student has been screened or screened/assessed for suicide risk regardless of outcome
4. Charter School shall establish and widely disseminate a referral process to all parents/guardians/caregivers/families, so they are aware of how to respond to a crisis and are knowledgeable about protocols and school, community-based, and crisis resources.
5. Community-based organizations that provide evidence-based suicide-specific treatments shall be highlighted on the Charter School's website with treatment referral options marked accordingly.
6. Staff autoreplies during vacations or absences shall include links to resources and

phone/text numbers so parents and students have information readily available.

7. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.
 - d. Charter School's referral processes and how they or their children can reach out for help, etc.
8. Parent/guardians are provided with information on suicide prevention resources including crisis hotlines, local warmlines, and school and community-based supports and crisis resources including the National Suicide Prevention Lifeline, Crisis text line, and local crisis hotlines and includes information that hotlines/resources are not just for crisis but also for friends/family and referral.
9. Parents/guardians/caregivers are reminded that the Family Educational Rights and Privacy Act ("FERPA") generally protects the confidentiality of student records, which may sometimes include counseling or crisis intervention records. However, FERPA's health or safety emergency provision permits the disclosure of personally identifiable information from a student's education records, to appropriate parties, in order to address a health or safety emergency when the disclosure is necessary to protect the health or safety of the student or other individuals.

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, the Charter School along with its partners has carefully reviewed and will continue to review potential student curricula and materials and resources used in suicide prevention efforts to ensure it aligns with best practices for safe messaging about suicide.

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with the Charter School and is characterized by caring staff and harmonious interrelationships among students.

The Charter School's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

Charter School provides instruction to middle and high school students on general mental health and suicide prevention. The Charter School's instructional curriculum, shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive

to the needs of young students. The instruction is provided under the supervision of Charter School employed mental health professionals, with input from county and community mental health agencies, and middle and high school students. The instruction is developmentally appropriate, student-centered, and includes:

1. Coping strategies for dealing with stress and trauma.
2. How to recognize behaviors (signs and symptoms), and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
3. Protective factors and help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
4. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.
5. Guidance regarding the Charter School's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education). Charter School maintains a list of current student trainings, which is available upon request.

Charter School has shared school-based supports and self-reporting procedures, so students are able to seek help if they are experiencing thoughts of suicide or if they recognize signs with peers. Although confidentiality and privacy are important, students should understand safety is a priority and if there is a risk of suicide, school staff are required to report. Charter-based mental health professionals are legally and ethically required to report suicide risk. **When reporting suicidal ideation or an attempt, school staff must maintain confidentiality and only share information limited to the risk or attempt.**

Charter School supports the creation and implementation of programs and/or activities on campus that increase awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Weeks, Peer Counseling Programs, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

Charter School will include the following information on all student identification cards:

1.
 - National Suicide Prevention Lifeline/Suicide Crisis Lifeline:
 - Call or Text "988"
 - Call 1-800-273-8255
 - National Domestic Violence Hotline: Call 1-800-799-7233
 - Crisis Text Line: Text "HOME" to 741741
 - Teen Line: Text "TEEN" to 839863
 - Trevor Project: Call 1-866-488-7386 or Text "START" to 678678

- Trans Lifeline: 1-877-565-8860
 - Local suicide prevention hotline telephone number
2. In addition to listing the above resources on student identification cards, Charter School shall include the following language: *"If you or someone you know is struggling emotionally or having trouble coping, there is help. Students in distress or those who just want to talk about their problems, can call or text the phone numbers listed here for free, confidential support."*

Charter School shall establish and widely disseminate a referral process to all students, so they know how to access support through school, community-based, and crisis services. Students shall be encouraged to notify a staff member when they are experiencing emotional distress or suicidal ideation, or when they have knowledge or concerns of another student's emotional distress, suicidal ideation, or attempt.

Intervention and Emergency Procedures

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Executive Director or designee, who shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at the Charter School or in the community.

A. Action Plan for Suicide Attempts on Campus or During School-Sponsored Activity

Charter School shall implement the following response protocol for suicide attempts during the school day.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911. The call shall NOT be made in the presence of the student and the student shall not be left unsupervised. Staff shall NOT physically restrain or block an exit.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. Providing immediate first aid as needed, until a medical professional is available.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened and report any medications taken, and access to weapons, if applicable.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.
 - f. Not sending the student away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
 - i. Students should only be released to parents/guardians/caregivers/families or to a person who is qualified and trained to provide help.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. **Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.**
4. After a referral is made, the Charter School shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the importance of care. If follow up care is still not provided, the Charter School may contact Child Protective Services to report neglect of youth.
5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at the Charter School.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

B. Action Plan for Off Campus Suicide Attempts

In the event a suicide occurs or is attempted during the school day on the Charter School campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in the Charter School's safety plan. After consultation with the Executive Director or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Executive Director or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. Charter School staff may receive assistance from Charter School counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the Charter School campus and unrelated to school activities, the Executive Director or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like the Charter School to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan; providing parents/guardians/caregivers/families local emergency numbers for after school and weekend emergency contacts.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in the Charter School activities to notify a teacher, the Executive Director, another Charter School administrator, psychologist, Charter School counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. Charter School shall implement the following steps during or after a crisis:

1. Treat every threat with seriousness and approach with a calm manner; make the student a priority.
2. Listen actively and non-judgmentally to the student. Let the student express their feelings.
3. Acknowledge the feelings and do not argue with the student.
4. Offer hope and let the student know they are safe, and that help is available. Do not promise confidentiality or cause stress.
5. Explain calmly and get the student to a skilled mental health professional or designated staff to further support the student.
6. Keep close contact with the parents/guardians/caregivers/families and mental health professionals working with the student.

Re-Entry to School After a Suicide Attempt

A student who has verbalized ideation or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well-planned re-entry process ensures the safety and wellbeing of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

Charter School shall implement the following steps upon the student's re-entry:

1. The Executive Director shall obtain a written release of information signed by parents/guardians/caregivers/families and providers.
2. School mental health professionals shall confer with the student and parents/guardians/caregivers/families about any specific requests on how to handle the situation.
3. School-based mental health professionals shall confer with the student and parents/guardians/caregivers/families to develop a safety plan.
4. School-based mental health professionals shall inform the student's teachers about possible days of absences.
5. Teachers and administrators shall allow accommodations for student to make up work (understanding that missed assignments may add stress to student).
6. Mental health professionals or trusted staff members shall maintain ongoing contact to monitor student's actions and mood.
7. School-based mental health professionals shall work with parents/guardians/caregivers/families to involve the student in an aftercare plan.
8. School-based mental health professionals shall provide parent's/guardians/caregivers/families local emergency numbers for after school and weekend emergency contacts.

Messaging About Suicide Prevention

Charter School along with its partners shall:

1. Thoroughly and regularly review with its partners, all materials and resources used in

awareness efforts to ensure they align with best practices for safe and effective messaging about suicide.

2. Ensure that all communications, documents, materials related to messaging about suicide focus on warning signs as well as risk, prevention, and protective factors, avoid discussing details about methods of suicide, avoid oversimplifying (i.e. identifying singular cause of suicide), avoid sensational language, and only includes clear, respectful, people-first language that encourages an environment free of stigma. As part of safe messaging for suicide, we use specific terminology when referring to actions related to suicide or suicidal behavior:

Use	Do Not Use
"Died by suicide" or "Took their own life"	"Committed suicide" Note: Use of the word "commit" can imply crime/sin
"Attempted suicide"	"Successful" or "unsuccessful" Note: There is no success, or lack of success, when dealing with suicide

3. Provide suicide prevention resources in parent/student handbooks and on school-issued identification cards for staff and students, on school websites, and during any mental health or suicide prevention skill-building activity for students or parents/families and professional development for staff.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. The Charter School shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the Executive Director to conduct an initial meeting of the Suicide Prevention Crisis Team to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact deceased's family (within 24 hours).
 - c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:

- a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review signs of emotional distress and suicide ideation.
 - b. Review of protocols for referring students for support/assessment.
 - c. Develop and provide supports to staff in responding to student reactions.
 - d. Talking points for staff to notify students.
 - e. Share school and community-based resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior, and immediately refer them to a school-based mental health professional.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death and availability of support services. Staff shall not share explicit, graphic, or dramatic content, including the manner of death.
7. Consider, (in consultation with the family) funeral arrangements for family and school community.

Appendix E

Suspension and Expulsion Policy and Procedures

This Pupil Suspension and Expulsion Policy and Procedures have been established in order to promote learning and protect the safety and wellbeing of all students at the Charter School. In preparing this policy, the Charter School has reviewed other suspension and expulsion policies, as well as the Education Code Section 48900 et seq. which describe the offenses for which students at noncharter schools may be suspended or expelled and the procedures governing those suspensions and expulsions in order to establish its list of offenses and procedures for suspensions, expulsions, and involuntary removal. The Charter School is committed to annual review of policies and procedures surrounding suspensions, expulsions, and involuntary removals, and, as necessary, modification of the lists of offenses for which students are subject to suspension, expulsion or involuntary removal.

Consistent with this policy, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as Charter School's policy and procedures for student suspension, expulsion, and involuntary removal, and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. Although many of the students of the Charter School work from home, this policy is written broadly to apply as needed to the Charter School students at school-sponsored activities or at school facilities.

Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will clearly describe discipline expectations, and it will be printed and distributed as part of the Student & Parent Information Packet that is sent to each student at the beginning of the school year.

Discipline includes but is not limited to advising and counseling students, conferring with parents/guardians, detention during and after school hours, use of alternative educational environments, suspension and expulsion.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff, or other persons, to prevent damage to school property, or otherwise comply with legal requirements regarding restraints.

The Charter School administration shall ensure that students and their parents/guardians⁷ are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this Policy is available on request from the Executive Director.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures. Charter School will follow all applicable federal and state laws, including the IDEA, Section 504, implementing regulations and implementing state law and regulations, when imposing any form of discipline on a student identified as an individual with disabilities or for whom Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent/guardian and shall inform the student and the student's parent/guardian of the basis for which the student is being involuntarily removed and the student's parent/guardian's right to request a hearing to challenge the involuntary removal. If a student's parent/guardian requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. Students may be involuntarily removed for reasons including, but not limited to, failure to comply with the terms of the student's independent study Master Agreement pursuant to Education Code Section 51747(c)(4).

⁷ The Charter School shall ensure that a homeless child or youth's educational rights holder; a foster child or youth's educational rights holder, attorney, and county social worker; and an Indian child's tribal social worker and, if applicable, county social worker have the same rights as a parent or guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, involuntary removal notice, and other documents and related information. For purposes of this Policy and its Procedures, the term "parent/guardian" shall include these parties.

Suspension/Expulsion Procedures

Alternatives to suspension or expulsion will first be attempted with students who are truant, tardy, or otherwise absent from assigned school activities.

Suspensions

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Executive Director or the Executive Director's designee with the student and the student's parent/guardian and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Executive Director. The conference may be omitted if the Executive Director or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against the student and shall be given the opportunity to present their version and evidence in their defense in accordance with Education Code Section 47605(c)(5)(J)(i).

This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. The conference shall be held as soon as the student is physically able to return to school for the conference.

No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notices to Parents/Guardians

At the time of suspension, the Executive Director or designee shall make a reasonable effort to contact the parent/guardian by telephone, email, or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student. In addition, the notice may also state the date and time when the student may return to school following the suspension. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Placement/Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Placement/Expulsion by the Executive Director or Executive Director's designee, the student and the student's guardian will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the student or the student's parent/guardian, unless the student and the student's parent/guardian fail to attend the conference.

The Executive Director or designee upon either of the following determinations will make this determination: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the pupil, or the affected pupil, a teacher shall provide to a pupil in any of grades 1 to 12, inclusive, who has been suspended from school for two or more schooldays, the homework that the pupil would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the pupil either upon the pupil's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the pupil's overall grade in the class.

Expulsions

Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Governing Board following a hearing before it or by the Governing Board upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Governing Board as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a Board member of the Governing Board. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

Expulsions shall be initiated according to the following procedures:

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director or designee determines that the student has committed an expellable offense and recommends the student for expulsion.

In the event an administrative panel hears the case, it will make a recommendation to the Governing Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules that relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, only the Governing Board, administrative panel, or the hearing officer may present the testimony of the witness at the hearing in the form of sworn declarations that shall be examined. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive a notice within five days of their scheduled testimony, (b) have up to two (2) adult support persons of their choosing present in the hearing at the time they testify, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which they may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours the witness is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The person conducting the hearing may permit any one of the support persons for the complaining witness to accompany the witness to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which

case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising their discretion to remove a person from the hearing whom they believe is prompting, swaying, or influencing the witness.

8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay and sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have their testimony heard in a session closed to the public.

Expulsion Decision

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Governing Board who will make a final determination regarding the expulsion. The final decision by the Governing Board shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Governing Board is final.

If the expulsion-hearing panel decides not to recommend expulsion, or the Board of Directors ultimately decides not to expel, the student shall immediately be returned to the student's educational program.

The Board of Directors may also determine to suspend the enforcement of the expulsion order for a period of not more than one (1) calendar year from the date of the expulsion hearing and return the student to the student's previous educational program under a probationary status and rehabilitation plan to be determined by the Board. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status. The Board of Directors may revoke the suspension of an expulsion order under this section if the student commits any of the enumerated offenses listed above or violates any of the Charter School's rules and regulations governing student conduct. If the Board revokes the suspension of an expulsion order, the student may be expelled under the terms of the original expulsion order. The Board of Directors shall apply the criteria for suspending the enforcement of the expulsion order equally to all students, including individuals with exceptional needs as defined in Education Code Section 56026. The Board of Directors shall further comply with the provisions set forth under Education Code Section 48917, except as otherwise expressly set forth herein.

Written Notice to Expel

The Executive Director or designee following a decision of the Governing Board to expel shall send written notice of the decision to expel, including the Governing Board's adopted findings of fact, to the student and the student's parent/guardian. This notice shall also include the following:

1. Notice of the specific offense(s) committed by the student
2. Notice of the student or the student's parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.
 - i. The Executive Director or designee shall send a copy of the written notice of the decision to expel to the student's school district of residence. This notice shall include the student's name and the specific expellable offense(s) committed by the student.

Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the Pleasant Valley School District upon request.

No Right to Appeal

The student shall have no right of appeal from expulsion from the Charter School as the Governing Board decision to expel shall be final.

Expelled Pupils/Alternative Education

Students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

Rehabilitation Plans

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Governing Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may reapply to the Charter School for readmission.

Readmission or Admission of Previously Expelled Student

The decision to readmit a student after the end of the student's expulsion term, or to admit a previously expelled student from another school, school district or charter school who has not been readmitted/admitted to another school or school district after the end of the student's expulsion term, shall be in the sole discretion of the Governing Board following a meeting with the Executive Director or designee, the student, and the student's and parent/guardian to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment.

The Executive Director shall make a recommendation to the Governing Board following the meeting regarding their determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The student's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission or admission to the Charter School.

Notice to Teachers

The Charter School shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Removal Due to Noncompliance with Independent Study Requirements

In accordance with Education Code Section 51747 and the Charter School's Board policy on independent study, after excessive missed assignments accrue as specified in the policy, an evaluation is held to determine whether it is in the best interest of the student to remain in independent study. If it is determined that it is not in the student's best interest to remain in independent study, the Charter School may involuntarily remove the student after the Charter School follows the requirements of the Missed Assignment Policy and only after providing notice and an opportunity for a parent, guardian, educational rights holder to request a hearing prior to any involuntary removal as forth herein. Students who are involuntarily removed for truancy shall be given a rehabilitation plan and shall be subject to the readmission procedures set forth herein.]

Special Procedures for the Consideration of Suspension and Expulsion or Involuntary Removal of Students with Disabilities

1. Notification of SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA before discipline of any student with a disability or who the Charter School or SELPA would be deemed to have knowledge of having a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year and Students whose cumulative suspensions constitute a change in placement under the IDEA shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP or 504 Plan; and receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting for up to 45 days.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent/guardian, and relevant members of the IEP or 504 Team shall review all relevant information in the student's file, including the child's IEP or 504 Plan, any teacher observations, and any relevant information provided by the parent/guardian to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP or 504 plan.

If the Charter School, the parent/guardian, and relevant members of the IEP or 504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent/guardian, and relevant members of the IEP or 504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP or 504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;

- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals and 504 Appeals

The parent/guardian of a child who qualifies under the IDEA who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures. The parent of a child with a 504 plan who disagrees with any decision regarding the placement or the manifestation determination may utilize the dispute resolution process and hearing procedures as outlined in the 504 policies and procedure.

The Charter School shall be solely responsible for its representation at hearing and the related costs of this process and as described herein, shall fully indemnify the Pleasant Valley School District for the same. When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer, in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and the Charter School agree otherwise.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative

educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by- case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Executive Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's IEP or 504 team shall determine the student's interim alternative educational setting.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student needs special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the Executive Director or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parent/guardian; however, the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge of that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.
